H. C. SMALL, Att'y. Eugene City, July 24, 1962. 28-4w

The following letter, which emphatically

speaks for itself, was written by the Dean of the Faculty of the Philadelphia College of Medicine—to the editors of the Pacific Medical and Surgical Journal, San Francisco for publication:

PHILADELPHIA, January 17th, 1962.

To the Editors of the Pacific Medical Journal—Gentlemen: My attention has been called to an article in the December number of your journal, in regard to the ad eundem degree granted by the Philadelphia College of Medicine to Dr. L. J. Czapka. When the application for the degree was made to the Faculty, it was accompanied by affidavits and testimonials to the effect that Dr. Czapka, was a regular graduate M. D. of the University of Fests, had served as a surgeon in the Hungarian army, and was a regular practitioner of medicine. On the strength of these the degree was granted. The ad eundem degree, as its name implies, is conferred on graduates only, and gives us new privileges. Had there been the slightest suspicion of irregularity, the application would have been refused. By inserting this in your journal you will do an act of justice to the college, and confer a favor on.

Yours, very respectfully, H. RAND,

Dean of the Faculty of the Phila. College of Medicine.

DR. L. J. CZAPKA'S Private Medical and Surgical Institute is on Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's office, San Francisco. The Doctor offers free consultations and asks no remuneration unless he effects a cure. Office hours from 9 a. m. to 9 p. m.

CERTIFICATE.—The undersigned, Governor of Hungary, do hereby certify, that Dr. L. J. Czapka has served during the contest for Hungarian liberty, as Chief Surgeon, in the Hungarian army, with faithful perseverance. Whereof I have given him this certificate, and recommend him to the sympathy and attention of all those who are capable of appreciating patriotic self-sacrifice, and undeserved misfortune.

KOSSUTH LAJOS, Governor of Hungary. Washington City, January 28th, 1962.

Persons not wishing to lose time in correspondence please enclose \$10 in their letters, and they will get immediate attention to their cases.

Address, L. J. CZAPKA, M. D., San Francisco, Cal.

## \$100 REWARD.

ONE HUNDRED DOLLARS REWARD is offered for a better Antidote for all affections of the

URINARY ORGANS AND PROSTATE GLAND

—THAN—

Dr. FRANK ALLESTON'S

Antidote and Rose Injection.

The worst cases of GONORRHOEA are radically cured by two or three bottles. Slight cases in two or three days. This preparation will do what no other remedy can, or has been known to do, viz: Cure every case, no matter how chronic. Thousands can testify to this fact, who had, previous to using Dr. Alleston's Antidote and Rose Injection, expended hundreds of dollars on worthless nostrums and humbug doctors.

TRY THIS REMEDY! Two or three doses is sufficient to convince you of its superior medicinal virtues. The only restriction while using the Antidote is to avoid all Spices and Beer, or Ale. Be sure to ask for Dr. FRANK ALLESTON'S Antidote and Rose Injection. Take it according to directions on the bottle and it will cure you. Sold by all regular Druggists and Dealers in California, Oregon and British Columbia.

Price for Antidote, \$1 50; Rose Injection, \$1 00. Three bottles is nearly always sufficient to perform a radical cure, leaving no traces of the malady in the system, which can not be truthfully said of any other known preparation. 16-12m

TURNERS' ESSENCE

—OF—

Jamaica Ginger.

It is not only harmless, but it is eminently beneficial in all cases where a warm Cordial or a gentle stimulant is required. Especially in this case when there is felt by the patient a sense of exhaustion, arising from either heat or fatigue. Under such circumstances a few drops taken in half a tumbler of water, with a little sugar, will be useful. It will be found in such cases a pleasant and effective restorative; on this account this Essence is highly important addition to the voyager and traveler's portmanteau. It is also important to the family collection of remedies for diseases.

This article, like the Ginger Wine, is carefully and elaborately prepared and selected from the best quality of articles. It possesses all the true properties of the Jamaica Ginger, and we do not hesitate to warrant it to be free from any and every injurious or irritating properties.

When there is a great Nausea of the stomach, or oppression of Spirits, arising from imperfect digestion, from riding in a carriage, or from the motion of a vessel at sea, this Essence, if taken in accordance with the above directions, will be found invariably to give relief.

In ordinary Diarrhoea, ineffectual Cholera, and indeed in all diseases by which the nervous system may become prostrated, and the digestive organs deranged, this Essence will be found most invaluable.
