HAIR PRESERVER.

HAIR PRESERVER.

FOR the Restoration, Benuty and Preservation of the Hair. This preparation removes all harshoes and dryness of the hair, by exciting the scalp to a new and healthy action, and cleanses it from scarr and dandrish; prevents the hair from falling off and getting gray, but the most remarkable result which it will effect, is it will produce a new crop, of hair on an entirely hald head. Hany young persons sometimes find the too carly appearance of gray hairs, this preparation will stop this result. Mothers who wish their children to have fine heads of hair, can effect this by the use of this Tonic; especially on their daughters if the hair is light. I know few persons believe the hair can be restored on a bald head, but, if my directions are followed I will warrant a cure or refund the money. It is put up in two ounce bottles and for safe by wholesale and retail with directions at one dollar per bottle; it can be sent by mail to any part of the United States. Gentlemen send on your orders, stating the cause and duration of the baldness and I will cure you. To insure a cure my charge varies from Twenty-live to Pifty dellars, according to the nature of the case.

The Oregon Statesman. Independent Journal, devoted to Politics, General Intelligence, &c., Published at Salem, Oregon. ASAHEL BUSH, Proprietor, Publisher, and Editor
The Statesman is Democratic in politics, and ther
oughly National in its character. It is hostile to every
species of sectionalism, fanalicism, and intolerance
and will vigorously oppose all attempts to incorporate
tay of the initial estimate of the day into our Territorial
legislation.

It will advocate all practical measures of Reform and Progress, economical and simple administration of our local government; faithfulness, integrity, and capacity in office, and a system of rigid and direct accountability of the officer to the people. It will discuss all measures agitating the public mind, in a manner fearless, impartial, and just.

Its News Department will be edited with much attention, and nothing will be spared to furnish early accurate, and comprehensive publication of the current intelligence.

The Statesman has a large, widely scattered, and most excellent corps of correspondents, and very complete facilities for procuring news.

Due attention is also paid to the publication of Miscellany, Agricultural and Literary matter.

In this paper are published the laws, resolutions, and treaties of the United States, and the laws and resolutions of the Territory of Oregon—by authority. The paper is printed on new material, and upon a sheet of the largest size.

The coming year will be the most important in Ore-

The coming year will be the most important in Oregon's history. A State is to be inaugurated, through warm political contests, and the machinations, of faction, disaffection, abolitionism, and every line of opposition, to overthrow the Old Democracy. Every citizen of Oregon should be thoroughly informed of passing events, if he desires to discharge his duty to the State and the country, intelligently and uprightly. The Statesman will be an active participant is transiring political events, and will furnish a faithful record of the history of parties and politics.

As a vehicle of Oregon News, the Statesman enjoys facilities that none of its outemporaries do.

As a contect of trees of the estemporaries do.

There dollars per year, strictly in advance; four dellars, if paid within six months, but not in advance; five dollars, if not paid within six months.

These terms we must ashere to in all cases. Persons scading us money by mail, or otherwise, will please conform to these terms,—adapting the amount to the librar of nayment. time of payment.

The low price at which the paper is afforded place it within the reach of all.

CARD.

Prompted by an honest desire of my heart. I wish to lay before the public a case which deserves a high commendation, not only as an act of scientific skill, but that of humanity, also. About two pears ago, I suddenly and from causes unknown to me, was seczed with a fit of EPLESEY, which, owing to my inability to meet the expenses consequent upon a thorough needicaltreatment, and the discouragement which I met with on attempting it, soon became such (as I was then led to elieve.) as to defy the skill of any physician. I was frequently while in pursuit of my calling, thrown down to the ground without the slightest warning, and although insensible to the agonies, yet I despised the misery of my existence. While in this state, and having previous to my affection tasted the sweets of life, I once more was induced to attempt seeking aid of a physician, and, by recommendation, called upon Dr. L. J. Czapkay. I told him my circumstances, and my inability to reward him for his services—regardless of which however, he at once undertook my case, and with the dessing of Coal, I was once more restored to perfect health. Unable to reward him for the boon which I enjoy at present, and yet conscious of my indebtedness. I consider it due to myself and to all afflicted, to make the case public, in order that those in need of medical advice may find a physician in whom every confidence can be placed.
