PHILADELPHIA, January 17th, 1892.
To the Editors of the Pacific Medical Journal.—Gentlemen: My attention has been called to an article in the December number of your journal, in regard to the ad eundem degree granted by the Philadelphia College of Medicine to Dr. L. D. of the University of Pesth, had served as a surgeon in the Hungarian army, and was a regular practitioner of medicine. On the strength of these the degree was granted. The ad eundem degree, as its name implies, is conferred on graduates only, and gives no new privileges. Had there been the slightest suspicion of irregularity, the application would have been refused. By inserting this in your journal you will do an act of justice to the college, and confer a favor on

Hall's Sarsaparilla,

Yellow Dock and Idoide of Potass.

This celebrated preparation has stood the test of six years with the California public—who are justly considered as a community the most intelligent in the world—during which period we are proud to say it has given more than satisfaction—it has become the **HOUSEHOLD REMEDY** For Californians particularly, who, from much exposure, bad food, imperfect shelter, and irregular habits, suffer more from
Rheumatism
Than any community in the world; and we are safe in saying that as a rule, California Rheumatism cannot be cured thoroughly without a free use of
Hall's Sarsaparilla.

It is the only preparation that will CURE Rheumatism, as thousands can testify who have tried the medicines of the Best Doctors in the country, without receiving any benefit therefrom. In all cases it gives immediate relief when taken as per directions on the bottle.

Females

A New Constitution.

As the constitution is the blood, and this remedy thoroughly purifies, cleanses, and purges it of impure matters, and at the same time stimulates into healthy action the whole Vascular System, which is engaged in the manufacture of the blood, hence the health of the whole system will follow, and a long life, with a healthy and cheerful mind—sure indications of a healthy body—can be obtained by the most delicate person, by thoroughly purging the blood in the spring and fall of the year, with Hall's Sarsaparilla, Yellow Dock, and Idoide of Potass.

Imitations.

Sands' Sarsaparilla,
FOR THE REMOVAL AND CURE OF
All Diseases arising from an Impure
State of the Blood or Habit
of the System.

IN this preparation are strongly concentrated all the medicinal properties of Sarsaparilla, combined with the most effective aids, the most salutary productions, the most potent samples of the vegetable kingdom; and the combination is such that one modifies and improves the other, producing a compound differing entirely in its character and properties from any other preparation, and unrivaled in operation on the system when laboring under disease. It has been safely tried, not only by patients themselves, but also by physicians, that it has received their unqualified recommendations and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla.

FROM THE ARMY.
MONTGOMERY, CAL., Jan. 18, 1890.
Messrs. A. B. & D. SANDS—Gentlemen: I beg leave to add my testimony in favor of your invaluable medicine, hoping it may lead some other unfortunate beings to try its effects, and that they may be benefited as I have been. I arrived here by the overland route, about the first of October last. A few days after I was attacked with a very disagreeable eruption of the skin, which my physician could not cure. I happened to find your Sarsaparilla in a store in this place, and remembering the popularity of the medicine at home, I purchased three bottles, which had the desired effect of removing my difficulty entirely.
With high regards, yours, etc.,
