WISTAR'S BALSAM
—OF—
WILD CHERRY

HAS BEEN USED FOR NEARLY
HALF A CENTURY,
WITH THE MOST ASTONISHING SUCCESS IN CURING

Coughs, Colds, Hoarseness, Sore Throat Influenza, Whooping Cough, Croup, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of

THROAT, LUNGS, and CHEST,

INCLUDING EVEN

CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named and most to be dreaded disease in the whole catalogue—The power of the "medicinal gum" of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

The unequaled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact under their own signatures. We have space only for the names of a few of these:—

S. H. FINLEY, M.D., San Francisco, Cal.
R. BOTHEN, M.D., Exeter, Me.
ALEXANDER HATCH, M.D., China, Me.
R. FELLOWS, M.D., Hill, N. H.
W. H. WEBB, M.D., Cape Vincent, N. Y.
W. B. LYNCH, M.D., Auburn, N. Y.
ABRAHAM SKILLMAN, M.D., Boundbrook, N. J.
H. D. MARTIN, M.D., Mansfield, Pa.

The proprietors have letters from all classes of our fellow citizens, from the halls of Congress to the humblest cottage, and even from beyond the seas; for the fame and virtues of WISTAR'S BALSAM have extended to the "uttermost bounds of the earth," without any attempt on our part to introduce it beyond the limits of our own country.

TO CALIFORNIANS AND OREGONIANS.

After October 1, 1865, all genuine WISTAR'S BALSAM of WILD CHERRY for the Pacific Coast will be enclosed in a new wrapper which will bear the printed names of both SETH W. FOWLE & Co., *Boston, Mass., and* JOHN D. PARK, *Cincinnati, Ohio, as well as a fac-simile of the signatures of* "I. BUTTS," "SANFORD & PARK," *and* "H. WISTAR, M. D."

Less Than the Cost of Importation!

We also keep the STAPLE ARTICLES in the Dry Goods line, which Goods we have purchased in this market under the hammer, and are offering them at New York Cost, and less.

We publish this card in order that we may make new acquaintances, and induce those who have not heretofore purchased of us, to call and examine our stock.

ALLEN'S
LUNG BALSAM!

THE REMEDY FOR CURING

Consumption, Coughs, Colds, Asthma, CROUP, DISEASES of the THROAT,

Bronchitis, Pains and Oppression of the Chest or Lungs, Difficult Breathing, and all the Diseases of the Pulmonary Organs.

ITS action is expectorant, alterative, sudorific, sedative, diaphoretic, and diuretic, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; *CHANGES THE SECRETIONS AND PURIFIES THE BLOOD;* heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It is warranted to give entire satisfaction, even in the *most confirmed cases of consumption!*—It is warranted not to produce costiveness (which is the case with most remedies) or affect the head, as it contains no Opium in any form. It is warranted to be *PERFECTLY HARMLESS* to the most delicate child, although it is active and powerful remedy for restoring the system. There is no real necessity for so many deaths by consumption, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.

DR. J. C. YOUNG,

FOR THE CURE OF PRIVATE DISEASES, OF WHATEVER NATURE.

THIS CELEBRATED INSTITUTE has enjoyed on this coast an uninterrupted success of Fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospitals is to London, and the no less renowned establishment of Ricord to Paris, this Institute has become to the Pacific Coast. The thousands annually received and cured, place it in point of number of patients among the very first of the world, and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength and vigor from the frame; they give to the world puny and diseased offspring, and poison, through successive, generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arrising from the contamination of Venereal Poison. The mildest forms, by retreating to the blood, hold ever over the one afflicted, the sword of destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, *recognized as the most fatal medical enemy to man,* combining with the Venereal, doubles his dangers. Those who have been treated with that pernicious *mineral poison* are not cured; the disease has only assumed a new form.

Do not be Satisfied with Partial Cures, that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consonsulting a physician whom long practice and thorough investigation into the causes of DISEASE of the URINARY ORGANS enables to determine at once the nature of the disease.

In all diseases entrusted to the Doctor's care, PERFECT SPEEDY and PERMANENT

Cures are always Guaranteed,

In Syphilis and its adjuncts; Gonorrœa and its accompanying diseases; all disorders of the Bladder, Kidneys and prostrate; Seminal Weakness; Diseases of the Heart and Lungs; Dyspepsia Indigestion; Impotency; Incipient Consumption, and all diseases of the Urinary organs, in either sex, cure always warranted, OR NO PAY REQUIRED at the PRIVATE

Seminal Weakness or Spermatorrhœa.

The young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion, unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams accompanied by growing deafness, loss of muscular power, and numerous other symptoms of disorganization. The positive traces of that most terrible and destructive of all diseases, Seminal Weakness—Wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence toward a premature grave. To him who finds his life dribbling out in the discharge of the vital principal of existence in nocturnal and diurnal emissions, the mere cessation of the causes of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such a one no hope of cure, but adds to his misery in the knowledge that the one who looks to him for so much of her happiness, is a victim of his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no resen except in proper and skillful treatment. Consult, then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease Those who have become the victims of solitary vices, that dreadful, fascinating, and destructive habit, which fills thousands of sick rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE *without hindrance from business, change of diet, or fear of exposure.*

Do not forget the address See below.

Important to Females.

When a female is in trouble or afflicted with disease, and requires midical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor, understanding how imperatively necessary these requirements are, feels called upon to interpose, and by calling the attention of the afflicted to the fact that he has been a PROFESSOR OF OBSTETRICS and FEMALE DISEASES for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous, and designing. Therefore, families can rely upon him as upon a father. All in affliction can find in him one who can feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. CONSULTATION (BY LETTER OR OTHERWISE) FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescriptions of DR. YOUNG, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre eminently superior in their action.

No Lady should be without these Renovating Agents. None genuine unless procured at this office. Sent by Mail or Express, to any part of the State.

Patients residing in any part of the State however distant, who may desire medical advice on their respective cases, and who think proper to submit a written statement of such in preference to holding a personal interview, are assured that their communications will be held most sacred.

TO INVALIDS

WHOSE SUFFERINGS

have been protracted from hidden causes and mal-treatment, and who require **prompt relief** to render existence desirable.

DR. J. PERRAULT, GRADUATE OF THE UNIVERSITY OF QUEEN'S COLLEGE, begs to inform patients and others seeking medical advice that he may be consulted personally or by letter in all cases of **Nervous** and **Physical** DEBILITY, and the **various disorders arising from** SEDENTARY HABITS, EXCESS, ACCIDENT, or CLIMATE, from 9 A. M. to 12 M., and from 2 to 8 P. M., at his office, Armory Building, northeast corner Montgomery and Sacramento sts., Rooms Nos. 9, 10, and 11, first floor up stairs. Entrance on either Montgomery or Sacramento street.

NO APOLOGY SEEMS REQUISITE for offering to the public an advertisement of this kind, for it is universally acknowledged that the treatment of these particular diseases constitutes a branch of medicine which has NEVER BEEN SUFFICIENTLY CULTIVATED, in consequence of the fastidiousness of the profession, who have abandoned these specialties to the care of UNQUALIFIED PRACTITIONERS. There exists here no power to repress the impudence and effrontery of men who are totally incompetent to perform the duties of their so-called medical practice, thereby inflicting miseries to a degree unparallelled in any other class of human disorders. The only way to remedy this evil is to call the attention of the public to a WELL-INFORMED MEMBER of the MEDICAL PROFESSION, LEGALLY QUALIFIED, and who devotes his exclusive attention to diseases arising from the undue excitement of the generative organs, together with those incidental stages of acute disorder which, when neglected, terminate in the horribly-wasting form of constitutional disorganization. DR. PERRAULT HAS PAID THE MOST ANXIOUS and UNTIRING ATTENTION, FOR THE LAST EIGHT YEARS, TO A SPECIAL BRANCH OF STUDY, and his mode of practice, suggested and improved by experience, and experiments made through the medium of the microscope, enables him to detect the presence of semen in the urine. We wish to impress those who have failed of relief elsewhere, that they may derive benefit from examination of the urine in cases of Seminal Emissions and Impotency as well as in cases of Gravel, Diseases of the Bladder and Kidneys, and we can at once ascertain the cause of the patient's complaint, so as to prepare the proper remedies for each particular disorder and according to each case.

Patients suffering from Venereal Diseases in any stage Pains in the Bones, Rheumatism, or from the effects of Mercurial Poisoning, who can visit us personally, will receive, in addition to our usual treatment, MEDICATED VAPOR BATHS, without further charges. This Bath has nearly superseded all other treatment in Europe. Reference will be given to several who have been cured by this treatment, after having failed with others.

Persons of both sexes who have impaired their health and destroyed the vigor of their minds by their own misconduct, and thus deprived themselves of the pleasures of life, are notified that on consulting DR. PERRAULT they will find a friend and a Physician who has cured many in every part of the States, who applied broken down in health, but are now rejoicing in all that makes life desirable and man happy. References can be given, when required, in almost every part of the State, from parties who know of cases cured by DR. PERRAULT, after in vain trying several physicians.

His diplomas are in his office, where all persons can see for themselves that they are under the care of a regularly qualified practitioner. We have the latest and safest remedies, and such mode of cure as can be attained at no other office of this coast, in Syphilis, Gonorrhea, Gleet, Stricture, Gravel, Stone in the Bladder, Enlargement of the Testicles, Ulcerated Throat, Bones, and Nose, Cutaneous Eruptions, Ulcers, Abscess, and other diseases depending on impurities of the blood.

DR. PERRAULT still retains the only agency in California of

Dr. Briot's Female Monthly Pills.

Their immense sale has established their reputation as a female remedy unapproached and far in advance of every other medicine for Suppressions and Irregularities and other obstructions in females. On the receipt of Five Dollars, these Pills will be sent, by mail or express, to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home by addressing a letter to DR. J. PERRAULT, corner Sacramento and Montgomery streets, Rooms Nos. 9, 10, and 11, or Box 973, Post Office, San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc. All cases taken under treatment warranted. No charge for advice. No poisons or harsh medicines to injure the constitution; no making sick to make well. We are honest in our dealings, frank in our opinions, and our charges will be far less than demanded by other physicians. We invite investigation, claim not to know everything nor to cure everybody, but we do law claim to reason and common sense, and to cure eight out of ten pronounced incurable. We particularly request those who have tried this Doctor and that scientific Physician, boasted and advertised, till worn out and discouraged, to call upon us. It will cost nothing, as consultations are free. oct30y1-4p

TESTIMONIALS.

SALEM, OREGON, Oct. 16th, 1865.

From the good effects that I have seen and known of Mrs. Stipp's Thoracic Balsam, I can safely recommend it to the public. JAS. D. MCCURDY, M.D.

SALEM, March 8th, 1865.

I hereby certify that I have been using Mrs. Stipp's Thoracic Balsam in my family, with the very best of results, and am happy in stating that the medicine is all that it is recommended to be by its proprietor.
L. WESTACOTT.

MARION COUNTY, OREGON, Sept. 27, 1865.

The undersigned, resident of Marion county, Oregon, takes pleasure in stating for the benefit of the afflicted, that, in the winter of 1863-4, I was suffering from an affection of the lungs and kidneys, resulting from a violent cold. I seemed to be going into rapid Consumption, and had begun to believe my death was not very far distant, and all who saw me were impressed with the same conviction. After trying various remedies without any success, I was induced to try Mrs. Stipp's Thoracic Balsam, and to it I am fully persuaded that I owe my life and present good health. Under these circumstances, I feel that I am but performing a duty to humanity when I recommend all similarly afflicted to try this excellent medicine. WILLIAM TAYLOR.

MARION COUNTY, OREGON, Sept. 28, 1865.

Having received great benefit from the use of "Mrs. Stipp's Thoracic Balsam," and being convinced that its use would be beneficial to thousands of persons suffering without hope of relief, it is with pleasure that I make the following statement: In the fall of 1863, I took a severe cold, which settled in my lungs and throat, causing a dry, hacking cough, fever, headache, and pain in the breast and under the shoulder, in severity, until my life seemed to be in real danger. About six weeks ago, I commenced taking Mrs. Stipp's Thoracic Balsam, and in this short space of time I have regained almost my usual health and strength, have a good appetite, and am free from my cough and all its attending miseries. M. S. FORWARD.
