To the House of Representatives:

The excessive high price of paper compels us to raise the subscription price of the Register to one dollar, whether in advance or in arrears. Our supply of paper being exhausted, and wishing to make more advantageous terms and improvements desirable, we offer the following to our patrons:

1. All subscriptions received by us, for any time, not to exceed one year, shall be paid for at the rate of one dollar per annum, from the day on which the same shall be received.

2. All subscriptions renewed from the beginning of the current year, shall be paid for at the rate of one dollar per annum, from the date of renewal.

3. All subscriptions paid for at the rate of one dollar per annum, shall be charged at one dollar per annum, unless the same shall be renewed before the expiration of the time for which the same shall be paid for.

This increase in the price of the Register is made, in obedience to the law, and is necessary for the support of the paper, and the interest of the subscribers.

P. S. — The Register is published every Thursday, at the office of the Register, in the city of Portland.
