

Pure Blood

Is certain if you take Hood's Sarsaparilla. This great medicine cures those eruptions, pimples and boils that appear at all seasons; cures scrofula sores, salt rheum or eczema; adapts itself equally well to, and also cures, dyspepsia and all stomach troubles; cures rheumatism and catarrh; cures nervous troubles, debility and that tired feeling.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsatabs, as well as in the usual liquid form. Sarsatabs have identically the same curative properties as the liquid form, besides accuracy of dose, convenience, economy, no loss by evaporation, breakage, or leakage. Druggists or promptly by mail. C. I. Hood Co., Lowell, Mass.

Little Johnny (in cemetery)—Say, paw, why didn't the man who is buried here go to heaven?
Paw—Perhaps he did, my son.
Little Johnny—But it says on his tombstone, 'Peace to his ashes,' and it must be a hot place where there's ashes.

An Insult.
"Boo-oo-hoo!" sobbed the young widow.
"Don't cry, dear," said her mother. "It will not help matters any."
"B-but the m-minister in-insulted me," sobbed the bereaved one.
"He did!" exclaimed the astonished mother. "What did he say?"
"He s-said that poor J-John was p-probably b-better off," answered the Y. W.

Envious.
"What's all this Japanese question?" asked the boy with the books and slate under his arm.
"Why," replied his chum, "it all came from stoppin' a Japanese kid from going to school."
"Did, eh? Well, that's just like this country. Always showing favors to foreigners. Nobody ever stops us kids from going to school."

CATARRH BLOOD DISEASED AND SYSTEM DISORDERED

Catarrh is not merely an inflammation of the tissues of the head and throat, as the symptoms of ringing noises in the ears, mucous dropping back into the throat, continual hawking and spitting, etc., would seem to indicate; it is a blood disease in which the entire circulation and the greater part of the system are involved. Catarrh is due to the presence of an excess of uric acid in the blood. The Liver, Kidneys and Bowels frequently become torpid and dull in their action and instead of carrying off the refuse and waste of the body, leave it to sour and form uric acid in the system. This is taken up by the blood and through its circulation distributed to all parts of the system. These impurities in the blood irritate and inflame the different membranes and tissues of the body, and the contracting of a cold will start the secretions and other disgusting and disagreeable symptoms of Catarrh. As the blood goes to all parts of the body the catarrhal poison affects all parts of the system. The head has a tight, full feeling, nose continually stopped up, pains above the eyes, slight fever comes and goes, the stomach is upset and the entire system disordered and affected by this disease. It is a waste of time to try to cure Catarrh with sprays, washes, inhalations, etc. Such treatment does not reach the blood, and can, therefore, do nothing more than temporarily relieve the discomfort of the trouble. To cure Catarrh permanently the blood must be thoroughly purified and the system cleansed of all poisons, and at the same time strengthened and built up. Nothing equals S. S. S. for this purpose. It attacks the disease at its head, goes down to the very bottom of the trouble and makes a complete and lasting cure. S. S. S. removes every particle of the catarrhal poison from the blood, making this vital stream pure, fresh and healthy. Then the inflamed membranes begin to heal, the head is loosened and cleared, the hawking and spitting cease, and watched over by skilled shoemakers, without regard to time or cost. If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas shoes are made, you would then understand why they hold their shape, fit better, wear longer, and are of greater value than any other makes.

S.S.S. PURELY VEGETABLE

WRECK ON O. R. & N.

Sinking Fill Near Cayuse Casts Train into Ditch.

CARS BREAK LIKE EGG SHELLS

Four Persons Killed, Four Seriously Injured and More Than Score Badly Hurt.

Pendleton, April 11.—Four persons were instantly killed, four seriously injured and more than a score of others cut, bruised and badly shaken up in the worst wreck in the history of the O. R. & N., which occurred yesterday morning about 3:30 o'clock near Cayuse station, about 15 miles east of this city, just at the foot of the Blue mountains. The monster engine turned a complete somersault in the air, and now, completely wrecked, is standing on end in the Umatilla river. The mail car, two baggage cars and a smoker are piled in a heap, the former being smashed into kindling wood.

No passenger coaches with the exception of the smoker left the track, though passengers were hurried from their seats and berths, many of them receiving severe cuts and bruises. The smoker was left standing nearly on end and the occupants were thrown in a heap to the front end of the car, which was crushed in like an egg shell. Why many of them were not instantly killed and all seriously mangled cannot be explained by the trainmen.

The train was passenger No. 5, in charge of Conductor Coykendall, four hours late and moving at a slow speed, which accounts for the small number of passengers injured. The wreck was caused by a fill across the gulch giving way under the weight of the engine.

COMING IN DROVES.

Thousands of Homeseekers Flocking Westward Daily.
Portland, April 11.—After making a careful estimate of the colonist business coming West, A. D. Charlton, assistant general passenger agent for the Northern Pacific, who has just returned from the East, estimates that between 5,000 and 7,000 homeseekers are leaving the Eastern gateways daily and that this tremendous movement will continue during the season.

Mr. Charlton paid particular attention to the colonist movement while away. He personally visited the depots, where crowds of west bound homeseekers are flocking to the trains and crowding the coaches. Many, not finding seats, are even willing to stand, so eager are they to get to the new promised land.

The Northern Pacific, according to Mr. Charlton, is hauling between 2,500 and 3,000 colonists out of St. Paul, Minneapolis and Duluth every day. The Great Northern and 'Soo' lines, of course, takes a great many more. Taking the southern gateways into consideration, Mr. Charlton believes that the total number leaving for the West with the avowed intention of making their homes here will run close to 7,000 every day of the 60-day season.

JUDGE BOISE DEAD.

One of Oregon's Ablest Jurists and Pioneer of Coast.
Salem, April 11.—Judge Reuben Patrick Boise, one of the earliest pioneers, ablest jurists, founders of the fundamental laws, and molders of the destiny of the state of Oregon, passed away at his old home in this city shortly after 2 o'clock yesterday afternoon. His malady was a combination of stomach and kidney trouble. He had reached the advanced age of 87 years, 9 months and 22 days.

There was perhaps no better known and prominent man in the public mind of the state of Oregon or the Pacific Northwest than Judge Boise. He was one of the three who framed the first code of laws of the Oregon territory; one of the few surviving members of the constitutional convention of the state.

Try to Kill Grand Duke.

St. Petersburg, April 11.—It was announced today that another attempt on the life of Grand Duke Nicholas Nicholas had been frustrated. The grand duke was returning from Tsarskoe-Selo by train at 2 o'clock this morning. When the train was 13 miles from St. Petersburg it was brought to a sudden stop by a fusillade of shots from the track side. The entry said he had seen four men hiding behind an embankment. The men succeeded in getting away, though several shots were fired at them.

Will Pay Honor to Heney.

San Francisco, April 11.—Francis J. Heney will deliver an address to the students of the University of California at Berkeley tomorrow. It is stated that Mr. Heney is to be given an honorary degree by the university authorities in recognition of his work for civic reform. Mr. Heney was a student of the university 20 years ago and was expelled as the result of a fight with the editor of the college paper, with whom he had trouble.

Drouth Kills Cuban Cattle.

Havana, April 11.—The rural guards report the death of hundreds of cattle throughout the island as a result of the continued drouth. Cuba has not had a good rain since the October cyclone and the crops are suffering.

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

Made by J. C. Ayer Co., Lowell, Mass. Also manufacturers of BATH FRIGID, AGUE CURE, CHERRY PECTORAL.

The readers of this paper will be pleased to learn that there is at least one dressed disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TIED BACKS.

The kidneys have a great work to do in keeping the blood pure. When they get out of order it causes backache, headaches, dizziness, languor and distressing urinary troubles. Keep the kidneys well and all these sufferings will be saved you. Mrs. S. A. Moore, proprietor of a restaurant at Waterville, Mo., says: "Before using Doan's Kidney Pills I suffered everything from kidney trouble for a year and a half. I had pain in the back and head, and almost continuous in the loins and felt weary all the time. A few doses of Doan's Kidney Pills brought great relief, and I kept on taking them until in a short time I was cured. I think Doan's Kidney Pills are wonderful."

The General Condemnation of So-Called Patent or Secret Medicines

of an injurious character, which indulge in extravagant and unfounded pretensions to cure all manner of ills, and the National Legislation Enacted to Restrict Their Sale have established more clearly than could have been accomplished in any other way The Value and Importance of Ethical Remedies.

Remedies which physicians sanction for family use, as they act most beneficially and are gentle yet prompt in effect, and called ethical, because they are of Known Excellence and Quality and of Known Component Parts.

To gain the full confidence of the Well-Informed of the world and the approval of the most eminent physicians, it is essential that the component parts be known to and approved by them, and, therefore, the California Fig Syrup Company has published for many years past in its advertisements and upon every package a full statement thereof. The perfect purity and uniformity of product which they demand in a laxative remedy of an ethical character are assured by the California Fig Syrup Company's original method of manufacture, known to the Company only.

There are other ethical remedies approved by physicians, but the product of the California Fig Syrup Company possesses the advantage over all other family laxatives that it cleanses, sweetens and relieves the internal organs on which it acts, without disturbing the natural functions or any debilitating after effects and without having to increase the quantity from time to time.

This valuable remedy has been long and favorably known under the name of Syrup of Figs, and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of Syrup of Figs and Elixir of Senna, as more fully descriptive of the remedy, but doubtlessly it will always be called for by the shorter name of Syrup of Figs; and to get its beneficial effects, always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for Syrup of Figs, or by the full name, Syrup of Figs and Elixir of Senna, as Syrup of Figs and Elixir of Senna is the one laxative remedy manufactured by the California Fig Syrup Company, and the same heretofore known by the name, Syrup of Figs, which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
