MAKE ROOM FOR THE

FLORENCE!

It makes Four Distinct Stitches. Feeds the Work, either way. Sews Thin and Heavy Goods without Change of Tension. Will Gather and Sew On at the same time.

It makes a Stitch alike on Both Sides of the Fabric, has No Springs to Get Out of Order, and is the Most Rapid Sewer in the World.—Every Machine Fully Warranted.

We, the undersigned, have each purchased a FLORENCE SEWING MACHINE and have them now in use.

We have thoroughly tested them on work of all grades—heavy, medium and light—and our opinion is that the Florence is durable, will not easily get out of order, is strong and simple in construction, and its use is easily learned by the most inexperienced.

It will do a greater range of work, with less trouble and change, and we consider it altogether better than any other Family Sewing Machine we have ever seen.

The following named persons owned and used the Singer Sewing Machines previous to purchasing the Florence:

Mrs A J Turner, 320 Beale street, San Francisco.
Mrs R B Osborne, 612 Powell street, San Francisco.
Miss Annie Dailey, Bush street, below Stockton, San Francisco.
Augustus Brown, 134 Sutter street, San Francisco.
Mrs F Scherb, 673 Mission street, San Francisco.
Mrs Sarah P Vick, dressmaker and seamstress, 169 Stevenson street, San Francisco.

I believe I can fully and conscientiously indorse each qualification claimed for the Florence Machine. I have thoroughly tested it on work of all grades, and each trial has been eminently satisfactory. It takes hold of a delicate fabric delicately, and of a strong one with strength. To me it seems more than a machine—an almost intelligent, willing helper. Its use is easily learned and its construction is certainly simple. I know something of the other first class Machines, learned to operate several. This is the only Sewing Machine I have found RELIABLE.

MRS PERRY G TEFFT.
San Andreas, Calaveras county, Cal.

I have used the Wheeler & Wilson about two years, the Taggart & Farr six months, the Slout Elliptic about the same length of time, the Williams & Orvis nearly two years, and have dealt in several of the small Machines, until thoroughly disgusted with every Machine that sews with only one thread. The Florence is the only Machine that has come under my notice that gives perfect and entire satisfaction on all kinds of work.

No one can estimate its value until they have used and tested it, as I have done. Indeed, for thin work it is invaluable. GEORGE GILLIS,
Carson City, N. T.

I have used a Florence Sewing Machine for two years; I brought it across the Plains; it has never yet been out of order, and I can truly say it excels all other Machines that I have used. I ran a Ladd & Webster six months; a Wheeler & Wilson eight months; and used a Grover & Baker, alternately with Slout's, for two years.

I am familiar with the Howe, and several of the small Machines, but I never used one that would do all kinds of work to equal the Florence. I do not think it can be too highly recommended.

MRS ISAAC ELLIS, Marysville.

After having a Florence Machine in use nearly a year, I feel that I can truly recommend it as being all that is claimed for it. I have used Singer's, Grover & Baker's, and the Wheeler & Wilson Machine, and consider the Florence superior to any.

MRS JENNIE A. EGAN,
Wilsington, Los Angeles county, Cal.

We could refer to many others who are using the Florence if it were necessary to do so to convince the public that these Machines are what is claimed, the

Best Family

Sewing Machine

in the World!

Over Seven Hundred

FLORENCE MACHINES have been sold on this coast in the short time since the Agency has been established here, and we make this strong assertion, as convincing proof of their worth, that no person can be found who has a Florence that would exchange it for a Family Sewing Machine of any other manufacture.

MEDICAL WONDER

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom of an almost idiotic apathy, becomes bright and active; and he goes forth renegenerated, conscious of new vigor. The medicine reaches CONSTITUTION itself, and restores it to its normal condition.

Irritation of the Neck of the Bladder, Inflammation of the Kidneys, and Catarrh of the Bladder, Strangury and Burning, or Painful Urinating, Calculus, Gravel, Brick Dust Deposit, and Mucous or Milky Discharges After Urinating.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give your praise to

CONSTITUTION WATER!

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.
