PORTLAND LOCALS
BURCH AND REISS' GREAT SHOW.
 The Burch and Reiss Dog and Pony Show Playing to Big Business in Portland.

P. T. Barnum, who in his day was considered the greatest showman on earth, would be amazed if he were to return among us and see the wonderful advancement made in the line of amusements which made his name a household word among the English-speaking of the world. This fact is suggested by the wonderful show of Burch and Reiss which is playing to packed tents in this city. The dog and pony show is an innovation in the amusement line, and that no more instructive form of entertainment could have possibly been devised is a fact well testified to by the increasing interest in performances of this character.

If you fail to see the educated animals you will miss the treat of your life. Be sure and take the children.
