"No, dear," was the consoling reply, friendly to any sound prominent Union a duty of over one dollar per ton, as we have been doing.

"No, dear," was the consoling reply, friendly to any sound prominent Union and the was no ways intimate with or friendly to any sound prominent Union a duty of over one dollar per ton, as we have been doing.

"No, dear," was the consoling reply, taken up and a perfectly reliable man.

"A G. Gibbs.

rich. I saw some specimens of copper ore yesterday taken from the Velvetia erally denounce the Union League, as an copperhead programme in inviting foreign | Entron Anova: As the rich and ex- vein which is situated near the summit of W. L. Adams, - - Editor. abolition gulitrap, and warn Union Dem- intervention, through a party placed in tensive gold mines of Eastern Oregon are here. The mine was recently discovered ocrats not to join it. The organ at Albany power through the deceptive cry of "a now attracting a large share of the attent by a Frenchman named P. C. Mullas are more vigorous prosecution of the war," tion of the public, I send you the result of experienced copper miner. Mr. C. H. "Wm. Lloyd Garrison is said to be the founder of the 'Unice League' Clobs, now having such a run among Abilitonists. He was a very proper man to originate such a society."

"Wm. Lloyd Garrison is said to be the founder of the leading copperheads East have felt my observations while passing over the Moses, one of the proprietors of the ledge, and one of the first to visit it after its discovery by the Frenchman, has manyed that has been held in any considerable City, thinking that it may interest those covery by the Frenchman, has assayed town. Deception, like murder, will out who expect to try their fortunes east of cent, pure copper. He showed me some sconer or later, very frequently sconer .- the Cascades. With a small party and a specimens taken from near the top of the Judge Wait was forced to see the demo- few pack animals I left Eugene on on the mine that were nearly all pure copper, cratic cut let out of the wallet by M'Bride 29th of May. We traveled the greater having only some small specks of rock during the canvass a year ago. Wait depart of the distance with Mr. Rhea, who be about 2,000 miners in and around Canclared up on Long Tom, with a hoarse brought over a large drove of cattle, and von City at the various small camps in voice, and much unction, that he "didn't in consequence of their slow traveling the vicinity, and from what I have seen I want any abolitionists to rote for him." we did not arrive here until the 18th of think they are nearly all doing well, but I will refer to the mining prospects more Union triumph." That is right. In the event of his election, which there is fittle room to doubt, it will be a Union triumph. A triumph over rampant fanalticism, political demagnes and hell-born cliques. It will be a triumph over the current rabble that in their baueful practices are continually endeavoring to subvert, and ignore the Constitution and laws. It will be a triumph of the many of them "brd rock democrats," who Flour is 14 cents per pound at the stores, present, is destined very soon, if the ex-H. R. KINCAID.

Poreign Exchange.

above question is one which is at present agitating the mind of the people of Washington Territory, and one, too, which ought to be correctly answered before the day of election. It is, in fact, a question of the most vital importance to every Uaion man, either in the territory or out of who has the cause of his country at heart will make sure when the proper day arrives, that he votes for none other than a ceiving the support of men, many of whom have openly avowed themselves as opcal publications, each not exceeding the That such interchange shall be confined to have been doing considerable mischief in that such interchange shall be confined to Washington Territory-nominated by a who abiy discusses the subject in his histo- town may possibly go mad and bite the this region lately. Numbers of horses can only serve to remind us of "poor Tray," and mules have been ran off into the whose melanchuly history is recorded in mountains, and scarcely a week passes the back part of the spelling book. That without some depredation of this kind be- unfortunate "canine" had unluckily choing committed. Soon after we came into sen, as his associates, a set of sheep-killing, sojourning with his family at Victoria, in the Dalles trail we met some packers suck egg dogs, and the consequence was going down who had lost a part of their that he not only injured his own reputanimals on Rock Creek a few nights be- tion but received a most unmerciful thrashfore. They followed them 25 miles into ing. If Mr. Cole is really a good and the mountains and recovered all but one true Union man and has fieldship permited which the Indian who had stolen them himself to be led astray, he cannot comescaped with. A few days ago some int. plain it be meets with a similar fate. licensed to ensign an already too willing pack of service drongs, to how and kies the heef that tramples on them, and split their throats with horrans Yreka with wagons were robbed of about gard to the war and the best method of 20 head of cattle and horses on the South bringing it to a close, it cannot be denied Fork, in the mountains about 30 miles that he entertains some very strange sensouth-west of this place. There is a timents, as the subjoined certificate from

PORTLAND, June 20th 1863. In a conversation I had last winter with dressed himself to me in decided and positive language, that since the breaking out of the reballion, he had become convinced eroment. He thought the only form of power out of the hands of the people and lodged it with the rulers. This he told me The miners on Canyon Creek, at Praison more than one occasion in different con-
