Dr. L. J. Czapkay.—We would direct the especial attention of invalids to a perusal of Dr. L. J. Czapkay's advertisement, to be found in another column of this paper, in order to place the services of a learned and experienced physician within their reach. So much ill has been inflicted on the human family from the pernicious and ignorant practices of empirics, that it seems as if we were fulfilling a bounden duty to make known where relief can be obtained. To those unfortunate enough to suffer from the effects of sexual or private diseases, or their ill treatment, we cheerfully commend Dr. L. J. Czapkay as a man of rare scientific and medical acquirements, possessing all the requisites, from long experience and acknowledged skill, for the successful practice of his profession. Having made sexual complaints an especial study, like the celebrated Ricord, of Paris, he is enabled to guarantee a permanent and speedy cure in all cases of private or chronic diseases, whether the effects of contagion, self-abuse, or loss of virility; and in order that patients at a distance may avail themselves of his advice, free consultation is open to them. The knowledge that we have of the numerous cures he has effected, some of which were of long standing, leads us to place much faith in Dr. C.'s efficacy, and commend him to the confidence of those in ill health. Dr. Czapkay's office is on Sacramento street, below Montgomery, nearly opposite the Pacific Mail Steamship Co.'s Office, San Francisco. 3m9

Look to your Interest Stock-Raisers!

I HAVE ten yearlings, and two year old bulls for sale, and they are

Equalled by none in the State,

Except the descendents of my stock, and surpassed by none: and to establish the above assertion, I will give any one the privilege of picking all the stock from Portland to the Calapooia mountains, to pick 10 calves, two four year olds, two three year olds, one two year old, and five yearlings, all bulls, and if they beat ten that I can show, or will show, if taken up.

I will give five hundred dollars

to the man or men, and if my calves beat, this man or men, shall pay me five hundred dollars.

The calves I show shall be sired by my bull Duke. The stock shall be put in a lot, the judges shall not know the stock, and no man shall be a competent judge of stock who has not had the management of fine stock in the States. There was shown last Sept., at our County Fair, a three year old heifer belonging to Mr. J. W. Pugh, and sired by Duke, and I informed the judge, and the advertiser, as a fallow cow, with other things too tedious to mention. Now, the judges, or they who had it published, can have this as a nut to crack. The stock is to be shown at Corvallis, Benton Co., on the 18th day of July, at which time I shall

Weigh one or two yearlings.

One will be a year old that day. Any man or men taking me up in the above proposal, will address me at Peoria, Linn Co. Or any one wishing to see me, or my stock, can find me five miles east of Peoria, or 7 miles west of Brownsville. I must be notified by the first of July. I still keep the old bull Duke, and suffer him to serve cows at fifteen dollars; the money to be paid when the cow is taken away; or twenty-five dollars to insure a cow with calf. There are many of his calves that cannot be bought for five hundred dollars, and scarcely any less than one hundred.

CORVALLIS, May 30th, 1859.

I certify that the above advertisement is a true copy of the one given me by Mr. Morriss, for publication in the *Statesman*. The one which has appeared in this paper for the two weeks past, was written by me, and in it I designed to embody all of importance which the other contained. That portion relative to the sale of the calves, was overlooked by mistake, and I add this certificate in justice to myself and Mr. Morris, and at his request. 3w15 E. M. WAITE.

Udolpho Wolfe's Schnapps.

A MEDICINAL drink, of eminently salutary qualities, manufactured by himself exclusively, at his factory at Schiedam, in Holland, and well known during the last twelve years throughout all the Atlantic and Western States.

It is made from the best barley that can be selected in Europe, with the essence of an aromatic Italian berry of acknowledged and extraordinary medicinal properties. It has long since acquired a higher reputation, both in Europe and America, than any other diuretic beverage.

Analyzed, it is a PERFECTLY PURE LIQUOR, in its effects a mild and wholesome tonic. It is extensively used and approved by the medical faculty, the temperance people, heads of families, &c.

In Gravel, Gout, and Rheumatism, the obstructions of the bladder and kidneys, and in general debility, its effects are prompt, decided and invariably reliable; and it is not only a remedy for these maladies, but in all cases in which they are produced by drinking bad water, which is almost universally the cause of them, it acts as a sure preventative.

For Fever and Ague it is one of the most efficacious preventives that can be resorted to.

THE AROMATIC SCHIEDAM SCHNAPPS

Is consequently in great demand by persons traveling, or about to settle in new parts of the country especially, as well as by many in every community, where it has become known, on account of its various other remedial properties.

In all cases of a dropsical tendency, it is generally the only remedy required, when adopted in the early stage of the disease.

In dyspepsia maladies, when taken in proper quantities, as a diet drink, and especially at dinner, it is found by uniform experience to be eminently efficacious in the most obstinate cases, when even the best of the usual remedies have failed to afford more than temporary relief. In cases of flatulency, it is an immediate and invariable specific, and it may be administered in diluted and proportionate quantities, even to young infants, in all those paroxysms of griping pain in the stomach and bowels to which they are especially subject, as well as the cholic of grown persons.

Its judicious adoption in connection with the principal meals, or when a sense of exhaustion dictates its use, never fails to relieve the debility attendant upon protracted chronic maladies, low temperament and exhausted vital energy, by whatever cause induced.—These are facts to which many of the most eminent medical men, both in England and the United States, have borne testimony, and which are corroborated by the highest written authorities.

Put up in quart and pint bottles, in cases of one dozen, with my name on the bottles, cork, and fac-simile of my signature on the label.

For sale by all the respectable Druggists and Liquor dealers in Oregon and California.

London Cordial Gin,
Club House Gin,
Schiedam Schnapps,
Medicated Schnapps,
Royal Schnapps,
&c., &c., &c.

Under the above and similar titles, the liquor mixers of this city are bottling large quantities of adulterated, unwholesome trash, costing but little, on which they hope to realize large profits by selling in California.

Avoid all compounds. Some are so skillfully prepared as to pass for good Liquor, except with the best of judges. If you would be safe, use only the long established, renowned, genuine WOLFE'S SCHIEDAM AROMATIC SCHNAPPS.

UDOLPHO WOLFE, Sole Importer,

London Club House Gin.

TO THE PUBLIC.

THIS CELEBRATED GIN—PRETENDING TO nothing but what it is, viz: a pure and unadulterated article, and assuming no artificial merits of what it is not, as some of its rival imitators do—after five years of public approval and very extensive sales in California, has been pronounced by the public to be superior, not only as a beverage of general use, to any other article competing against it, but is

UNRIVALLED IN ITS MEDICAL EFFICIENCY

in most cases of complaints. To persons traveling in these days of rapid transit from East to West, North to South, who are constantly changing their water as well as their climate; who are drinking, indeed, a dozen kinds of water in every twenty-four hours, and each draught containing some property acting in chemical antagonism to the preceding one, thereby causing an unnatural degree of excitement to the stomach—it is positively and absolutely necessary to use a counter-acting agent. From the fact that the

"LONDON CLUB HOUSE GIN"

is prepared expressly to meet such exigencies, and to act as we know it will act, as an antidote we confidently prescribe it as the very best article in the country. The name of "Aromatic Schiedam Schnapps" has never been attached in any way to this article. In first presenting the

"LONDON CLUB HOUSE GIN"

to the public, my aim was to give them a pure and unadulterated article of Gin, and to call it by its right name. The success attending its introduction and extensive sale in California is a sufficient guarantee of the high appreciation of the article by consumers.

Various parties have from time to time put up and shipped to California an article which they call "Club House Gin." My Gin, which has gained such a reputation in California, is branded on the cases,

"OLD LONDON CLUB HOUSE GIN—WM. H. D."

The bottles also have a white label with fac-simile of my signature. I caution all parties to beware of imitations.
