CERTIFICATE.

The undersigned, desirous of acquainting those who may be untortunate enough to be similarly afflicted, where a permanent relief of their suffering may be obtained, feels it his duty to thus publicly express his most sincere gratitude to Ir. L. J. Czapkay, for the dermanent recovery of his health. Horse down by the distressing symptoms incident to the vicious practice of uncontrollable passion in youth; depressed in body and mind; unable to perform even the most trifling daty imposed upon the daily avocations of life. I sought the address of any physicians, who at first regarded my disease as of trifling importance—but also; after a tew weeks, and in several instances mouths, of their treatment. I found to my muntterable houror, that instead of relief, the symptoms became more alarming in their torture; and being, told by one that my disease, being principally confined to the brain, medicine would be of little consequence. I despaired of ever regaining my health, strength and energy; and, as a last resort, and with but a faint hope, called upon Dr. Czapkay, who, after examining my case, prescribed some medicine which almost instantly relieved me of the duil pain and dizziness in my head. Encouraged by this result, I resolved to place myself immediately under his care, and by a strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pain in my back and groins, the weakness of my limbs.

I resolved to place myself immediately under his care, and by a strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pain in my back and groins, the weakness of my limbs, the nervous reaction of my whole hody on the slightest alarm or excitement; the misanthropy and evil forebodings; the self distrast and want of confidence in others; the incapacity to study, and want of resolution; the frightful, exciting, and at times bleasurable discussed by involuntary discharges, have all disappeared; and in fact, in two months after having consulted the Doctor, I felt as if instinct by a new life—that life which, but a short time ago, I contemplated to end with my own hand.

With a view to guard the unfortunate from failing into the suares of incompetent quicks. I deem it my duty to offer this testimouy to the merit and skill of Dr. Czapkay, and recommend him to all who may stand in need of medical advice, being assured by my own experience, that once under his care, a radical and permanent cure will be effected.

Prompted by an honest desire of my heart. I wish to ay before the public a case which deserves a high com-pendation, not only as an act of scientific skill, but mendation, not only as an act of scientific skill, but that of humanity, also. About two years ago, I suddenly and from causes unknown to me, was seried with a fit of terminery, which, owing to my inability to meet the expenses consequent upon a thorough medical treatment, and the discouragement which I met with on attempting it, soon became such (as I was then led to believe,) as to defy the skill of any physician. I was frequently, while in pursuit of my calling, thrown down to the ground without the slightest warning, and although insensible to the agonies, yet I despised the misery of my existence. While in this state, and having previous to my affection tasted the sweets of life. I once more was induced to attempt seeking aid of a physician, and, by recommendation, called upon Dr. L. J. Czapkay. I told him my circumstances, and my inability to reward him for his services—regardies of which, however, he at once undertook my case, and with the blossing of God, I was once more restored to perfect health. Unable to reward him for the boon which I enjoy at present, and yet coascious of my indebted-

enjoy at present, and yet conscious of my indebtedness, I consider it due to myself and to all affiicted, to make the case public, in order that those in need of medical advice may find a physician in whom every confidence can be placed.

Many young persons a ometimes find the too early appearance of gray hairs, this preparation will stop this result. Mothers who wish their children to have fine heads of hair, can effect this by the use of this Tonic; especially on their daughters if the hair is light. I know few persons believe the hair can be restored on a build head, but, if my directions are followed I will warrant a cure or refund the money. It is put up in two ounce bottles and for sale by wholesale and retail with directions at one dollar per bottle; it can be sent by mail to any part of the United States. Gentlemen send on your orders, stating the cause and duration of the buildness and I will cure you. To insure a cure my charge varies from Twenty five to Fifty dellars, according to the nature of the case.
