

OFFICIAL.
LAWS OF THE UNITED STATES.
Passed at the Third Session of the Thirty-ninth Congress.
[Public-106.]
AN ACT to define the Powers and Duties of the Levy Court of the County of Washington, District of Columbia, in regard to Roads, and for other Purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the levy court of the county of Washington, District of Columbia, shall hereafter consist of nine members, to be appointed by the President of the United States, by and with the advice and consent of the Senate, who shall hold their offices for the term of three years. But of the members to be first appointed one third shall be appointed and hold their offices for one year, or until the thirty-first day of December, eighteen hundred and sixty-three; one third for two years, or until the thirty-first day of December, eighteen hundred and sixty-four; and one third for three years, or until the thirty-first day of December, eighteen hundred and sixty-five.

And he may notify such as have teams of horses, mules, or oxen, or may have a cart or wagon, to come or send an albe-bodied head with such team, cart or wagon, to be used in repairing or making roads or bridges; such notice to be given personally or in writing left at the residence of the individual notified. If the person so notified shall fail to appear at the time and place, or send an albe-bodied substitute, or shall not conform to the directions of the person having charge of the work, or shall not labor diligently, in the latter case he shall be dismissed, and in either case he shall pay the whole amount of his road tax in cash, with an addition of twenty per centum thereon. For the convenience of the tax collector and the superintendent of roads, it shall be the duty of all taxpayers who desire to work out that portion of their road tax which is herein provided they may work out, as early as the first Monday of April of each year, to give notice to the supervisor of their district of such desire, and such supervisor shall notify the tax collector. But in case any one shall fail to perform the labor required of him, the tax collector shall, upon being notified thereof, collect the said tax in cash, with the twenty per centum

And he is further enacted, That no bill for labor performed upon any road or bridge shall be allowed or paid to any supervisor by the levy court which is not accompanied by a certificate of the superintendent of roads that he has personally examined the road or bridge so made or repaired, and that the work has been well done and according to law, and that the charges are reasonable and just: Provided, however, That one or more members of the court, to be appointed for that purpose, may, after personal examination, make such certificate.

Sec. 7. And be it further enacted, That on extraordinary occasions, when any public road or bridge shall be destroyed, or so injured as to require immediate repair, it shall be the duty of the superintendent as well as the supervisor of the road to cause the necessary repairs to be forthwith made; and if there are no funds in hand with which to hire laborers and teams, or if laborers and teams cannot be otherwise procured, the said supervisor shall immediately summon a sufficient number of men living nearest the place to appear and labor on said road or bridge until it shall be repaired; and he may also require any person owning a team and living within a reasonable distance to appear with said team and cart or wagon and plough. And if any one thus called upon, having received two days' notice, shall neglect or refuse to appear and labor, or send an albe-bodied substitute, or shall refuse his team, cart, wagon, or plough, he shall forfeit and pay to the levy court a sum not less than three dollars, nor more than ten, to be recovered before any justice of the peace in said county, with costs. For labor, the use of teams, and other necessary implements, performed and furnished on such occasions, a just and fair compensation shall be paid, to be fixed by the said court.

Sec. 8. And be it further enacted, That whenever the levy court shall deem it conducive to the public interests to open a new road, or change the course of an old one, they shall direct the route of such road to be surveyed by the county surveyor, and a plat or map of the same to be prepared. They shall then cause notice to be given, by advertisement, twice a week for three weeks, of the proposed opening of the new road, or of the alteration of an existing one, calling upon all persons who may have any objections thereto to present them to the court at its next regular meeting. If any objections are made, the court shall then and there hear them. If the route only is objected to, and another or others suggested as more advantageous, the court may adopt it, or appoint five discreet, disinterested men, of whom the county surveyor shall be one, to examine all the proposed routes, and report such an one as they shall deem most feasible and advantageous to the county, and such report shall be made to the court at its next session. If no objection to the opening or altering a road by the owners of the land through which it must pass after such notice [is made], it shall be taken for granted that no damage or will be claimed, and the road recorded and opened, and shall be the land shall ob-

Sec. 11. And be it further enacted, That the act entitled "An act to authorize the levy court to issue tavern and other licenses in the District of Columbia," approved June twelfth, eighteen hundred and sixty, be so extended as to authorize the levy court to grant licenses to wholesale and retail dealers in goods, wares, or merchandise in the county of Washington within the limits of the cities of Washington and Georgetown, under such restrictions and penalties as the said levy court may deem expedient.

Sec. 12. And be it further enacted, That fines, under any of the ordinances of the levy court, may be recovered in the name, and for the use, of said levy court, before any magistrate of said county of Washington, and the person or persons against whom a fine may be imposed shall pay the same at the time it is imposed with costs, or give security for the payment of such fine and costs, as required by the sixth section of an act entitled "An act to amend the act to create a metropolitan police force in the District of Columbia, and for other purposes," approved August sixth, eighteen hundred and sixty-six, or shall stand committed till the whole is paid.

Sec. 13. And be it further enacted, That all laws inconsistent with this act are hereby repealed.
Approved, March 3, 1863.

"Section 6. And be it further enacted, That from and after the first day of July next the commission of Registers and Receivers in all the land offices in the United States shall be an annual salary of five hundred dollars each, with the fees and commissions now prescribed by law, and to be paid by claimants, in addition to the amount of the donation claims, in the following manner: In donation claims of five dollars for each acre, the fee shall be ten dollars; in donation claims of ten dollars for each acre, the fee shall be twenty dollars; in donation claims of fifteen dollars for each acre, the fee shall be thirty dollars; and in donation claims of twenty dollars for each acre, the fee shall be forty dollars."
