 The GREATESTOF ALL TONICS $^{\text {TO }}$ The ingredients that enter into S. S. S. and the method of combining and preparing them so that they build up and strengthen every part of the body, make it the greatest of all tomics. S . S . S . is nature's
remedy-PURELY VEGETABLE-and while it is restoring the lost appeing that tired, run-dewneable-and whe is restoring the lost appern us that it is necessary to take a tonic, it is purifying the blood of all poisons and waste atters so that it can supply to the system the strength and nourishment it needs to keep it Spring is condition during the depressing summer months that are to follow.

Spring is the season when most every newing and changing, and as everything uts on new life, the sap rises in verytation he earth thaws out from its winter freezes, nd all respond to Spring's call to purge hange also takes place in our bodies. The lood endeavors to throw off the poisons and accumulations which have formed in the
system, and been absorbed by it, from the nactive winter life, and calls upon every nember to assist in the elimination. The stem is often unequal to the struggle, the ppetite grows fickle, the energies give way, he spirits are depressed, and a general run-

SHE FOUND IT THE BEST SPRING TONIC. On two ocoasions I have used s. s. s. in the spring with
fing results. 1 can heartily recommend it as a tonio and
 8. S. S. My appetite. which was poor, was greatly helped. I oan eat anything I want now without fear of in
dipestion and my biocod has bena thoroughty oleansed of
dill impurites and made rieh and strong agaln. As a tonio
 ntirely from roots, herbs and barks, it does ot disagreeably affect the system in any way which contain Potash or some other harmful mineral ingredient to derange the stomach and digestion, unfavorably affect the bowels, or otherwise damage the health. S. S. S. tones up the stomach and digestion and assists in the assimilation of food; it rids the system of that always-tired, worn-out feeling, and imparts vigor and tone to every part of the body. It re-
establishes the healthy circulation of the blood, stimulates the sluggish organs, and calms he unstrung nerves which make one feel that he is on the verge of prostration. S. S. S ives an appetite and relish for food that nothing else does, and by its use we can find our

It acts more promptly and gives better and more lasting results than. is absolutely sether remedy, tated people will find S. S. S. is just the medicine that is needed for the purification of for toning up and helping the entire system. When you take your tonic this Spring do a endorsed by the best people all over the country-S, S. S., THE GREATEST OF ALL rowis. S.S. has proved itself to be this remedy for many years. If it is taken at the first sign of Spring the system will be so built up and strengthened that the disagrecable affections of the seazon will not be felt as
