To the Editors of the Pacific Medical Journal—Gentlemen: My attention has been called to an article in the December number of your journal, in regard to the ad eundem degree granted by the Philadelphia College of Medicine to Dr. L. J. Czapka. When the application for the degree was made to the Faculty, it was accompanied by affidavits and testimonials to the effect that Dr. Czapka was a regular graduate M. D. of the University of Peabody, and served as a surgeon in the Hungarian army, and was a regular practitioner of medicine. On the strength of these the degree was granted. The ad eundem degree, as its name implies, is conferred on graduates only, and gives no new privileges. Had there been the slightest suspicion of irregularity, the application would have been refused. By inserting this in your journal you will do an act of justice to the college, and confer a favor on Yours, very respectfully, W. H. RAND, Dean of the Faculty of the Phila. College of Medicine.

KOSSUTH LAJOS, Governor of Hungary, Washington City, January 20th, 1922.

Persons not wishing to lose time in correspondence please enclose \$10 in their letters, and they will get immediate attention to their cases. Address, L. J. CZAPKA, M. D., San Francisco, Cal.
