THE GRAIN MARKETS.

Prices Paid for Wheat at Home and Abroad.

The local wheat market is almost lifeless, and is difficult to give quotations which will represent the value of wheat. Foreign buyers are whitogether indifferent. Walls Walls wheat for export may be said to be worth from 40@4kc per Bushel, and Valley 75@77%c per cental.

more. Eris was wenkened on the taik of fore-closure and heavy assessments on juniter se-curities. The common fell 1% per cent to SN, and the preferred 2% per cent to 17%. In the last hear Chicago Gas ran of 1% per cent to 75%, under sales by brokers who lud been pur-chasing during the morning session. St. Paul and the other grangers were a shade weaker at the opening on the poor statement of the former for the second week of the current mouth. Lon-don operations were insignilizant, the foreigners first selling Louisville & Nashville, St. Paul and Erie, and then turing duyer of the latter. Dis-tillers were firmer on the progress making look-ing to the reorganization of the property and a helief that the representatives of the outside distilleries, at their meeting in Chicago Wednes-day, will advance the price of spirits. Ameri-can Sugar was strong on manipulation, and Tobuthel, and Valley Therrige per cental. At Chenge. THICAGO, Feb. 15. -The wheat pit at the opening was flooded with welling orders at 54c below Saturday's cloring prices. The latest trading on Saturday's cloring prices. The latest trading on Saturday's cloring prices. The latest trading so flow so that 525 for May, and at the opening very few buyers could be found at 52%, and there were even more sellers than buyers at 52%, so that 526 became almost im-mediately the trading price. An anticipated de-versase in the visible stocks since a week ago of only 500,000 bushels was a potent bear factor. The Notthwestern receipts were 155 carfords more than those of the curresponding day's a year ago. The weather also was unfavorable for a continuates of a five movement from the farmers. A great deal of long wheat was around 525 and 5256 local shorts covered abuniantly, hore was little reaction during the local bushester and a state. day, will advance the price of spirits. Ameri-can Sugar was strong on manipulation, and To-bacco was weak for the same reason. In the last hour the market was firm, especially for the grasners, Sugar, Cordage and General Elec-tric. The net changes show advances of 16871, per cent. There was very little business trans-acted in gold today, but the commission is still quoted 1263; per cent. The sovernment option with the syndicate for a gold houd at 3 per cent in place of the 4 per cent coin bond, expired to-day, and the syndicate will come cut with its prospectus, offering the new bonks to the public tomorrow. A simultaneous insue will be inade abroad. around 52c and 52% local shorts covered abundantly, there was little reaction during the first heur and a half of the session. The visible supply soon began to give evidence of a larger decrease than had been looked for, and when the decrease was ultimately found to amount to 1,595,000, or three times as much as many had expected. In shorts commenced taking had whet they had unloaded. From being park the wheat they had unloaded. From being cack the wheat they had initiated. From being guiet and weak at 252, the price gradually hard-ered until about two hours from the close it recovered to 525, Drimary markets altogether received 259,000 bushels, against 149,000 bushels a weak ago, and 289,000 bushels a year ago. The English while surply showed a decrease of 850,000 bushels, following a decrease of 1.429,000 bushels, following a decrease of
