Look Right at This!

DR. KELLOGG has permanently located in the CITY OF PORTLAND, Oregon, and offers to the public Family Medicines. They are purely

VEGETABLE,

and free from poison.

If you have a weak back, pain in the side or chest take courage; my Strengthening Plaster will afford relief, no matter of how long standing.

If you have sprains, bruises, rheumatism, erysipelas, inflammation of the lungs, stomach, liver, or spleen, burns, fresh wounds, or old sores of any description, use my Family Liniment and Healing Salve.

N. B.—In detention of the placenta after parturition, this Liniment is a sovereign remedy, when used according to directions. Mothers, remember and try it.

Have you dyspepsia, pain in the stomach or bowels, loss of appetite; use my stomach bitters.

Have you weak lungs, cough, cold, or hoarseness, asthma, or difficulty of breathing, my Cough Drops will relieve you.

Are you bilious—have you remittent fever, bilious colic, headache, or any disease where a laxative medicine is indicated? use the best pill before the public—that is, Dr. Kellogg's Family Pill.

If you are afflicted with chronic or bilious diarrhœa, no matter of how long standing, use my Diarrhœa and Blood Purifying Tonic, in connection with the Family Pills, and relief is certain. They always leave the bowels in a healthy condition.

Remember, as a blood purifier, this tonic is without an equal. My improved Composition is by far the best article of the kind ever before the public. See directions on the packages.

These medicines are for sale by W. K. SMITH & CO. and Drs. WARREN & BROWN, Salem; Price & Co., Dalles; and in one month will be for sale at all the towns of Oregon, and Washington Territory.

The War at San Juan

HAVING ENDED IN SMOKE, I wish to inform the Farmers, and the "rest of mankind," that I have

60,000 APPLE TREES,

From one to four years old; and 6,000 Pear, 1,500 Cherry, and 3,000 Plum Trees, from one to three years old, that I am going to sell, and no mistake. So, if you want the worth of your money, just come along, and you can get the foundation of a fortune for $50, as I will sell Apple trees at from 5 to 15 cents per tree; Pear, Plum, and Cherry trees at from 25 to 75 cents per tree.

If you are ever going to plant an orchard, now is your time; for I am going to quit the business, and then, of course, trees will rise.

It is all a mistake that fruit raising will not pay in Oregon, for it does and *will* pay better than anything else. Oregon *Winter Apples* and Pears will *not* come in competition with California fruit, because the one is ripe before the other.

Give me a call, and see if I don't do just about what is right, and no mistake.

SAND'S SARSAPARILLA.

NATURE'S TRUE RESTORATIVE!

—THE—

GREAT AMERICAN REMEDY

—FOR—

PURIFYING THE BLOOD.

The Original and Genuine Article, purely Vegetable, everywhere celebrated for the Removal and Permanent Cure of all Diseases arising from an Impure State of the Blood, or Habit of the System.

—AS—

AN ALTERATIVE AND RENOVATING AGENT,

IT IS UNEQUALLED!!

Persons long afflicted, who have vainly tried many expedients to eradicate a disease, are but too apt to give way to despondency, and relinquish all hope of cure. Even when a remedy that has cured thousands is placed within their reach, they exclaim, "Oh! it is of no use, nothing will cure me." Such morbid feelings peculiarly belongs to sufferers from Scrofula, Ulcers, Dyspepsia, Cutaneous and Eruptive diseases. The unprecedented success of this preparation in the restoration to health of those who had long pined under the most distressing forms of the above maladies, has given it an exalted character, furnishing, as it does, evidence of its own intrinsic value, and recommending it to the afflicted in terms the afflicted only can know.

"TRUTH IS STRANGER THAN FICTION."

NEW DUNHAM, NEW JERSEY.

Messrs. Sands—Gentlemen: My wife suffered with a distress and burning in her chest for many years, and my daughter was afflicted from her birth with a humor in her blood. We consulted various physicians, and tried numerous remedies, without much benefit, until we heard, through Rev. Thomas Davis, of the great medicinal value of SAND'S SARSAPARILLA. On his recommendation my wife and daughter decided on trying it, and soon experienced permanent benefit. My daughter's skin assumed a new appearance entirely; from being rough, hard and scaly, it became smooth and soft. My wife's sufferings are almost gone, and its use a short time longer, it is my firm belief, will produce a permanent cure. Yours with respect.

L. J. CZAPKAY, M. D.

Late in the Hungarian Revolutionary War, Chief Physician to the 20th Regiment of Honveds, Chief Surgeon to the Military Hospital of Pesth, Hungary, and the late Lecturer on the diseases of Women and Children, and honorary member of the Philadelphia College of Medicine.

A PERMANENT CURE GUARANTEED, OR NO PAY.

Communications *strictly* confidential.

Consultation, by letter or otherwise, free.

Address Dr. L. J. CZAPKAY,
San Francisco, Cal.

TO THE AFFLICTED.—Dr. L. J. CZAPKAY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of Chronic diseases of the Lungs, Liver, Kidneys, digestive and genitive organs, and all private diseases, viz: Syphilitic ulcers, gonorrhœa, gleet, strictures, seminal weakness, and all the horrid consequences of self abuse, and he hopes that his long experience and successful practice of many years, will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, and during the Hungarian war and campaigns, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury—charges moderate—treats his patient in a correct and honorable way—has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest *treatment*, and implicit secresy.

A Tribute to Merited Worth.

THE ingratitude of man to his fellow man is so often met with in life, that testimonials, prompted by finer feelings of the heart, are cases in the life of those who sacrifice their best days in philanthropic devotion to the alleviation of the ills of frail mortality. Espirism floods the columns of our press with fraudulent and fictitious letters, singing peans to the worth of their own egotistical charlatanism. Below we append a certificate from a worthy man, who, a brief period since, seemed destined to "shuffle off this mortal coil;" who looked forward to his dissolution with that pleasure which only those weighed down by the heavy hand of disease can. Contrary to hope, the ability of a skillful physician has restored him to his former health. Relieved from his terrible situation, and impelled by gratitude, he makes known his case, and his remedial agent, and his statement is authenticated by a Notary Public. The demands of society imperiously command its publicity, and it is given more to warn the unwary than to sound the praises of a physician, of whom scores of like cases can be cited.

Remarkable Cure of Consumption.

The almost miraculous cure that has been effected in my case, prompts me to impart to those of my fellow creatures who may be suffering from like affliction, the source of relief, with a short description of my case. Several years ago my health began to fail. I was attacked by general weakness and debility, which reduced me to the mere shadow of my former self. At that stage I sought medical assistance, and expended large amounts, but without the least beneficial result. That fell destroyer, CONSUMPTION, had already seized upon my vitals. I was daily drawing closer to the tomb; my physicians held out no hope of recovery; my strength had wasted, and I was in a state of almost utter prostration. I was informed by my physicians that they could do nothing for me except to smooth my path to the grave, when, most fortunately, I applied to Dr. L. J. Czapkay, and am now a well and perfectly sound man. It is difficult for me to express the emotions of deepest gratitude I experience when realizing the inestimable service I have received at the hands of Dr. Czapkay, and I feel rejoiced that it is at least in my power to tender this feeble recognition of his great skill and capacity. To the afflicted I would say, do not despair, for whatever may be the nature of your case, I am confident that you will find relief by applying to Dr. L. J. Czapkay.

"There is a balm in Gilead, and there is a physician there."

HENRY WESSLING.

Subscribed and sworn to before me, this 15th day of October, A. D. 1859. City and County of San Francisco, in the State of California.

[L. S.] F. J. THIBAULT, Notary Public.

The undersigned is personally acquainted with Henry Wessling, and knows that the circumstances related in the foregoing certificate are true. He saw Henry Wessling during his illness, and bears willing testimony to the fact of his remarkable cure by Dr. L. J. Czapkay.

[L. S.] A. ROSENHEIM.

Subscribed and sworn to before me, this 17th day of October, A. D. 1859. City and County of San Francisco, in the State of California.

[L. S.] F. J. THIBAULT, Notary Public.

Of all diseases, the great first cause
Springs from neglect of Nature's laws.

Suffer Not!

When a cure is guaranteed in all stages of

SECRET DISEASES.

Self-abuse, Nervous Debility, Strictures, Gleets, Gravel, Diabetes, Diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrofula, Pains in the Bones and Ankles, Diseases of the Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitus' Dance, and all diseases arising from a derangement of the Sexual Organs.

Such as Nervous Trembling, Loss of Memory, Loss of Power, General Weakness, Dimness of Vision, with peculiar spots appearing before the eyes, loss of sight, wakefulness, dyspepsia, liver disease, eruption upon the face, pain in the back and head, female irregularities, and all improper discharges of both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is certain, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure. The medicines prescribed are pleasant, without odor, entirely vegetable, causing no sickness, and free from mercury or balsam. During fifteen years of practice, in Europe, the Atlantic States and California, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases, had been given up to die by their physicians, which warrants me in promising to the afflicted who may place themselves under my care, a perfect and speedy cure. Private diseases are the greatest enemies to health, as they are the first cause of Consumption, Scrofula, and many other diseases, and should be a terror to the human family. A permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the disease, but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid consumption.

But should the disease and the treatment not cause death speedily, and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in scrofula, tetter, ulcers, eruptions, and other affections of the skin, eyes, throat and lungs, entailing upon them a brief existence of suffering, and consigning them to an early grave.

SELF ABUSE is another formidable enemy of health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system, drawing its thousands of victims, through a few years of suffering, down to an untimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to consumption, and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of Self-abuse, that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices, my patients can be restored to robust, vigorous health.

Irregularities, and all diseases of males and females, treated on principles established by fifteen years of practice, and sanctioned by thousands of the most remarkable cures. Medicines, with full directions, sent to any part of the State, Oregon, and Washington Territory, by patients communicating their symptoms by letter. Business correspondence strictly confidential.

REMARKABLE INSTANCE OF MEDICAL RELIEF.—Below we publish the certificates of two of the sufferers from the pangs of disease, who having recovered their former health, and impelled by gratitude, make known their cases and remedial agent. Their statements are authenticated by a Notary Public. The demands of society imperiously command their publicity, and we commend their perusal to the attention of all afflicted:

CERTIFICATE.

The undersigned, desirous of acquainting those who may be unfortunate enough to be similarly afflicted, where a permanent relief of their suffering may be obtained, feels it his duty to thus publicly express his most sincere gratitude to Dr. L. J. Czapkay, for the permanent recovery of his health. Borne down by the distressing symptoms incident to the vicious practice of uncontrollable passion in youth; depressed in body and mind; unable to perform even the most trifling duty imposed upon the daily avocations of life, I sought the advice of many physicians, who at first regarded my disease as of trifling importance—but alas, after a few weeks, and in several instances months, of their treatment, I found to my unutterable horror, that instead of relief, the symptoms became more alarming in their torture; and being told by one that my disease, being principally confined to the brain, medicine would be of little consequence, I despaired of ever regaining my health, strength and energy; and, as a last resort, and with but a faint hope, called upon Dr. Czapkay, who, after examining my case, prescribed some medicine which almost instantly relieved me of the dull pain and dizziness in my head. Encouraged by this result, I resolved to place myself immediately under his care, and by a strict obedience to his directions and advice, my head became clear, my ideas collected, the constant pain in my back and groin, the weakness of my limbs, the nervous reaction of my whole body on the slightest alarm or excitement; the misanthropy and evil forebodings; the self distrust and want of confidence in others, the incapacity to study, and want of resolution; the frightful, exciting, and at times pleasurable dreams at night, followed by involuntary discharges, have all disappeared; and in fact, in two months after having consulted the Doctor, I felt as if inspired by a new life—that life which, but a short time ago, I contemplated to end with my own hand.

With a view to guard the unfortunate from falling into the snares of incompetent quacks, I deem it my duty to offer this testimony to the merit and skill of Dr. Czapkay, and recommend him to all who may stand in need of medical advice, being assured by my own experience, that once under his care, a radical and permanent cure will be effected.

CARD.

Prompted by an honest desire of my heart, I wish to lay before the public a cure which deserves high commendation, not only as an act of scientific skill, but that of humanity, also. About two years ago, I suddenly, and from causes unknown to me, was seized with a fit of EPILEPSY, which, owing to my inability to meet the expenses consequent upon a thorough medical treatment, and the discouragement which I met with on attempting it, soon became such (as I was then led to believe) as to defy the skill of any physician. I was frequently, while in pursuit of my calling, thrown down to the ground without the slightest warning, and although insensible to the agonies, yet I despised the misery of my existence. While in this state, and having previous to my affliction tasted the sweets of life, I once more was induced to attempt seeking aid of a physician, and, by recommendation, called upon Dr. L. J. Czapkay. I told him my circumstances, and my inability to reward him for his services—regardless of which, however, he at once undertook my case, and with the blessing of God, I was once more restored to perfect health. Unable to reward him for the boon which I enjoy at present, and yet conscious of my indebtedness, I consider it due to myself and to all afflicted to make the case public, in order that those in need of medical advice may find a physician in whom every confidence can be placed.

Sore Eyes.

SYMPATHIZING with the afflicted, as I have been an extreme sufferer since 1856, I make the following statement for their benefit. In 1856, my eyes became sore, and in a short time I was nearly blind—my eyelids becoming very much granulated. I made trial of three skillful physicians, in all, more than one year, at the end of which time I was worse than at the beginning. I moved to California, and made trial of three physicians there and two months in the hospital, in all, eleven months, without any benefit, except from Dr. Pardee, by whom I was relieved some. I returned to Oregon blind, and tried one physician four months, and another two, without any success. I was then blind. I have received regular treatment from Dr. Markham, of Salem, four months, and now find myself nearly well and still improving—can see and stand it to read common print very well.

To all suffering with sore eyes, I can most cheerfully say, call upon Dr. Markham without delay. His treatment is mild, never cutting or burning the eyes.

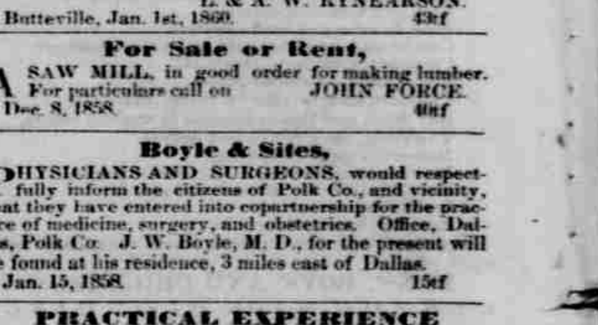
PRACTICAL EXPERIENCE

BETTER THAN

EXPERIMENTAL SCIENCE.



HOLLOWAY'S OINTMENT.

CONSOLATION FOR THE SUFFERING.

Nearly fifty years' continual use in every part of the habitual globe, among the savage and the civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Skin Diseases,
Burns,	Swelled Glands,
Chapped Hands,	Sore Legs,
Chilblains,	Sore Breasts,
Fistula,	Sore Heads,
Gout,	Sore Throats,
Lumbago,	Sores of all kinds,
Mercurial Eruptions,	Sprains,
Piles,	Stiff Joints,
Rheumatism,	Tetter,
Ringworm,	Ulcers,
Salt Rheum,	Veneral Sores,
Scalds,	Wounds of all kinds.

☞ CAUTION!—None are genuine unless the words "*Holloway, New York and London,*" are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*Sold at the manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. 43y1
