The following letter, which emphatically speaks for itself, was written by the Dean of the Faculty of the Philadelphia College of Medicine—to the editors of the Pacific Medical and Surgical Journal, San Francisco for publication:

PHILADELPHIA, January 17th, 1862. Gentlemen: My attention has been called to an article in the December number of your journal, in regard to the ad valent degree granted by the Philadelphia College of Medicine to Dr. L. J. Czapka. When the application for the degree was made to the Faculty, it was accompanied by affidavits and testimonials to the effect that Dr. Czapka was a regular graduate M. D. of the University of Pest, and had served as a surgeon in the Hungarian army, and was a regular practitioner of medicine. On the strength of these the degree was granted. The ad valent degree, as its name implies, is conferred on graduates only, and is not a privilege. Had there been the slightest suspicion of irregularity, the application would have been refused. By inserting this in your journal you will do an act of justice to the college, and confer a favor on Yours, very respectfully, H. RAND, Dean of the Faculty of the Phila. College of Medicine.

DR. L. J. CZAPKA'S Private Medical and Surgical Institute is on Sacramento street, below Montgomery, opposite the Pacific Mail Steamship Company's office, San Francisco. The Doctor offers free consultations and asks no remuneration unless he effects a cure. Office hours from 9 A. M. to 5 P. M.

CERTIFICATE.—I, the undersigned, Governor of Hungary, do testify hereby, that Dr. L. J. Czapka has served during the contest for Hungarian liberty, as Chief Surgeon, in the Hungarian army, with faithful perseverance. Whereof I have given him this certificate, and recommend him to the sympathy, attention and protection of all those who are capable of appreciating patriotic self-sacrifice, and undeserved misfortune.

KOSSUTH LAJOS, Governor of Hungary. Washington City, January 5th, 1862. Personal notice wishing to lose time in correspondence please enclose \$10 in their letters, and they will get immediate attention to their cases. Address, L. J. CZAPKA, M. D., San Francisco, Cal.

JAPANESE SALVE.—This article is proved to be the best for the cure of the various complaints for which it is recommended, that is known. It can be used with most perfect safety, and will work like a charm—proving the fact that our great good has resulted by the opening of trade with the Japanese.—See advertisement.
