Caution !- Caution !- Beware of Counterfeits!Hostatten's Batters.—The public are aware that for some years past, Hostetter's Bitters have, by their intrinsic merit, as the best tonic of the present day won a name and celebrity beyond any other compound of the like kind. The immense and ready sale which Hostetter's Bitters may with induced a number of persons to engage in counterfeities there—beving up the bottles. 2—nilling them with a sparious and nexquity compound. Also, several worthless preparations are gotten up in this city, with the evide at design of heing palacid off as the genule Hostetter's Bitters, having a similar bottle and label, the direction, etc., taken off verbatim, some the omittance of Dr. J. Hosteller's name, and then earlied sales of the articles to sale on her pass and others, at reduced prices, under the representation that they are the genuine article. Puschasers should always examine the bottle and see that it is covered with motalic caps, with the name of "Dr. J. Our Reapers and Mowers are confibined machines suitable for either mowing or reaping, they work from two to four horses; with and without rakes, or, in other words, one is a self-raker.

In addition to the above, we have to arrive at the same time, the following agricultural implements, via: Peoria plows, X 8 Boston Clipper plows, extendion cultivators, grape vine, grain cradles, scythes, snaths, straw cutters, hay presses, hay forks and rakes, horse rakes, wheel-barrows, eider mills, shovels, spades, &c.

Bark mills and Tanners tools. Also, a select assortment of Sanitha' and carpenters tools, with many other articles in there mentioned.

We would say to our customers and the public generally if they are in want of any of the a sove mentioned articles, they will do well to call and secure one of them, before too late, it preferred, unchines delivered in Portland if engaged before arrival.
