classes, all over the world will bear testimony that we do not say too much in its favor. Head the following, and judge:

Hickory Grove, St Charles Co., Nov. 19, 1857.

Paor. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative and its effects were so wonderful, we feel it our duty to you and the afflicted to report it.

Uur little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair.

We are yours respectfully,

GEO. W. HIGGIN BOTHAM.

Paor. Wood—Dear Sir: My hair had, for several years, been becoming permanently gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two months ago it was in that condition; and having continued its use until within the last three weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation ever used. I regard it as an indispensable article for every lady's toilet, whether to be used as a hair Restorative or for the simple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it.
