OUR CHICAGO LETTER

The New Age is on sale at Levy's News Stand, 506 Thirty-seventh st., Chicago.
April 5, 1907.
Mr. S. B. Jones, is now on the sick list.

Mr. Robert H. Williams of 3455 Dearborn street is very sick.
Mr. Theodore W. Jones is back in Chicago from a visit in California.

Mr. A. L. Harris one of the leading colored men of Johnstown, Pa., was in the city last week.
Mr. George Roberts of Buffalo, N. Y., and Mr. Samuel Beck of Danport, Ia., are in the city on a visit.

Mr. C. F. Adams, registrar of the United States Treasury at Washington, D. C., has been in the city for several days, and left for Washington, D. C., last Thursday.

The Douglas Center Dramatic Club will give Charles Chestnut's "Wife of His Youth" on the 30th of April at the Oakland Music Hall in Chicago, Ill. Mrs. Francis Parker Wooley has dramatized the work and the cast of characters in the play will be among the best young men and women in the city.

The Colored Compact Knight Templars under the management of one R. E. Moore and his followers turned out to a sermon last Sunday and it was said by those that noticed and saw them that they were the hardest looking set that had been seen on the streets of Chicago for many years, and during the sermon at the church, they were to be seen going out and in the saloon and some of them were intoxicated and very drunk. Those spurious masons are a disgrace to the people of Chicago.

At a meeting of the members of the Prince Hall Consistory of Ancient and Accepted Scottish Rite, on last Thursday, objected seriously to the continuing of the name of Prince Hall for the Consistory. They asserted over and over again that Prince Hall, of Boston, Mass., was a Masonic impostor, and a notorious violator of the Masonic law, and the members by a unanimous vote changed the name from Prince Hall Consistory to the name of Western Light Consistory of Chicago.

Honorable Fred Busse, the republican candidate was elected mayor of Chicago by a majority of 13,000. It can be said to the everlasting credit of the colored men of Chicago that they stood by their political guns to the last and went down in defeat. They voted for Mayor E. F. Dunne, their choice for mayor of Chicago and although he was defeated, they went down in defeat with him. There are 11,000 colored voters in Chicago and out of the 11,000 colored votes that were cast for mayor of Chicago, Mayor E. F. Dunne got over 7,000 of them.

man that we can see that he is a colored man.
Mr. F. A. Denison will no doubt try to be appointed one of the Assistant Prosecutors of Chicago. Mr. S. A. T. Watkins who has held the office for some time is now going out of office very much disliked by a large number of the lawyers and the people who come in contact with him. He got the swell head so that no person could hardly talk to him, and when they did, they could hardly get a satisfactory and intelligent answer from him. It is to be hoped and trusted that in the whole history of Chicago in the future will ever such an individual as Mr. S. A. T. Watkins ever get into an office in this city. He is now going out of office, and may God be devoutly thanked for that.

It is an old saying but nevertheless a true one that "Truth crushed to the earth will rise again," and when your correspondent after and before the election said that Mr. F. L. Barnett, the colored candidate for one of the judges of the municipal court in Chicago was unreliable, unpopular and not the colored people place, and that the colored people attempted to contradict it by writing articles to the New York Age, and now the Chicago Conservator comes out and affirms that your correspondent said, and says that the reason that he was defeated was because he was forced on the ticket against the protest of the colored people and that he is weak and unpopular.

Police Officer McCall, who is now stationed at the Cottage Grove Avenue Station, according to Lawyer Thurman's statement is indebted to him in the sum of \$25 for services rendered in getting him acquitted of a charge of disorderly conduct that happened some time ago. This is the same man McCall who is now a police officer, who was arrested in a disorderly house a short time ago before he got on the police force, with some other bad characters, and after the lawyer got him out of the trouble, he refused to pay him. If the facts are ever brought to light in reference to this individual Chief Collins of the police force of Chicago will do the community a favor by relieving and removing this individual from the police department.

There seems to be a very strange and bad practice among several of the colored women in Chicago who hold the position of deaconess in several of the colored churches in Chicago. They now make a great display of themselves by going round through the streets of Chicago with a great band of white ribbon over their hats and heads. Their appearance in the street is wholly disgusting, and it subjects them to much talk and criticism. Those who persist in acting so much like fools mostly belong to the Bethel A. M. E. church. It is about time some of them were getting some sense in their heads and stop acting so much like fools and keep off the streets of Chicago, with their white bands on their heads, and let them leave their Bibles at home, and not carry them around in their hands. They are disgracing themselves and the churches they belong to. Hereafter we will give the names of some of these deaconesses of the churches who want the people to believe that they are so holy and saintly that they must make a show of themselves in the streets of Chicago.

It is reported upon good authority and from what your correspondent is able to see and hear, that the majority of the people of Chicago have lost all interest in the colored churches in Chicago. No doubt this is due to the notorious conduct on the part of some of the colored ministers in Chicago the conduct and the careers of some of the colored ministers have been not only disgusting and demoralizing, but their records have been as black as the midnight of eternity. The conference has sometimes in the past attempted to cover it up and whitewash the record of some of those notorious individuals, but the masses of the people in Chicago know it and have nothing to do with them and even some of these unworthy and insignificant individuals have the audacity to at this time offer themselves as a candidate for Bishop or else have charge of the Sunday school department. The membership of the colored A. M. E. churches in Chicago was three years ago, six thousand (6,000) and now they only have 4,000, and you can go to the churches nearly any Sunday night and find them only partly filled.

The Edward Holman Undertaking Company, the leading funeral directors of Portland, beginning July 2, will depart from this old custom. When the casket is furnished by us, its cost will include all charges, such as conveying the remains to our chapel, outside box, embalming, hearse to cemetery and all services which may be required of us except clothing, cemetery and carriages, thus effecting a saving of \$25 to \$75 on each funeral.
