relief, the symptoms became more alarming in their fortime ; and being, told by one that my disease, being principally confined to the brain, medicine would be of little consequence. I despaired of ever regalning my health, strength and energy ; and, as a last resort, and with bett a faint hope, called upon Dr. Czapkay, who, after examining my case, prescribed some medicine mich almost instantly relieved me of the dull pain and diziness in my head. Encouraged by this result, lresolved to place myself immediately under his care, my head became clear, my ideas collected, the constant pain in my back and groins, the weakness of my limbs, the nervous reaction of my whole body on the slight-est alarm or excitement; the misanthropy and evil forebodings; the self distrust and want of confidence in others; the incapacity to study, and want of resolu-tion; the frightful, exciting, and at times pleasurable have all disappeared; and in fact, in two months after having consulted the Doctor.
