A Medical Bevolution ! The World Unanimous

HOLLOWAY'S OINTMENT. THI GREAT COUNTER JERITANT. **CREAT COUNT EX INTERTACT** The virus of disease often makes its way to the in-ternal organs through the pores of the skin. This pen-ctrating Olntment, melting under the hand as it is rub-bed in, is absorbed through the same channels, and reaching the seat of inflammation, promptly and invari-ably subdues it, whether located in the kiducys, the liv-er, the lungs, or any other important organ. It pene-trates the sufface to the inferior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth, diffusing its cool and re-generating influence.

SKIN DISEASES AND GLANDULAR SWEL LINGS.

ULCERS, SORES, AND TUMORS.

ULCERS, SORES, AND TUMORS. The effort of this unrivalled external remedy upon Scrofula, and other virulent alcers and sores, is almost miraculous. It first discharges the poison which pro-duces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, EURNS, AND SCALDS WOUNDS, BRUISES, BURNS, AND SCALDS, In casee of the fracture of the bones, injuries caused by steam explosions, Bruises, Barns, Scalds, Rhenna-tism, Stiffness of the joints, and contraction of the sin-ews, it is employed and warmly recommended by the faculty. This marvelous remedy has been introduced by its inventor in person into all the leading Hospitals of Enrope, and no private household should be without it.
