

Blackwood's Magazine

AND THE
British Reviews.

Great Inducements to Subscribe!!

PREMIUMS AND REDUCTIONS.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tone of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Five receipts of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROSPECTUS

NATIONAL REPUBLICAN.

WASHINGTON, D. C., July 1, 1861.

The undersigned commenced, in the month of December last, the publication, in this city, of a weekly newspaper, called the *National Republican*.

It is printed on a large sheet, twenty-seven by forty-two inches, and is furnished at the low prices stated below.

It will contain all the original matter of the daily *National Republican*, with the exception of local news not interesting to country subscribers. It will give full reports of the proceedings of Congress, and of the other departments of the national Government. It will contain all the news of the day, foreign and domestic, markets, etc., as well as original correspondence from all parts of the country.

The miscellaneous department will receive special attention. In all respects, the effort will be made to establish the character of the *National Republican* as a Family Newspaper. Washington being now the central point of the current military operations, great attention will be paid to furnishing the readers of the *National Republican* with full, and especially with accurate, accounts of the progress of the war for the Union.

In politics, the paper will be Republican, sustaining the Administration of Mr. Lincoln, but disclaiming, however, any pretension to be the organ of the President. There is no Republican paper in the District of Columbia, or in the vicinity of it, and it is believed that recent events have opened to such a paper an important sphere of useful effort. The time has come, when the actual administration of the Government upon Republican principles will explode the misrepresentations which have made those principles so distasteful to the South. But it is not only here, and in this vicinity, that the projects of the *National Republican* hope to make it useful. To the whole country they offer a journal which will discuss national politics from a national standpoint, and which will never be swayed from patriotic duty by any overpowering pressure of local interest.

Terms of Subscription.

One copy for one year,	\$3 00
Three copies for one year,	8 00
Five copies for one year,	7 00
Ten copies for one year,	12 00
Twenty copies for one year,	20 00

When a club of subscribers has been forwarded, additions may be made to it on the same terms. It is not necessary that the subscribers to a club should receive their papers at the same post office. Money may be forwarded by mail, at our risk. Large accounts can be remitted in drafts on Boston, New York, Philadelphia or Baltimore; smaller amounts in gold, or in notes of solvent banks.

The *Daily National Republican* is published every morning (Sundays excepted) at \$3 50 per annum, in advance.

TURNER'S FOREST WINE BITTERS.

The Greatest Remedy of the Age,

FOR THE CURE OF

Dyspepsia,

Liver Complaint,

Weakness of Stomach,

Or any Derangement of the Digestive Organs.

THEY regulate and prepare the stomach to receive and digest food in a healthy manner, giving action to the Liver, by removing the secreted bile, allowing the body its natural strength. "It is very essential for persons of every age and condition in life, to be careful and keep their Digestive Organs in good order. By doing this, they will be proof against any, or all, of the prevailing diseases, incident to the different climates, no matter what the temperature of the same." These Bitters are sure to do this in every case. If the stomach is diseased, surely it cannot do its work. Consequently the body must be fed from unprepared and unnatural salia, sowing corruption throughout the whole system. But if the stomach is kept in order, the created saliva goes to enrich the blood, giving a natural freshness to the countenance, and strengthening the whole frame.

We desire any and every person using the Bitters to show them to and ask the opinion of their constitutional family physician, in regard to the merits of the article.

TURNER'S FOREST WINE BITTERS

Are sure to regulate the stomach, the main avenue to the whole body;

Are sure to counteract Biliousness, when in a malarious climate;

Are sure to agree with the most weakly, as well as the most robust person;

Are sure to create a good appetite;

Are pleasant as a beverage;

All travelers should carry these Bitters with them, to prevent Biliousness and Fevers, caused by changes of water and climate.

Seamen should carry them to prevent Scurvy, Ship Fever and the like when they are deprived of fresh vegetables.

All persons of sedentary habits, who cannot rest at night, should take them before going to bed (as a food and disordered stomach always produces a nervous irritation of the muscular glands, causing sleepless nights). They assist the stomach to perform its natural powers, allowing the patient to rest with composure. They are a very rich and nutritive wine, formed by the addition of nine different kinds of roots, bark and herbs, making a very palatable as well as one of the most nourishing Bitters in the world. There has never been any article introduced that has gained such universal confidence, and been so highly applauded by the public, as these Bitters. They have been in use about six years, and the sale has increased so much that it now takes three large buildings, covering over nine lots of ground, to do their business.

For the better protection of the public (after this date, April 15th), we have for a label, a splendid and very expensive Steel Engraving, with the portrait of each member of our firm, making a perfect guarantee against counterfeit or imitations of the genuine article.

N. B.—Hereafter our *FOREST WINE BITTERS* will be manufactured from White Wine, which makes a decided improvement, unequalled by any other bitters in the United States. Sold wholesale, by

TURNER BROTHERS,

Corner Washington and Franklin streets, New York; Niagara street, Buffalo, N. Y.; corner Broadway and Front streets, San Francisco, Cal.; and for sale by Merchants and Druggists everywhere. Jy14-6m

Turner's Ginger Wine.

This article is prepared from pure White California Wine and Jamaica Ginger Root, in such a manner as to form the best and most pleasant tonic ever introduced.

It is an invaluable remedy for Dyspepsia, Indigestion, and for all diseases where a gentle stimulant is required to bring the system into healthy and natural action.

ONE MILLION GALLONS,

In Barrels and Cases, Sold Annually.

Throughout the world, thereby proving its unrivaled and unequalled merits. It has received the approbation of the Medical faculty throughout the United States, and wherever known.

We caution all consumers of "Ginger Wine" to examine the label, as none are genuine except such as have on them our engraved portraits in a circle, surrounded by the following superscription: "TURNER'S GINGER WINE, prepared by Turner Brothers, New York; Buffalo, New York; and San Francisco, California."

TURNER'S EXTRA RASPBERRY SYRUP,

Manufactured from pure Juice of Raspberries, and is equal to any article of the kind heretofore introduced.

Some of the reasons why TURNER'S Ginger Wine, Cordials, Bitters, etc., are better than any others in the United States:

First—We have three of the largest manufacturing of the kind in the world:

One at NEW YORK; One at BUFFALO, New York; and the 3d at SAN FRANCISCO, California,

built specially for our business in the most complete manner in every particular.

Secondly—We can and do have every advantage that money can purchase or convenience could facilitate. Our agents are manufactured from the very best materials—with the utmost care, and are the leading articles of the kind throughout every State in the Union, China, Sandwich Islands, and including almost every place where the Anglo Saxon race are represented.

We have constantly on hand and for sale in quantities to suit:
