Good pasturage farmished gratis, but accidents and escapes at risk of owner. Care will be taken to prevent either.

Waterloo was got by Henry, of New York, and was out of Naney, by Chanticleer, imported by Col. Bay, of New York. He is a beautiful dark bay, very lengthy, and in general appearance bloodlike. For many years, Waterloo stood at the head of the Western Tarf as a two mile trotter, winning all the parase and premiums wherever shown, is one instance (at Beloit, Wisconsin,) winning the Premium in the BLOOD-ILING eyer the famous Princetan, bred by J. M. Clay, of Kr. He also won the SWEEP.

STAKE PREMIUM for Roadster Stallions at the Cashforms State Fare at Sucrements in 1801. His last appearance on the turf was at the Illinois State Fair at Freeport, in 1859, where he won the Society's purse and premium, trotting the 7th and last heat in 1842.

Dr. D. Jayne—Dear Sir: Gen. Wm. P. Orton, one of my neighbors, was cared of Bronchitis by the use of your Expector and allerative, after naving lain forty days at the point of death, and three eminent physicians having exhausted their skill upon him. Several cases of Dropey and Cancer have been cured in my neighborhood. My little daughter was taken hast November with an enlargement on the neck, which grew very fast. I immediately commenced giving her your Alterative, and she is new nearly well.

Dr. D. Jayne—Dear Sir: A young man living in my
house was taken with a violent cold, which settled on
his lungs, causing a hourse, hollow cough, attended
with much fever. This continued for more than two
weeks, when all thought death to be inevitable. At
this point I commenced giving your Expectorant and
Sanative Pills, according to directions. In the sourse
of two or three days, he began to expectorate freely
and in about two weeks he was about and was soon

HOSTETTER'S

CRLEBHATE STOMACH BITTERS

THE operation of this pulatable remedy upon the stormed, liver and the excretory organic is singularly condition and conservative. B regulates, rounds and purifies them. Dyspepsia in all its forms yields to its control and invigorating properties.

INVIGORATE THE SYSTEM Vigorous digestion and pure bile produces mutitions blood, and antithors blood a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the discellor may be in-proved, the bile and other fluids of the body purified?

DR. HOSTETTER'S STOMACH BITTERS. Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which dissolve the food, strengthen every relaxed nerve, musele and fibre, and brings the whole machinery of vitality into vigorous and healthful play.

The best means of imparting vigor to the broken-lown frame and shattered constitution, which has va-seen invented or discovered, is profered to the feeble of both and all ages in DR. HOSTETTER'S STOMACH BITTERS.

STRENGTHEN THE SYSTEM.

Debility, from whatever cause arising, may be cared; strength, in whatever manner it may have been wasted, may be restored by the use of this powful and healthy invigorant. For indigention and its painful effects, bodily and mental, they are a positive A WORD TO THE AGED.

In the decline of life the loss of vital force cons-quent upon physical decay can only be safely supplied by some vivitying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged DR. HOSTETTER'S STOMACH BITTERS.

As an invigorant and restorative, intending in its be-efficial action and permanent in its effects. It to neath-stomach, improves the appetite, and acts like a chara-upon the spirits.

FOR FEMALES. FOR FEMALES.

Thousands of halies resort to it as a remedy for bysteria, fluttering of the heart, nervous headache, vertigo, general deblity, and all peculiar disturbances and derangements to which as a sex, they are subject. It cheers and enlightens the depressed mental powers, as well as strengthens the body, and its use is never followed by any reaction.

Rev. T. WHITTEMORE. Certificate of Dr. Hayes.

It is well known that the medicinal effect of Pro-toxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed inpossible.

In the Peruvian Syrup, this desirable point is attained by commisation in a war before unknown; and this solution may replace all the proto carbonates, citrates and tarrates of the Materia Medica.

[ODINE Water is the most important discovery of I modern chemistry, and it is impossible to overestimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

and to have great control over SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost meless matil Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to discover PURE IODINE IN PURE WATER. PURE IODINE IN PURE WATER.

Without a solvent. This, considered impossible by
the scientific world, is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof.
Booth, U. S. Mint, Philadelphia. The importance of
this discovery was so highly appreciated by the Jaculty that it was published in Medical Journals, and its
use recommended to practitionars (see "American
Medical Monthly," July 6, 1856, page 76.)

This valuable medicine is now available to the public for the curs of Serofula in all its manifold forms,
