PROPOSALS FOR REFUNDING WATER Bonds, Dalles City, Or.—Sealed proposals will be received by the board of water commissioners of Dalles City, Or., at said city, until 8:30 o'clock P. M. of the 26th day of February, 1900, for twenty-five thousand dollars and twenty thousand dollars of refunding water bonds of said city (as it is not settled as to whether the total amount of bonds will be $25,000 or $20,000). Authority is extended to the said board to issue refunding water bonds in the sum of $25,000, but if found not to be necessary the issue will be for no more than $20,000. And at a rate of interest not exceeding 4 per cent per annum, payable 20 years from date of issue. Interest payable semiannually, principal and interest payable in gold coin of the United States, at any city therein, at the option of the buyer. The bonds mentioned will be issued under the provisions of the several legislative acts of the state of Oregon, approved Feb. 25, 1885; Feb. 19, 1889, and Feb. 14, 1893, and in pursuance of an ordinance adopted by the common council of Dalles City, approved Jan. 23, 1900. The proposed refunding water bonds are intended for the redemption of outstanding water bonds in the sum of $25,000, but in case the board of water commissioners prefer it will issue refunding bonds for $20,000 only; therefore, bidders may make proposals for both $25,000 and $20,000, and in the denomination of $500 each. No bid will be entertained for a rate less than par value of the bonds. Premiums and rate of interest will be taken into consideration in passing on the value of all bids. Bidders must deposit with the president of the board a duly certified check on some responsible bank equal to 2 per cent of the amount of bonds bid for, or accompany his bid with cash of such amount as will equal such per cent of his bid; and such certified check made payable to the president of the board of water commissioners of Dalles City, Or., as liquidated damages in case the bidder shall fail or neglect to receive and pay for, at the office of the city treasurer of said city, the bonds awarded to him on his bid, on or before the 1st day of March, 1900. Attention should be given the fact that the board will not issue and dispose of more than $20,000 of such refunding bonds unless it shall be deemed necessary to do so, but otherwise, if the board shall find that it is necessary to issue bonds in the sum of $25,000, it will then offer and issue the full sum ($25,000). The right to reject any and all bids is reserved by the said board of water commissioners. Bids should be addressed to the president of said board, or to the city recorder, Dalles City, Wasco county, Or., and noted "Proposals for refunding water bonds."
