Invigorate the stomach, regulate the excretions, and purify the finids with this world-renowned medicine and you will be exempt from vertigo, dimens of sight, headache, and other alarming apoplectic mess of sight. pess of sight, headache, and other alarming apopectic symptoms which frequently accompany dyspepsia and habitual constitution. The impurity of the blood, as well as an excess of it in the brain, has much to do with celebral affections, and as Holloway's Pills operate upon the chemical agents which generate that fluid, as well as apper the circulation itself, they are infallible in this class of matadies.

Dn. L. J. Czapkay's Surgical and Medical Institute is to extensively known in this Territory that any notice of it, or of him, might seem superfutions. Yet fearing that there are those who heretofore having no need of medical aid, have neglected to ascertain the proper concess of relief in cases of mi-fortunes. To those we seg feave to direct attention to lb. L. J. Czapkar, who is certainly a Physician of great skill and wonderful utcest in his profession. The Dr. has devoted much attention to the treatment of chronic and private diseases, and stands unrivatled in his management of hem. To those who need such assistance we cheerfully recommend Dr. L. J. Czapkay; it would be well at all events to consult him, as he makes no charge for conditation, and much good might result from it. The Dr. marantees a cure in all cases or asks no compensation.

Notice to Importers of Umpqua.

THE Schooner UMPQUA, under the command of S. D. Hinsdale, sailed from Umpqua river for San Francisco, on the 6th of May, and intends making regular trips beteen these two ports.

It is only necessary we believe, to remind the importers of Umpqua that this vessel—the Umpqua—is the first ever launched on the waters of the Umpqua, to insure their patronage and support. This vessel will discharge her cargo at Scottsburg, and at the rate she intends to carry freight, will not only save the shipper a very considerable item, but save him the transportation up the river, and thereby enable him to receive his goods without so much handling as heretofore. In fine, the Schooner Umpqua, of Scottsburg, is a real Umpqua craft and being the first on the list in this great reform, confidently relies upon all the Umpqua for support and encouragement.

For freight or passage apply to Allan, McKinlay & Co., Scottsburg, or to the Capt. on board. Merchants wishing to ship from San Francisco, can apply to Allan, Lowe & Co., 132, Clay st., or to the Captain.
