Dr. Baker's Pain Panacea

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicately, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases: If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have Pain in the Stomach or Bowels, try a dose of Pain Panacea internally, both externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pain, apply the Pain Panacea freely, and take a dose of it internally, morning, noon, and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your Stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Canker or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Headache, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back or Kidneys, bathe the parts affected morning and night; at the same time take a dose internally.

If a mother has a Caked Breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly, or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or gash on your horse, apply the Pain Panacea; it will take out the inflammation, and heal the sore in a short time. Sold by all the principal druggists, and by

To the Afflicted.

DR. L. J. CZAPKAY returns his sincere thanks to his numerous patients for their patronage, and would like this opportunity to remind them that he continues to consult at his Institute for the cure of all forms of Private Diseases—such as Syphilis, Gonorrhoea, nocturnal emissions, and all the consequences of self abuse. In the first stages of a syphilitic or gonorrhoeal disease, he guarantees a cure in ten days, without medicinal treatment, or hindrance to his business. When a patient, by neglect or improper treatment, has developed the secondary symptoms of syphilis, such as buboes or painful swellings of the glands, ulcers of the throat, and so on, which, if not checked, destroy the soft parts and cause the loss of the nose, separate and come away, leaving the sufferer an object of ridicule to behold, or when buboes and pimples appear on the face, or when his constitution is injured so as to predispose to consumption or other constitutional disease, the Doctor guarantees a cure or asks no compensation.

In rheumatism—chronic or acute; in dysentery or diarrhoea; in loss of appetite, or in any other ailment, for the treatment of the consequences of self abuse, such as nocturnal emissions, nervousness, timidity, headache, pains in the back and limbs, with general weakness, loss of appetite, loss of memory, indigestion, flatulency, redness of the face, disordered vision, and a feeling of weariness of life; with the nervous system so excitable that slight noises shock or startle the patient, making his existence intolerable. For these various ailments the doctor will guarantee a cure or ask no compensation. For the treatment of gonorrhoea, he charges, and invites all to call, as it will cost them nothing, and may be much to their advantage. Office hours from 9 A. M. to 5 P. M.

Dr. L. J. Czapkay is daily receiving applications from every part of the State and from Oregon and Washington Territory for the treatment of every form of disease, and there is not one who will come forward and express dissatisfaction; on the contrary, the Doctor is in daily receipt of letters, expressive of gratitude and thankfulness, some of which are published in the following permission.

STOCKTONE, May 24, 1862.

Dear Sir—Having entirely recovered from my sickness I avail myself of this opportunity to return my thanks to you for the relief that you have given me.

When I think of the distressing, tedious, and painful nature of the disease which I have suffered, and the nervousness, headache, weakness, want of confidence, dizziness, restlessness, numbness in the limbs, loss of memory, confusion of ideas, and many other ailments, and many other ailments, which had made my life miserable, I can hardly express the gratitude I feel, for my existence had become a burden to me, and nothing afforded me the least gratification, whilst I was in your hands, and can enjoy life to my entire satisfaction. Knowing that you are so busy, I do not wish to trouble you, but I have permission to make use of this letter as you think proper. Believe me, gratefully yours,
M. McQUEEN.

To Dr. L. J. Czapkay, San Francisco.

SACRAMENTO, May 15, 1862.

Dear Sir—Such is the thankfulness I feel for the preservation of my health, both body and mind, and I believe of my life, that I hope will not be considered intrusive in tendering my thankful acknowledgments for restoring me to health, and making my life a boon worth preserving, when it had become a burden too great for me to bear.

Victim as I was to a vice that had undermined my constitution, and had sapped the train of nervous system, such as nervous debility, headache, distressing timidity, self-distrust, dizziness, loss of memory, loss of energy, and want of resolution, besides a loss of strength and energy, which I found it impossible to overcome, and which, by my own refreshing, and was fast bringing me to the grave, but thanks to your skill, I am restored to health, vigor and relief. Hoping to guide others where they may find relief, you have my permission to make this public.

Yours, Gratefully,
THOMAS HAYDEN.

To Dr. L. J. Czapkay, San Francisco.

MARVILLE, June 5, 1862.

Dr. L. J. Czapkay, San Francisco—Sir—I have used the last of your medicine, and do not think I shall need any more, as I feel very well, except that I have not entirely got my strength back, but soon will with the assistance of your medicine, and I can most sincerely say that I feel better than I have done for many months, and I feel that I am now in a position to do anything I wish to do, and I feel that I am now in a position to do anything I wish to do, and I feel that I am now in a position to do anything I wish to do.

I can hardly tell you which is the greatest, my joy or my surprise, for except not having fully got my strength, I feel as if I were a new man.

Enclosed I send you Twenty Dollars over your charge, and think myself cheaply cured. If you think anybody will be benefited, you may put this letter in the papers.

Believe me gratefully yours,
THOMAS HAYDEN.

Hall's Sarsaparilla,

Yellow Dock and Idoide of Potass.

This celebrated preparation has stood the test of six years with the California public—who are justly commended as a community the most intelligent in the world—during which period we are proud to say it has given more than satisfaction—it has become the HOUSEHOLD REMEDY.

For Californians particularly, who, from much exposure, bad food, imperfect shelter and irregular habits, suffer more from

Rheumatism

Than any community in the world; and we are safe in saying that as a rule, California Rheumatism cannot be cured thoroughly without a free use of

Hall's Sarsaparilla.

It is the only preparation that will CURE Rheumatism, as thousands can testify who have tried the medicines of the West. Doctors in the country, without receiving any benefit therefrom, in many cases it gives immediate relief when taken as directed on the bottle.

Females

In delicate health would do well to try the virtues of this remedy, as it insures a peculiar beneficial influence upon the vascular system not obtained by any other remedy. It quickly removes from the blood and other fluids the impurities of unhealthy secretions, which engenders a long train of disease, such as

Scrofula,

Ulcers, Boils, Blisters and Pimples on the Face and Body, Humors, Pustules, Tumors, Sores, Rose or Erysipelas, Tetter, Scald Head, Swelled Neck, Liver Complaint, Lumbago, Gout, Chronic Nerve Eyes, Cancer, Enlargement of the Ovaries, and diseases of

The Heart,

are cured by the renovating action of this truly valuable medicine. It acts like a charm, purifying the blood of all morbid and corrupt matter, and at the same time strengthens and invigorates the entire system.

Salt Rheum

will positively yield to the medicinal powers of this remedy, in conjunction with Hall's Rosemary Cerate, it has cured cases of over twenty years standing, the disease covering nearly the whole surface of the body.

Mercurial Diseases,

and
