A special song service will be given at the A. M. E. Zion church Sunday evening, April 21. An excellent program has been arranged and the public is cordially invited to attend. The Young People's meeting is held each Sunday evening from 7 to 8:15 o'clock.

The officers of the Enterprise Investment Co. regret the apathy exhibited by the members of the company as on two occasions lately meetings have been called and a quorum was not in attendance. It is not right for the members to leave all to the officers and then find fault if things are not done to their liking.

In the early part of the week, several police officers paid an official visit to Allen and Walkers Cafe and placed under arrest ten of their patrons and charged them with violating one of the city ordinances by engaging in a game of chance. On Wednesday morning Judge Cameron discharged all but three who were assessed \$10 each.

DEATH OF T. B. MORTON.

Probably there was no better known negro on the Pacific Coast than Mr. T. B. Morton who died at the Berkeley Sanitarium on Sunday April 7th, having suffered from a complication of diseases for several months. Mrs. Hattie Glasco, for Several Years a Leader of the St. John's Mission is Dead.

On last Saturday evening, Mrs. Hattie Glasco, wife of Rev. John Glasco, who had been engaged in the evangelistic work for the past several years in this city died at the St. Vincent hospital. Her funeral took place Monday afternoon from the chapel on Second street near Main street where she had labored long and earnestly for the uplifting of fallen humanity. The hall was filled to overflowing with those who had known her and learned to respect her as one earnest and sincere. The funeral service was preached by Rev. L. N. Bourve a regular ordained preacher but at present a member of the mission and working at the shoemakers bench. At some length he reviewed the work of the deceased in this city and at various other points up and down the Coast. The interment

took place at Lone Fir cemetery under the supervision of the Edward Holman Company. A large number of her friends followed the remains to their last resting place. Mrs. Glasco was possessed with a wonderful power of speech and was noted as a singer of gospel hymns.

Masons of the state of Louisiana. The committee on widows and orphan's home was granted further time for a more favorable report by the Grand Lodge. The session was profitable and harmonious and was largely attended. The next Annual Grand Lodge of A. F. and A. M. will be held in the town of Slidell, Louisiana March 11th, 1908. OUR CHICAGO LETTER

The New Age is on sale at Levy's News Stand, 506 Thirty-seventh st., Chicago. April 11th, 1907. Dr. George C. Hall has returned home from Alabama where he has been on professional business. Mrs. Coleman of 5117 Armour avenue, entertained a number of her friends at a whist party last week. The Supreme Grand Chapter of the Eastern Star of the United States and Canada will meet in annual session on July 10th, 1907, at Buffalo, N. Y. A meeting will be held next week by the Western Star Club to publicly endorse the high position taken by United States Senator J. B. Foraker of Ohio. Rev. W. W. Brown, a minister of the gospel has been arrested by the federal authorities relative to the \$173,000 that was lately lost from the sub-treasury in Chicago. If the republican national convention should act so foolish and unwise as to nominate Secretary Taft as a candidate for president it is the opinion of the people in Chicago that the next president of the United States will be a democrat. Secretary Taft has no standing with the people of this section of the country whatever. Color line drawn in the City Fire Department. A colored man passed the civil service examination to be a fireman, and was assigned to a white fire company No. 2 in this city. The captain and all his men of this white fire company went on a strike and went to the chief fire marshal, Horan, and protested against a colored man being assigned to that engine company with white people. Mr. Horan attempted to pacify them by making room for his colored fireman in another place. It is a peculiar condition of affairs in the fire department of Chicago where a man passes a civil service examination and is assigned to a place to work that the rest of the servants of the city in that department then refuse to work with him; we will see what the new mayor, Fred Busse, says about the matter. More will be said about this in the future.

Newspaper Men to Take Up Farms in Colorado. Denver, Colo., April 18.—A colony of newspaper men is to be established in the Little Snake river valley in Routt county, Colorado, where the state of Colorado will throw open for settlement this summer, under the Carey act, 50,000 acres of land. This land is under the Little Snake river canal system. The plan is to make this colony an up-to-date farming community, where each man will own his own farm and improvements, the only connection in which the community idea will prevail, if at all, being in regard to labor.

Shocks Still Continue.

City of Mexico, April 18.—Owing to the great difficulty in establishing communication with the cities situated in the region of the earthquake details are coming to this city slowly. From the latest reports it is learned that shocks occurred as late as noon today. In the list of known dead, which now totals 50, and of the injured, which approximates 300, are many names of Mexicans prominent in the official and social life of the region. So far the name of no American has appeared in the meager list.
