

Blackwood's Magazine

AND THE
British Reviews.

Great Inducements to Subscribe!

PREMIUMS AND REDUCTIONS.

- L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:
1. THE LONDON QUARTERLY (Conservative).
 2. THE EDINBURGH REVIEW (Whig).
 3. THE NORTH BRITISH REVIEW (Free Church).
 4. THE WESTMINSTER REVIEW (Liberal).
 5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily journal, and the ponderous tone of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is in these Periodicals that readers must look for the only really reliable and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

PROSPECTUS

OF THE

NATIONAL REPUBLICAN.

WASHINGTON, D. C., July 1, 1861.

The undersigned, commencing on the month of December last, the publication, in this city, of a weekly newspaper, called the *National Republican*.

It is printed on a large sheet, twenty-seven by forty-two inches, and is furnished at the low rate stated below.

It will contain all the original matter of the daily *National Republican*, with the exception of local news not interesting to country subscribers. It will give full reports of the proceedings of Congress, and of the other departments of the national government. It will contain all the news of the day, foreign and domestic, markets, etc., as well as original correspondence from all parts of the country.

The miscellaneous department will receive special attention, and, in all respects, the effort will be made to establish the character of the *National Republican* as a Family Newspaper.

Washington being now the central point of the current military operations, great attention will be paid to furnishing the readers of the *National Republican* with full, and especially with accurate, accounts of the progress of the war for the Union.

In politics, the paper will be Republican, sustaining the Administration of Mr. Lincoln, and in the event of his death, any pretension to be the organ of the President. There is no Republican paper in the District of Columbia, or in the vicinity of it, and it is believed that recent events have opened to such a paper an important sphere of useful effort. The time has come, when the actual administration of the government upon Republican principles will explode the misrepresentations which have made those principles so distasteful to the South. But it is only here, and in this vicinity, that the prospectors of the *National Republican* hope to make it useful.

To the whole country they offer a journal which will discuss national politics from a national standpoint, and which will never be swayed from patriotic duty by any temporary pressure of local interest.

Terms of Subscription.

When a club of subscribers has been forwarded, additions may be made to it on the same terms. It is not necessary that the subscribers to a club should receive their papers at the same post office. Money may be forwarded by mail, at our risk. Large accounts can be remitted in drafts on Boston, New York, Philadelphia or Baltimore; smaller amounts in gold, or in notes of solvent banks.

The Daily *National Republican* is published every morning (Sundays excepted) at \$3.50 per annum, in advance.

TO ALL WHOM IT MAY CONCERN.

BE IT KNOWN THAT I, THOMAS OGG SHAW, 208 Sacramento street, San Francisco, have now on hand, for sale

8 and 10-Horse Steam Threshers, for 1862.

8 & 10-Horse Power Machines of John A. Pitts' genuine make, Buffalo, N. Y., with all of C. M. Russell's improvements in the Shoe and Cylinder; as it runs on Steel Pistons, and in all other respects superior to the Russell make of Machine, both in material and workmanship, as well as finish; with the large sized, improved Jack.

Six 12-Horse Power Steam Engines, on Trucks, and capable of running the largest sized Separator, and threshing in one day, in a good and workmanlike manner, 2,000 sacs of grain.

4 and 6-Horse Machines, in all respects the same as the large Machine, to run with GEAR, same as old style Pitts'.

All of the above Machines are made at Buffalo, N. Y., expressly for me and under my direction. Any person in want of such machines cannot fail to be pleased, as this Machine stands unrivalled for Threshing and Cleaning Grain at one operation. It is acknowledged to be superior to any other Machine in the WORLD, in its operation, Finish, and Mechanical Construction.

Extra Extras of all parts of the Genuine Pitts' Machine constantly on hand. No Machines Genuine except those made at Buffalo, N. Y., and marked "J. A. PITTS."

List of the Articles Manufactured at Thomas Ogg Shaw's Agricultural Works.

Tustin's California Combined Reaper and Mower; California Fire and Burglar Proof Safes; Fan Mills; Hand Presses; Cast Steel Deep Tiller Plows, all Sizes; Breaking Plows, all Sizes; Field Rollers; Harrows; all Kinds of Machine Castings; all kinds of Repairing done; every description of Brass Work; Sash Weights of all sizes, to order; Crates and Fenders, for Marble Mantels.

Among the leading articles are TUSTIN'S CALIFORNIA COMBINED REAPER AND MOWER, which cuts six feet in width, and is the best Machine on the coast, as it possesses many advantages over those made in the States. This Machine took the First Premium at the Sacramento Fair, over all other Machines. This Machine is so constructed that it NEVER CHOKES UP, having two sets of Knives, moved by the same crank; thereby causing twice the velocity of the knives, over that given by any other machine, and preventing the possibility of choking, no matter how slow the team may travel.

Attention is particularly called to the RAKING DEVICE, which will rake off the grain more regularly and evenly than can possibly be done by hand, thus saving the purchaser the neat sum of \$2.50 per day. The Machine is very light and durable.

CALIFORNIA FIRE AND BURGLAR-PROOF SAFES, which have been tested at various times and found to be superior to any imported. They are warranted to be Fire-proof, and entirely free from sweating or dampness, which is the great complaint of the imported safes, as they gather moisture on their passage. We have wrought an Improved Iron Safe, with Steel Vault, and Combination Locks, is unsurpassed by any.

All orders promptly attended to. And in conclusion I will add, that all the above lists of goods are made of every best material that the country will afford. And while I feel thankful for past favors, I trust I may meet with good encouragement in the future. Every article that I import is of the very best style and improved goods in the market, and can be sold as cheap as the cheapest. All persons in want of any of the above goods, will please send in their orders in time, to

DR. L. J. CZAPKAY'S

Private Medical and Surgical Institute.

SACRAMENTO STREET, BELOW MONTGOMERY,

[Opposite the Pacific Mail Steamship Company's Office, SAN FRANCISCO.

Established in 1854, for the Permanent Cure of all private and chronic diseases, and for the suppression of Quackery.

ATTENDING AND RESIDENT PHYSICIAN, L. J. CZAPKAY, M. D., late in the Hungarian Revolutionary War, Chief Physician to the 20th Regiment of Honveds, Chief Surgeon to the Military Hospital of Pesth, Hungary, late Lecturer on diseases of Women and Children, and Honorary Member of the Philadelphia College of Medicine.

Particular attention paid to the treatment of diseases peculiar to women and children.

Office hours—from 9 A. M. till 9 P. M. Communications strictly confidential. Permanent cure guaranteed, or no pay. Consultations by letter or otherwise free.

Address—Dr. L. J. CZAPKAY, San Francisco, Cal.

To the Afflicted.

DR. L. J. CZAPKAY returns his sincere thanks to his numerous patients for their patronage, and would like this opportunity to remind them that he continues to consult at his Institute for the cure of all forms of Private Diseases—such as Syphilis, Gonorrhoea, nocturnal emissions, and all the consequences of self abuse. In the first stages of syphilis or gonorrhoeal diseases, he guarantees a cure in a few days, without inconvenience to the patient or hindrance to his business. When a patient, by neglecting proper treatment, has developed the secondary symptoms of syphilis, such as buboes or painful swellings on the glands, or ulcers in the throat and nose, which, if not checked, destroy the soft parts and cause the bones to mortify, separate and crawl away, leaving the sufferer a subject hideous to behold; or when blotches and pimples break out on the skin; or when he has painful swellings on the bones, or when his constitution is injured so as to predispose to consumption or other constitutional disease, the Doctor guarantees a cure or asks no compensation.

In rheumatism—chronic or acute; in dysentery or diarrhoea, he has safe and effectual remedies. For the treatment of the consequences of self abuse, such as nocturnal emissions, nervousness, timidity, headache, pains in the back and limbs, with general weakness, loss of appetite, loss of memory, injury to the sight, restlessness, confusion of ideas, disordered society, and a feeling of weariness of life; with the nervous system so excited that slight noises shock or startle the patient, making his existence miserable. For the above maladies the doctor will guarantee a cure or asks no compensation. He can be consulted free of charge, and invites all to call, as he will exert nothing, and may be much to their advantage. Office hours from 9 A. M. to 9 P. M.

Dr. L. J. Czapkay is daily receiving applications from every part of this State and from Oregon and from Washington Territory for the treatment of every form of disease, and there is not one who will come forward and express dissatisfaction; on the contrary, the Doctor is in daily receipt of letters, expressive of gratitude and thankfulness, some of which are published below by permission.

STOCKTON, May 24, 1855.

Dear Sir—Having entirely recovered from my sickness I avail myself of this opportunity to return my thankful acknowledgments for the relief that you have given me. When I think of the distressing bodily weakness, under which I have suffered, and the nervousness, headache, faintness, want of confidence, dizziness, restlessness, weakness, disordered memory, confusion of ideas, and symptoms, which had made my life miserable, I can hardly express the gratitude I feel, for my existence had become a burden to me, and nothing afforded me the least gratification, whilst now I feel perfectly well and can enjoy life to my entire satisfaction. Knowing that there are many afflicted as I have been, you have permission to make use of this letter as you think proper. Believe me, my grateful yours,

M. MICHELS.

To Dr. L. J. Czapkay, San Francisco.

SACRAMENTO, May 15, 1855.

Dear Sir—Such is the thankfulness I feel for the preservation of my health of both body and mind, and I believe of my life, that I hope I will not be considered inordinate in tendering my thankful acknowledgments for restoring me to health, and making my life a boon worth preserving. When it had become a burden too great for me to bear, when I was to a vice that had undermined my constitution, and developed a train of nervous symptoms, such as nervous debility, headache, distressing timidity, self-distrust, dizziness, loss of confidence, loss of memory, and want of resolution, besides a loss of strength and energy, which had made my waking moments wretched and my sleep unrefreshing, and was fast bringing me to the grave, but for your skill, I am restored to health, vigor and energy. Hoping to benefit others where they may find relief, you have my permission to make this public.

Gratefully yours, LEONARD WHITE.

To Dr. L. J. Czapkay, San Francisco.

MARYSVILLE, June 8, 1855.

DR. L. J. CZAPKAY, San Francisco—Sir—I have used the last of your medicine, and do not think I shall need any more, as I feel very well, except that I have not entirely got my strength yet, but soon will with the assistance of your Institute, with my constitution, as I thought, entirely broken, and never thought you would be able to cure me perfectly, but through your skill, I am restored to health, vigor and energy. Hoping to benefit others where they may find relief, you have my permission to make this
