Dr. Baker's Pain Panacea

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have Pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning, noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your Stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of the Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back or Kidneys, bath the parts affected morning and night; at the same time take a dose internally.

If a mother has a Caked Breast, apply the Pain Panacea as hot as it can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out the inflamation, and eat the sore in a short time. Sold by all the principal druggists, and by REDINGTON & CO.,

Address—*Dr. L. J. CZAPKAY, San Francisco, Cal.*

To the Afflicted.

DR. L. J. CZAPKAY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of all forms of Private Diseases—such as Syphilis, Gonorrhœa, nocturnal emissions, and all the consequences of self abuse. In the first stages of syphilitic or gonorrhœal diseases, he guarantees a cure in a few days, without inconvenience to the patient or hindrance to his business. When a patient, by neglect or improper treatment, has developed the secondary symptoms of syphilis, such as buboes or painful swellings on the groins, or ulcers in the throat and nose, which, if not checked, destroy the soft parts and cause the bones to mortify, separate and come away, leaving the sufferer an object hideous to behold; or when blotches and pimples break out on the skin; or when he has painful swellings upon the bones, or when his constitution is injured so as to predispose to consumption or other constitutional disease, the Doctor guarantees a cure or asks no compensation.

In rheumatism—chronic or acute; in dysentery or diarrhœa, he has safe and effectual remedies. For the treatment of the consequences of self abuse, such as nocturnal emissions, nervousness, timidity, headache, pains in the back and limbs, with general weakness, loss of appetite, loss of memory, injury to the sight, restlessness, confusion of ideas, dislike for society, and a feeling of weariness of life; with the nervous system so excitable that slight noises shock or startle the patient, making his existence miserable. For the above maladies the doctor will guarantee a cure or ask no compensation. He can be consulted free of charge, and invites all to call, as it will cost them nothing, and may be much to their advantage. Office hours from 9 A. M. to 9 P. M.

Dr. L. J. Czapkay is daily receiving applications from every part of this State and from Oregon and from Washington Territory for the treatment of every form of disease, and there is not one who will come forward and express dissatisfaction; on the contrary, the Doctor is in daily receipt of letters, expressive of gratitude and thankfulness, some of which are published below by permission.

STOCKTON, May 21, 1855.

Dear Sir—Having entirely recovered from my sickness I avail myself of this opportunity to return my thankful acknowledgement for the relief that you have given me. When I think of the distressing bodily weakness, under which I have suffered, and the nervousness, headache, fearfulness, want of confidence, dizziness, restlessness, weakness in the limbs, loss of memory, confusion of ideas, dislike for society, nocturnal emissions, and many other symptoms, which had made my life miserable, I can hardly express the gratitude I feel, for my existence had become a burthen to me, and nothing afforded me the least gratification, whilst now, I feel perfectly well and can enjoy life to my entire satisfaction. Knowing that there are many afflicted as I have been, you have permission to make use of this letter as you think proper. Believe me gratefully yours, M. MICHELS.

To Dr. L. J. Czapkay, San Francisco.

SACRAMENTO, May 15, 1855.

Dear sir—Such is the thankfulness I feel for the preservation of my health of both body and mind, and I believe of my life, that I hope I will not be considered intrusive in tendering my thankful acknowledgement for restoring me to health, and making my life a boon worth preserving, when it had become a burthen too great for me to bear. Visiting as I was to a vice that had undermined my constitution, and developed a train of nervous symptoms, such as nervous debility, headache, distressing timidity, self-distrust, dizziness, love of solitude, loss of memory, and want of resolution, besides a loss of strength and energy, which had made my waking moments wretched and my sleep unrefreshing, and was fast bringing me to the grave, but thanks to your skill, I am restored to health, vigor and energy. Hoping to guide others where they may find relief, you have my permission to make this public.

Gratefully yours, LEONARD WHITE.

To Dr. L. J. Czapkay, San Francisco.

MARYSVILLE, June 7, 1855.

Dr. L. J. Czapkay, San Francisco—Sir—I have used the last of your medicine, and do not think I shall need any more, as I feel very well, except that I have not entirely got my strength yet, but soon will with the appetite I have. It is just three weeks, you may recollect, since I called at your institute, with my constitution, as I thought, entirely broken, and never thought you would be able to do something to ease the pain in my back and head, and strengthen my limbs, which were so weak that they would almost give way under me, when I walked, and to strengthen my nerves so that I would not get excited and tremble at every little thing. Now that you know what I expected, you may judge of my satisfaction at my complete recovery from those symptoms and the removal of those blotches and sores from my skin, and the ulcers from my throat, and the entire stoppage of those emissions, which you said were principally the cause of my sickness.

I can hardly tell you which is the greatest, my joy or my surprise, for except not having fully got my strength, I feel as well as any man can feel.

Enclosed I send you Twenty Dollars over your charge, and think myself cheaply cured. If you think anybody will be benefitted, you may put this letter in the papers.

Believe me gratefully yours, THOMAS HAYDEN.

CERTIFICATE.

The undersigned, desirous of acquainting those who may be unfortunate enough to be similarly afflicted, where a permanent relief of their sufferings may be obtained, feels it his duty to thus publicly express his sincere gratitude to Dr. L. J. Czapkay, for the permanent recovery of his health. Borne down by the distressing symptoms incident to the vicious practices of uncontrollable passion in youth, depressed in body and mind, unable to perform even the most trifling duty imposed upon the daily avocations of life, I sought the advice of many physicians, who at first regarded my disease as of trifling importance, but stood after a few weeks, and in several instances months, of their treatment, I found to my unutterable horror, that instead of relief my symptoms became more alarming in their torture, and being told by one that the disease, being principally confined to the bladder, medicines would be of no consequence, I despaired of ever regaining my health, strength and energy; and as a last resort, and with but a faint hope of recovery, I called upon Dr. Czapkay, who, after examining my case, prescribed some medicine which almost instantly relieved me of the dull pain and dizziness in my head. Encouraged by the result, I resolved to place myself immediately under his care, and, by strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pains in my back and groins the weakness of my limbs, the nervous reaction of my whole body on the slightest alarm or excitement, the misanthropy and evil forebodings, the self-distrust and want of confidence in others, the incapability to study and want of resolution, the frightful, exciting, and at times pleasurable dreams at night, followed by involuntary discharges have all disappeared, and, in fact, two months after having consulted the Doctor, I felt as if inspired by a new life, that life which, but a short time ago, I contemplated to end by my own hand.

With a view to guard the unfortunate from falling into the snares of incompetent quacks, I deem it my duty to offer this testimony to the merit and skill of Dr. Czapkay, and recommend him to all who may stand in need of medical advice, being assured by my own experience that, once under his care, a radical and permanent cure will be effected.
