FOR the Restoration, Beauty and Preservation of the Hair. This preparation removes all harshness and dryness of the hair, by exciting the scalp to a new and healthy action, and cleanses it from scurf and dandruff: prevents the hair from falling off and getting gray, but the most remarkable result which it will effect, is it will produce a new crop of hair on an entirely bald head. Many young persons sometimes find the too early appearance of gray hairs, this preparation will stop this result. Mothers who wish their children to have fine heads of hair, can effect this by the use of this Tonic; especially on their daughters if the hair is light. I know few persons believe the hair can be restored on a bald head, but, if my directions are followed I will warrant a cure or refund the money. It is put up in two ounce bottles and for sale by wholesale and retail with directions at one dollar per bottle; it can be sent two ounce bottles and for sale by wholesale and retail with directions at one dollar per bottle; it can be sent by mail to any part of the United States.
