NEW YORK STOCK MARKET.

Stagnation Was the Penture of the Speculation.

NEW YORK, Pob. 18.—The transactions on the stock each size to lay were light, and the market was dull and uninteresting to a de-gree which was unlooked for, in view of the light thrown upon the government's contract with the bond syndicate. Stagnation was the with her point symmetric. Segmention was the feature of the speculation, and were it not for Sugar, Northwestern, and, in a leaver degree, Chicago Gua, the volume of business would have been light indeed. The dealing in To-hance was interesting, by reason of the fact that there was evidence of inside buying, the non recording on advance of 14 per cenof which all but is per cent was retained to the close, and the preferred moving up 14, per cent, and closing at the best. Northwest opened is nor cent, up on occepting of short contracts, but

when the buying account council, the stocks sugged off, and fluring the forencon was freely sold, partly as liquidation of long stock, helders of which were discouranted at the poor annual resident, and in part by the bear traders, result at in a break of 2's per cent from the best figures of the morning. A raily of is per of at was made at the close, making the loss on the day 1th per cent. The conference stock. of a sale of 100 shares, declined 1 per cent. Segar lest in the transactions, but fluctuated within a range of \$\frac{1}{2}\$, clearing \$\frac{1}{2}\$, below yeater-day. Chicago Gas opened \$\frac{1}{2}\$ higher, but the advance was lost, and on steady setting the price-fell off gradually \$\frac{1}{2}\$, clearing \$\frac{1}{2}\$ above the low-est. The general market was fairly firm during the morning, becoming heavy during the aftermoon, and clearing weak in time, with a matternoon, and clearing weak in time, with a matternoon.
