The Graefenberg Company.

THIS INSTITUTION, (Incorporated by the Legislature of the State of New York, Capital $100,000,) was founded for the purpose of supplying the public with the celebrated GRAEFENBERG MEDICINES.—The series comprises remedies for nearly every disease adapted to every climate. For Families, Travellers, Seamen, and Miner's use they are unequalled. All the Medicines are PURELY VEGETABLE and warranted to cure the diseases for which they are severally recommended.

The Graefenberg Company does not profess to cure all diseases with one or two medicines. Our series consists of ELEVEN different kinds, adapted to the various diseases incident to the temperate and tropical climate. The following comprises the series of Graefenberg Medicines:

THE GRAEFENBERG VEGETABLE PILLS

Are considered the standard Pill of the day, and are infinitely superior to any Pill before the public. They operate without irritation on all the excretions; purging the blood by the bowels, liver, kidneys and skin.

MARSHALL'S UTERINE CATHOLICON.

An infallible remedy for all diseases of the womb and urinary organs, weakness in the back, pain in the breast, nervousness, debility, etc. In California and Oregon, out of more than a thousand cases where this medicine has been used, it has in no single instance failed to give permanent relief or to effect a certain cure.

THE GRAEFENBERG SARSAPARILLA.

A powerful extract. One bottle equal to ten of the ordinary Sarsaparilla for purifying the blood. A sure cure for scrofula, rheumatism, ulcers, dyspepsia, salt rheum, mercurial diseases, cutaneous eruptions, &c.

THE GREEN MOUNTAIN OINTMENT.

Invaluable for burns, wounds, sprains, chilblains, sores, swellings, scrofula, etc. As a Pain Extractor, it cannot be excelled, affording immediate relief from the most excruciating pains.

THE GRAEFENBERG DYSENTERY SYRUP.

This extraordinary article is a speedy and infallible remedy in Diarrhœa, Dysentery, Cholera Morbus, Cholera Infantum and the Asiatic Cholera, if taken with the first symptoms of the disease. It is purely vegetable in its compound.

GRAEFENBERG CHILDRENS' PANACEA.

For summer Complaint, and most diseases to which children are subject. Its true worth can never be set forth in words, but it can be felt and appreciated by parents whose children have been saved. No Mother should be without it.

THE GRAEFENBERG PILE REMEDY.

Dr. Kriechbaum's Hungarian
HAIR PRESERVER.

FOR the Restoration, Beauty and Preservation of the Hair. This preparation removes all harshness and dryness of the hair, by exciting the scalp to a new and healthy action, and cleanses it from scurf and dandruff: prevents the hair from falling off and getting gray, but the most remarkable result which it will effect, is *it will produce a new crop of hair on an entirely bald head.* Many young persons sometimes find the too early appearance of gray hairs, this preparation will stop this result. Mothers who wish their children to have fine heads of hair, can effect this by the use of this Tonic; especially on their daughters if the hair is light. I know few persons believe the hair can be restored on a bald head, but, if my directions are followed I will warrant a cure or refund the money. It is put up in two ounce bottles and for sale by wholesale and retail with directions at one dollar per bottle; it can be sent by mail to any part of the United States. Gentlemen send on your orders, stating the cause and duration of the baldness and I will cure you. To insure a cure my charge varies from Twenty-five to Fifty dollars, according to the nature of the case.

REMARKABLE INSTANCE OF MEDICAL RELIEF.—Below we publish the certificates of two of the sufferers from the pangs of disease, who having recovered their former health, and impelled by gratitude, make known their cases and remedial agent, and their statements are authenticated by a Notary Public. The demands of Society imperiously command their publicity, and we commend their perusal to the attention of all afflicted:

CERTIFICATE.

The undersigned, desirous of acquainting those who may be unfortunate enough to be similarly afflicted, where a permanent relief of their suffering may be obtained, feels it his duty to thus publicly express his most sincere gratitude to Dr. L. J. Czapkay, for the dermanent recovery of his health. Borne down by the distressing symptoms incident to the vicious practice of uncontrollable passion in youth; depressed in body and mind; unable to perform even the most trifling duty imposed upon the daily avocations of life, I sought the advice of many physicians, who at first regarded my disease as of trifling importance—but alas; after a few weeks, and in several instances months, of their treatment, I found to my unutterable horror, that instead of relief, the symptoms became more alarming in their torture; and being, told by one that my disease, being principally confined to the brain, medicine would be of little consequence. I despaired of ever regaining my health, strength and energy; and, as a last resort, and with but a faint hope, called upon Dr. Czapkay, who, after examining my case, prescribed some medicine which almost instantly relieved me of the dull pain and dizziness in my head. Encouraged by this result, I resolved to place myself immediately under his care, and by a strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pain in my back and groins, the weakness of my limbs, the nervous reaction of my whole body on the slightest alarm or excitement; the misanthropy and evil forebodings; the self distrust and want of confidence in others; the incapacity to study, and want of resolution; the frightful, exciting, and at times pleasurable dreams at night, followed by involuntary discharges, have all disappeared; and in fact, in two months after having consulted the Doctor, I felt as if inspired by a new life—that life which, but a short time ago, I contemplated to end with my own hand.

With a view to guard the unfortunate from falling into the snares of incompetent quacks, I deem it my duty to offer this testimony to the merit and skill of Dr. Czapkay, and recommend him to all who may stand in need of medical advice, being assured by my own experience, that once under his care, a radical and permanent cure will be effected.

CARD.

Prompted by an honest desire of my heart, I wish to lay before the public a case which deserves a high commendation, not only as an act of scientific skill, but that of humanity, also. About two years ago, I suddenly and from causes unknown to me, was seized with a fit of EPILEPSY, which, owing to my inability to meet the expenses consequent upon a thorough medical treatment, and the discouragement which I met with on attempting it, soon became such (as I was then led to believe,) as to defy the skill of any physician. I was frequently, while in pursuit of my calling, thrown down to the ground without the slightest warning, and although insensible to the agonies, yet I despised the misery of my existence. While in this state, and having previous to my affliction tasted the sweets of life, I once more was induced to attempt seeking aid of a physician, and, by recommendation, called upon Dr. L. J. Czapkay. I told him my circumstances, and my inability to reward him for his services—regardless of which, however, he at once undertook my case, and with the blessing of God, I was once more restored to perfect health. Unable to reward him for the boon which I enjoy at present, and yet conscious of my indebtedness, I consider it due to myself and to all afflicted, to make the case public, in order that those in need of medical advice may find a physician in whom every confidence can be placed.
