To those un-originate enough to suffer from the effects of sexual or private are, or their ill treatment, we cheerfully commend Dr. L. t Crapkay as a man of rare scientific and medical acquirethe non-sing all the regulation, from long experience and ed skill, for the successful practice of his profeson. Having made sexual complaints an especial study, like the relationated Ricord, of Paris, he is enabled to guarantee a permanent and speedy cure in all cases of private or chronic es, whether the effects of contagion, self-abuse, or loss willin : and in order that patients at a distance may avail advice, free consultation is open to then stelles that we have of the numerous cures he has tel, some of which were of long standing, leads us to tace much faith in Dr. C.'s efficacy, and commend him to the milence of those in ill health.
