TO THE PUBLIC

THIS CELEBRATED GIN—PRETENDING TO achieve and assuring to artificial decision of public approval and very extensive sales in California, has been pronounced by the public to be supported, not only as a beverage of general use, to any other article competing against it, but is

INRIVALLED IN TESTAMPORE.

"LONDON CLUB HOUSE GIN"
to the public, my aim was to give them a pure and unadulterated article of Gin, and to call it by its right mane. The success attending its introduction and extensive sale in California is a sufficient guarantee of the high appreciation of the article by commers.

Various parties have from time to time put up and shipped to California an article which they call "Club House Gin." My Gin, which has gained such a reputation in California, is branded on the cases,

"OLD LONDON CLUB HOUSE GIN—WM. H. D."
The bottles also have a white tabel with face-sime of my signature. I caution all parties to beware of initiations.

To pecsous traveling in these days of rapid transit from East to West, North to South, who are combinally changing their water as well as their climate; who are drinking, indeed, a dozen kinds of water in every twenty four hours, and each draught containing some property acting in chemical antingoussis to the preceding one, thereby causing an unmatural degree of excitement to the stomach—it is positively and absolutely necessary to use a counter acting agent.
