

Blackwood's Magazine

AND THE
British Reviews.

Great Inducements to Subscribe!!
PREMIUMS AND REDUCTIONS.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:
1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tone of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROSPECTUS

OF THE

NATIONAL REPUBLICAN.

WASHINGTON, D. C., July 1, 1861.

The undersigned commenced, in the month of December last, the publication, in this city, of a weekly newspaper, called the *National Republican*.

It is printed on a large sheet, twenty-seven by forty-two inches, and is furnished at the low price stated below.

It will contain all the original matter of the daily *National Republican*, with the exception of local news not interesting to country subscribers. It will give full reports of the proceedings of Congress, and of the other departments of the national Government. It will contain all the news of the day, foreign and domestic, markets, etc., as well as original correspondence from all parts of the country.

and, in all respects, the effort will be made to establish the character of the *National Republican* as a Family Newspaper. Washington being now the central point of the current military operations, great attention will be paid to furnishing the readers of the *National Republican* with full, and especially with accurate, accounts of the progress of the war for the Union.

In politics, the paper will be Republican, sustaining the Administration of Mr. Lincoln, but declining, however, any pretension to be the organ of the President. There is no Republican paper in the District of Columbia, or in the vicinity of it, and it is believed that recent events have opened to such a paper an important sphere of useful effort. The time has come, when the actual administration of the Government upon Republican principles will explode the misrepresentations which have made those principles so distasteful to the South. But it is not only here, and in this vicinity, that the efforts will be made to establish the hope to make it useful. To the whole country they offer a journal which will discuss national politics from a national standpoint, and which will never be swayed from patriotic duty by any overpowering pressure of local interest.

Terms of Subscription.

One copy for one year,	\$2 00
Three copies for one year,	5 00
Five copies for one year,	7 00
Ten copies for one year,	12 00
Twenty copies for one year,	20 00

When a club of subscribers has been forwarded, additions may be made to it on the same terms. It is not necessary that the subscribers to a club should receive their papers at the same post office. Money may be forwarded by mail, at our risk. Large accounts can be rendered in drafts on Boston, New York, Philadelphia or Baltimore; smaller amounts in gold, or in notes of solvent banks.

The Daily *National Republican* is published every morning (Sundays excepted) at \$3 50 per annum, in advance.

Address, W. J. MURTAGH & CO., Washington, D. C.

JOHN J. DOYLE, Proprietor.

TO ALL WHOM IT MAY CONCERN.

BE IT KNOWN THAT I, THOMAS OGG SHAW, of 208 Sacramento street, San Francisco, have now on hand, for sale

8 and 10-Horse Steam Threshers, for 1862.

8 & 10-Horse Power Machines of John A. Pitts' genuine make, Buffalo, N. Y., with all of C. M. Russell's improvements in the Shoe and Cylinder; as it runs on Steel Pistons, and in all other respects superior to the Russell make of Machine, both in material and workmanship, as well as finish; with the large sized, improved Jack.

Nix 12-Horse Power Steam Engines, on Trucks, and capable of running the largest sized Separator, and threshing in one day, in a good and workmanlike manner, 2,000 sacs of grain.

4 and 6-Horse Machines, in all respects the same as the large Machine, to run with GEAR, same as old style Pitts'.

All of the above Machines are made at Buffalo, N. Y., expressly for me and under my direction. Any person in want of such machines cannot fail to be pleased, as this Machine stands unrivaled for Threshing and Cleaning Grain at one operation. It is acknowledged to be superior to any other Machine in the WORLD, in its Operation, Finish, and Mechanical Construction.

Extra Extras of all parts of the Genuine Pitts' Machine constantly on hand. No Machine Genuine except those made at Buffalo, N. Y., and marked "J. A. PITTS."

List of the Articles Manufactured at Thomas Ogg Shaw's Agricultural Works.

Tustin's California Combined Reaper and Mower; California Fire and Burglar Proof Safes; Fan Mills; Hand Presses; Cast Steel Deep-Tiller Plows, all Sizes; Breaking Plows, all Sizes; Field Rollers; Harrows; all Kinds of Machine Castings; all kinds of Repairing done; every description of Brass Work; Sash Weights of all sizes, to order; Crates and Fenders, for Marble Mantels.

Among the leading articles are TUSTIN'S CALIFORNIA COMBINED REAPER AND MOWER, which cuts six feet in width, and is the best Machine on the coast, as it possesses many advantages over those made in the States. This Machine took the First Premium at the Sacramento Fair, over all other Machines. This Machine is so constructed that it NEVER CHOKES UP, having two sets of Knives, moved by the same crank; thereby causing twice the velocity of the knives, over that given by any other machine, and preventing the possibility of choking, no matter how slow the team or travel.

Attention is particularly called to the RAKING DEVICE, which will rake off the grain more regularly and evenly than can possibly be done by hand, thus saving the purchaser the usual sum of \$2 50 per day. The Machine is very light and durable.

CALIFORNIA FIRE AND BURGLAR-PROOF SAFES, which have been tested at various times and found to be superior to any imported. They are warranted to be Fire-proof, and entirely free from sweating or dampness, which is the great complaint of the imported safes, as they gather moisture on their passage. Our Wrought and Chilled-Iron Safe, with Steel Vaults, and Combination Locks, is unsurpassed by any.

All orders promptly attended to. And in conclusion I will add, that all the above lists of goods are made of the very best material that the country will afford. And while I feel thankful for the past favors, I trust I may meet with good encouragement in the future. Every article that I import is of the very best style and improved goods in the market, and can be sold as cheap as the cheapest. All persons in want of any of the above goods, will please send in their orders in time, to

TURNER'S

FOREST WINE BITTERS.

The Greatest Remedy of the Age,

FOR THE CURE OF

Dyspepsia, Liver Complaint,

Weakness of Stomach,

Or any Derangement of the Digestive Organs.

They regulate and prepare the stomach to receive and digest food in a healthy manner, giving action to the Liver, by removing the secreted bile, allowing the body its natural strength. "It is very essential for persons of every age and condition in life, to be careful and keep their Digestive Organs in good order. By doing this, they will be proof against any, or all, of the prevailing diseases, incident to the different climates, no matter what the temperature of the same." These Bitters are sure to do this in every case, if taken according to directions.

There are thousands of small arteries and veins in the human frame, leading to and depending upon, the gastric juices produced by the stomach for the support of the entire body. If the stomach is diseased, surely it cannot do its work. Consequently the body must be fed from unprepared and unassimilated food, causing corruption throughout the whole system. But if the stomach is kept in order, the created saliva goes to enrich the blood, giving a natural freshness to the countenance, and strengthening the whole frame.

We desire any and every person using the Bitters to show them to and ask the opinion of their confidential family physician, in regard to the merits of the article.

TURNER'S FOREST WINE BITTERS

Are sure to regulate the stomach, the main avenue to the whole body;

Are sure to counteract Bilioussness, when in a malarious climate;

Are sure to agree with the most weakly, as well as the most robust person;

Are pleasant as a beverage;

Are pleasant as a beverage;

All travelers should carry these Bitters with them, to prevent Bilioussness and Fevers, caused by changes of water and climate.

Seamen should carry them to prevent Scurvy, Ship Fever and the like when they are deprived of fresh vegetables.

All persons of sedentary habits, who cannot rest at night, should take them before going to bed (as a foal and disordered stomach always produces a nervous irritation of the muscular glands, causing sleepless nights). They assist the stomach to perform its natural powers, allowing the patient to rest with composure. They are a very rich and nutritive wine, formed by the addition of many different kinds of roots, bark and herbs, making a very palatable as well as one of the most nourishing Bitters in the world. There has never been any article introduced that has gained such universal confidence, and been so highly applauded by the public, as these Bitters. They have been in use about six years, and the sale has increased so much that it now takes three large buildings, covering over nine lots of ground, to do their business.

For the better protection of the public (after this date, April 15th), we have for a label, a splendid and very expensive Steel Engraving, with the portrait of each member of our firm, making a perfect guarantee against counterfeits or imitations of the genuine article.

N. B.—Hereafter our FOREST WINE BITTERS will be manufactured from White Wine, which makes a decided improvement, unequalled by any other Bitters in the United States. Sold wholesale, by

TURNER BROTHERS,

Corner Washington and Franklin streets, New York; Niagara street, Buffalo, N. Y.; corner Broadway and Front streets, San Francisco, Cal., and for sale by Merchants and Druggists every where.
