Borne down by the distressing symptoms incident to the preased in body and mind, anable to perform even the most triffing duty imposed upon the daily avocations of life, I saught the advice of many physicians, who at first regard-el my disease as of triffing importance, but alas? after a few weeks, and 't several instances months, of their treat-inent, I found to my unutterable horrer, that instead of relief my symptoms became more alarming in their torture, and being told by one that the disease, heing principally confined to the brain, medicines would be of no conse-quence. I despaired of ever regaining my health, strength and energy ; and as a last resort, and with but a faint hope of recovery. I called upon Dr. Capkay, who, after exam-iming my case, presenthed some medicine which almost in-stantly relieved me of the duil pain and diziness in my head. Encouraged by the result, I resolved to place my-self immediately under his care, and, by strict obsolicance to his directions and advice, my head became clear, my ideas collected, the constant pains in my back and groins the weakness of my limbs, the nervous reaction of my while body on the slightest alarm or excitement, the mis-antropy and eril forebodings, the self-distrust and want of confidence in a here, the meanability to study and want of confidence in a here, the meanability to study and want of resolution, the frightial, exciting and at times pleas-mable dreams at night, followed by my dual at times pleas-have all disappeared, and, in fact, two mouths after hav-ing consulted the Dector, I felds if inspired by a new life, that life which, but a short time ago, I containplated to end by my own hand.
