Great Inducements to Subscribe!!

PREMIUMS AND REDUCTIONS.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURG REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROSPECTUS
OF THE
NATIONAL REPUBLICAN.

WASHINGTON, D. C., July 1, 1861.

The undersigned commenced, in the month of December last, the publication, in this city, of a weekly newspaper, called the *National Republican*.

It is printed on a large sheet, twenty-seven by forty-two inches, and is furnished at the low prices stated below.

It will contain all the original matter of the daily *National Republican*, with the exception of local news not interesting to country subscribers. It will give full reports of the proceedings of Congress, and of the other departments of the national Government. It will contain all the news of the day, foreign and domestic, markets, etc., as well as original correspondence from all parts of the country. The miscellaneous department will receive special attention and, in all respects, the effort will be made to establish the character of the *National Republican* as a Family Newspaper. Washington being now the central point of the current military operations, great attention will be paid to furnishing the readers of the *National Republican* with full, and especially with *accurate*, accounts of the progress of the war for the Union.

In politics, the paper will be Republican, sustaining the Administration of Mr. Lincoln, but disclaiming, however, any pretention to be the organ of the President. There is no Republican paper in the District of Columbia, or in the vicinity of it, and it is believed that recent events have opened to such a paper an important sphere of useful effort. The time has come, when the actual administration of the Government upon Republican principles will explode the misrepresentations which have made those principles so distasteful to the South. But it is not only here, and in this vicinity, that the projectors of the *National Republican* hope to make it useful. To the whole country they offer a journal which will discuss national politics from a national standpoint, and which will never be swerved from patriotic duty by any overpowering pressure of local interest.

Terms of Subscription.

One copy for one year,	$2 00
Three copies for one year,	5 00
Five copies for one year,	7 00
Ten copies for one year,	12 00
Twenty copies for one year,	20 00

When a club of subscribers has been forwarded, additions may be made to it on the same terms. It is not necessary that the subscribers to a club should receive their papers at the same post office. Money may be forwarded by mail, at our risk. Large accounts can be remitted in drafts on Boston, New York, Philadelphia or Baltimore; smaller amounts in gold, or in notes of solvent banks.

The Daily *National Republican* is published every morning (Sundays excepted) at $7 50 per annum, in advance.

TO ALL WHOM IT MAY CONCERN.

BE IT KNOWN THAT I, **THOMAS OGG SHAW**, 208 Sacramento street, San Francisco, have now on hand, for sale

8 and 10-Horse Steam Threshers, for 1862.

8 & 10-Horse Power Machines of John A. Pitts' genuine make, Buffalo, N. Y., with all of C. M. Russell's improvements in the Shoe and Cylinder; as it runs on Steel Pivots, and in all other respects superior to the Russell make of Machine, both in material and workmanship, as well as finish; with the large sized, improved Jack.

Six 12-Horse Power Steam Engines, on Trucks, and capable of running the largest sized Separator, and threshing in one day, in a good and workmanlike manner, **2,000** sacs of grain.

4 and 6-Horse Machines, in all respects the same as the large Machine, to run with GEAR, same as old style Pitts'.

All of the above Machines are made at Buffalo, N. Y., expressly for me and under my direction. Any person in want of such machines cannot fail to be pleased, as this Machine stands unrivaled for Threshing and Cleaning Grain at one operation. It is acknowledged to be superior to any other Machine in the WORLD, in its Operation, Finish, and Mechanical Construction.

Extra Extras of all parts of the Genuine Pitts' Machine constantly on hand. No Machines Genuine except those made at Buffalo, N. Y., and marked "J. A. PITTS."

List of the Articles Manufactured at Thomas Ogg Shaw's Agricultural Works.

Tustin's California Combined Reaper and Mower; California Fire and Burglar Proof Safes; Fan Mills; Han Presses; Cast Steel Deep-Tiller Plows, all Sizes; Breaking Plows, all Sizes; Field Rollers; Harrows; all Kinds of Machine Castings: all kinds of Repairing done; every description of Brass Work; Sash Weights of all sizes, to order; Crates and Fenders, for Marble Mantles.

Among the leading articles are TUSTIN'S CALIFORNIA COMBINED REAPER AND MOWER, which cuts six feet in width, and is the best Machine on the coast, as it possesses many advantages over those made in the States. This Machine took the First Premium at the Sacramento Fair, over all other Machines. This Machine is so constructed that it NEVER CHOKES UP, having two sets of Knives, moved by the same crank; thereby causing twice the velocity of the knives, over that given by any other machine, and preventing the possibility of choking, no matter how slow the team may travel.

Attention is particularly called to the RAKING DEVICE, which will rake off the grain more regularly and evenly than can possibly be done by hand, thus saving the purchaser the neat sum of $2 50 per day. The Machine is very light and durable.

CALIFORNIA FIRE AND BURGLAR-PROOF SAFES, which have been tested at various times and found to be superior to any imported. They are warranted to be Fire-proof, and entirely free from sweating or dampness, which is the great complaint of the imported safes, as they gather moisture on their passage. Our Wrought and Chilled-iron Safe, with Steel Vaults, and Combination Locks, is unsurpassed by any.

☞ All orders promptly attended to. And in conclusion I will add, that all the above lists of goods are made of the very best material that the country will afford. And while I feel thankful for all past favors, I trust I may meet with good encouragement in the future. Every article that I import is of the very best style and improved goods in the market, and can be sold as cheap as the cheapest. All persons in want of any of the above goods, will please send in their orders in time, to

Address—*Dr. L. J. CZAPKAY, San Francisco, Cal.*

To the Afflicted.

DR. L. J. CZAPKAY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of all forms of Private Diseases—such as Syphilis, Gonorrhea, nocturnal emissions, and all the consequences of self abuse. In the first stages of syphilitic or gonorrhoeal diseases, he guarantees a cure in a few days, without inconvenience to the patient or hindrance to his business. When a patient, by neglect or improper treatment, has developed the secondary symptoms of syphilis, such as buboes or painful swellings on the groins, or ulcers in the throat and nose, which, if not checked, destroy the soft parts and cause the bones to mortify, separate and come away, leaving the sufferer an object hideous to behold; or when blotches and pimples break out on the skin; or when he has painful swellings upon the bones, or when his constitution is injured so as to predispose to consumption or other constitutional disease, the Doctor guarantees a cure or asks no compensation.

In rheumatism—chronic or acute; in dysentery or diarrhoea, he has safe and effectual remedies. For the treatment of the consequences of self abuse, such as nocturnal emissions, nervousness, timidity, headache, pains in the back and limbs, with general weakness, loss of appetite, loss of memory, injury to the sight, restlessness, confusion of ideas, dislike for society, and a feeling of weariness of life; with the nervous system so excitable that slight noises shock or startle the patient, making his existence miserable. For the above maladies the doctor will guarantee a cure or ask no compensation. He can be consulted free of charge, and invites all to call, as it will cost them nothing, and may be much to their advantage. Office hours from 9 A. M. to 9 P. M.

Dr. L. J. Czapkay is daily receiving applications from every part of this State and from Oregon and from Washington Territory for the treatment of every form of disease, and there is not one who will come forward and express dissatisfaction; on the contrary, the Doctor is in daily receipt of letters, expressive of gratitude and thankfulness, some of which are published below by permission.

STOCKTON, May 24, 1855.

Dear Sir—Having entirely recovered from my sickness I avail myself of this opportunity to return my thankful acknowledgement for the relief that you have given me. When I think of the distressing bodily weakness, under which I have suffered, and the nervousness, headache, fearfulness, want of confidence, dizziness, restlessness, weakness in the limbs, loss of memory, confusion of ideas, dislike for society, nocturnal emissions, and many other symptoms, which had made my life miserable, I can hardly express the gratitude I feel, for my existence had become a burthen to me, and nothing afforded me the least gratification, whilst now, I feel perfectly well and can enjoy life to my entire satisfaction. Knowing that there are many afflicted as I have been, you have permission to make use of this letter as you think proper. Believe me gratefully yours, M. MICHELS.

To Dr. L. J. Czapkay, San Francisco.

SACRAMENTO, May 15, 1855.

Dear sir—Such is the thankfulness I feel for the preservation of my health of both body and mind, and I believe of my life, that I hope I will not be considered intrusive in tendering my thankful acknowledgement for restoring me to health, and making my life a boon worth preserving, when it had become a burthen too great for me to bear. Victim as I was to a vice that had undermined my constitution, and developed a train of nervous symptoms, such as nervous debility, headache, distressing timidity, self-distrust, dizziness, love of solitude, loss of memory, and want of resolution, besides a loss of strength and energy, which had made my waking moments wretched and my sleep unrefreshing, and was fast bringing me to the grave, but thanks to your skill, I am restored to health, vigor and energy. Hoping to guide others where they may find relief, you have my permission to make this public.

Gratefully yours, LEONARD WHITE.

To Dr. L. J. Czapkay, San Francisco.

MARYSVILLE, June 5, 1855.

Dr. L. J. Czapkay, San Francisco—Sir—I have used the last of your medicine, and do not think I shall need any more, as I feel very well, except that I have not entirely got my strength yet, but soon will with the appetite I have. It is just three weeks, you may recollect, since I called at your Institute, with my constitution, as I thought, entirely broken, and never thought you would be able to cure me perfectly, but thought you might be able to do something to ease the pain in my back and head, and strengthen my limbs, which were so weak that they would almost give way under me, when I walked, and to strengthen my nerves so that I would not get excited and tremble at every little thing. Now that you know what I expected, you may judge of my satisfaction at my complete recovery from those symptoms and the removal of those blotches and sores from my skin, and the ulcers from my throat, and the entire stoppage of those emissions, which you said were principally the cause of my sickness.

I can hardly tell you which is the greatest, my joy or my surprise, for except not having fully got my strength, I feel as well as any man can feel.

Enclosed I send you Twenty Dollars over your charge, and think myself cheaply cured. If you think anybody will be benefitted, you may put this letter in the papers.

Believe me gratefully yours, THOMAS HAYDEN.

CERTIFICATE.

The undersigned, desirous of acquainting those who may be unfortunate enough to be similarly afflicted, where a permanent relief of their sufferings may be obtained, feels it his duty to thus publicly express his sincere gratitude to Dr. L. J. Czapkay, for the permanent recovery of his health. Borne down by the distressing symptoms incident to the vicious practices of uncontrollable passion in youth, depressed in body and mind, unable to perform even the most trifling duty imposed upon the daily avocations of life, I sought the advice of many physicians, who at first regarded my disease as of trifling importance, but alas! after a few weeks, and in several instances months, of their treatment, I found to my unutterable horror, that instead of relief my symptoms became more alarming in their torture, and being told by one that the disease, being principally confined to the brain, medicines would be of no consequence, I despaired of ever regaining my health, strength and energy; and as a last resort, and with but a faint hope of recovery, I called upon Dr. Czapkay, who, after examining my case, prescribed some medicine which almost instantly relieved me of the dull pain and dizziness in my head. Encouraged by the result, I resolved to place myself immediately under his care, and, by strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pains in my back and groins the weakness of my limbs, the nervous reaction of my whole body on the slightest alarm or excitement, the misanthropy and evil forebodings, the self-distrust and want of confidence in others, the incapability to study and want of resolution, the frightful, exciting, and at times pleasurable dreams at night, followed by involuntary discharges have all disappeared, and, in fact, two months after having consulted the Doctor, I felt as if inspired by a new life, that life which, but a short time ago, I contemplated to end by my own hand.

With a view to guard the unfortunate from falling into the snares of incompetent quacks, I deem it my duty to offer this testimony to the merit and skill of Dr. Czapkay, and recommend him to all who may stand in need of medical advice, being assured by my own experience that, once under his care, a radical and permanent cure will be effected. B. F. FILLMORE.
