Saxus — Gentlemen: I beg leave to add my testimony in favor of your invaluable medicine, hoping it may lead some other unfortunate beings to try its effects, and that they may be benefited as I have been. I arrived here by the overland route, about the first of October last. A few days after I was attacked with a very disagreeable eruption of the skin, which my physician could not cure. I happened to find your Sarsaparilla in a store in this place, and remembering the popularity of the medicine at home, I parchased three bottles, which had the desired effect of removing my difficulty entirely.

I purchased three bottles, which had the desired effect of removing my difficulty entirely.

With high regards, yours, etc..
