DRIVE THEM FROM STATE.

California Declares War on Dishonest Insurance Companies.

San Francisco, June 15.—The official of California are agreed, it is said, that the insurance companies which refuse to meet their obligations and pay their losses in full will not only be driven from the state, but ruined before the world, if the widest publication of their methods can accomplish that end. Insurance Commissioner E. Marion Wolf is backed by Attorney General Webb. The attorney general expressed nimself forcefully today regarding the proposition made by 60 companies at a meeting in Oakland Tuesday to pay only 75 per cent of adjusted losses "Under the law of California," he

said, "the state insurance commissioner can revoke the license of any insur-Russia that a revolution cannot help ance company for the state when there is cause. GERMANIA TO QUIT.

Strong Insurance Company Withdraws From Califoreia.

San Francisco, June 13 .- The Germania Insurance company, of New York, will write no more insurance in this state, will close all its offices and abandon California as an insurance field. Telegraphic instructions have been received from the home office to that effect and will be followed.

Two reasons are given for this action. One, general in its scope, is that of an nitra-conservative company not caring to risk any more of its capital in Californ'a losses. The other is more specific, and says the decision of the company was influenced by the legislature a d Insurance Commissioner Wolf.

The action of the Germania company is the talk of insurance circles. When it was reported that the Eagle and some of the other smaller companies would quit California, there was little comment--it was expected-but when a company like the Germania declared itself in the same manner the entire commercial community of the city was

The Germania is one of the strong companies doing business in California, having assets of \$7,000,000, and is paying its losses as rapidly as they are adjusted.
