Holloway's Ointment and Pills: Glandalar swellings in the throat, neuralgia, the doloreux, rheumatism gout, lumbago, and other diseases affecting the glands muscles, and nerves of sensation, are permanently eradicated by the persevering application of this healing, anti-febrile, pain-destroying preparation. Irritating eruptions, running sores, open wounds, burns, scalds, the bites of venomous insects or reptiles, and in short, all the varieties of superficial inflammation, soon lose their angry and painful character when treated with Holloway's Ointment. The Pills have never yet been administered in dyspepsia, liver complaint, or disorders of the bowels, without producing the desired results.

Dr. L. J. Czapkay's Sargical and Medical Institute is so extensively known in this Territory that any notice of it, or of him, might seem superfluous. Yet fearing that there are those who heretofore having no need of medical aid, have neglected to ascertain the proper sources of relief in cases of misfortness. To those we beg leave to direct attention to Dr. L. J. Czapkay, who is certainly a Physician of great skill and wonderfol success in his profession. The Dr. has devoted much attention to the treatment of chronic and private diseases, and stands norivalled in his management of attention to the treatment of chronic and private diseases, and stands unrivalled in his management of them. To those who need such assistance we cheerfully recommend Dr. L. J. Czapkay; it would be well at all events to consult him, as he makes no charge for consultation, and much good might result from it. The Dr. guarantees a core in all cases or asks no compensation.
