Not lost forever! though on earth we're parted, Not lost forever! though we seem to meet no more, There do wander lone and broken-hearted.

Not lost forever! every gentle token Which memory wins me from the far away, Shall fill my soul, though all the ties seem broken—With tender grace that never can decay.

Not lost forever! while around me springing The violets weep, the roses blush and bloom; And summer birds in summer woodlands singing, Flood with soft music all the tranquil gloom.

Not lost forever! thou wilt still be near me Through every future and in every clime; When care oppresses or grief mingles cheer me, Thou wilt be with me, Old friend, all the time.
