TO THE PUBLIC.

THIS CELEBRATED GIN—PRETENDING TO nothing but what it is, viz: a pure and wholesome malted article, and assuming no fictitious merits of what it is not, as some of its rival imitators do—after five years of public approval and very extensive sales in California, has been pronounced by the public to be superior, not only as a beverage of general use, to any other article competing against it, but is

UNRIVALLED IN ITS MEDICAL EFFICIENCY

in most cases of complaints. To persons travelling in these days of rapid transit from East to West, North to South, who are constantly changing their water as well as their climate; who are drinking, indeed, a dozen kinds of water in every twenty-four hours, and such draught containing more properly some of the elements necessary to the peculiar economy of each, is unnatural degree of excitement to the stomach—it is positively and absolutely necessary to use a counteracting agent. From the fact that the

"LONDON CLUB HOUSE GIN"

is prepared expressly to meet such exigencies, and to act as we know it will act, as an antidote we confidently prescribe it as the very best article in the country. The name of "Armside Schlenker & Co." never has been attached in any way to this article. In first pressing the

"LONDON CLUB HOUSE GIN"

to the public, my aim was to give them a pure and unadulterated article of Gin, and to call it by its right name. The success attending its introduction and extensive sale in California is a sufficient guarantee of the high appreciation of the article by consumers.

Various parties have from time to time put up and shipped to California an article which they call "Club House Gin." My Gin, which has gained such a reputation in California, is branded on the cases,

"OLD LONDON CLUB HOUSE GIN—WM. H. D."

The bottles also have a white label with the name of my signature. I caution all parties to beware of imitations. WM. H. DALY,
Sole Importer, New York.

PARTICULAR NOTICE

TO PURCHASERS OF

EUREKA WHISKEY.

THIS WHISKEY has acquired a reputation far more enviable than any Whiskey ever offered for sale in Barrels or Half Barrels in California. Its

Superior and Uniform Quality

has become so fully appreciated, that the demand for it has largely increased, and the quantity now sold is much greater than any other brand of Whiskey on the Pacific Coast.

CAUTION.

The great reputation of the EUREKA WHISKEY, imported exclusively by ourselves, has induced parties in San Francisco to put up a cheap article of Whiskey, in imitation packages, branding it

"EUREKA WHISKEY,"

using the same style of letter as on the genuine imported article, and also, using *our shipping mark*, "J. T. D.," sometimes transposing the letters to avoid detection.

This common Whiskey is palmed off, to a large extent, on the unsuspecting purchaser, for the GENUINE EUREKA. Any one making the seller to make large profits on a cheap imitation of Whiskey, which is sold on the reputation of the genuine article.

To protect ourselves, and enable purchasers to guard against imposition, every package of the

Genuine Eureka Whiskey

will, in future, have the following brand, viz:

"WM. NEWELL & CO. S. F."

burnt into the head.

Purchasers will please take particular notice of this brand, as none other is genuine.

NOTE.—The genuine EUREKA WHISKEY is for sale by most of the Liquor Houses in San Francisco. 52tf
