SEND MISSIVES OF LOVE

MAIDENS' HEARTS FLATTERED AND POSTMEN IN DESPAIR.
Fourteenth of February Finds Youth Paying Tribute to Cupid-Legend of Old Italian Saint.

And what a day it was! The streets were filled with the fluttering of valentines, and the postmen were kept busy all day long.

Dr. Wise is at room 614, Dekum.
CATTLE WILL GO EAST.
Baker County Man Predicts a Lively Movement.

S. N. Proffitt, a stockraiser and dealer of Baker county, who is in Portland for a few days, says he looks for a large movement of Oregon cattle east this season.

WILD FLOWERS REPORTED - A citizen who was out driving on the Columbia slough road Sunday, reports having seen numerous wild flowers in bloom.

NEW SAILBOATS.

Speedy Craft Under Construction in East Side Yards.

This season will witness several new and elegant sailboats on the river that promise to prove speedy. Several members of the Oregon Yacht Club, which has its clubhouse at the foot of East Clay street, are building yachts themselves, and several of last year's yachts are being remodeled.

Another yacht is under construction in the same room, but for whom it is not known. The Lark is to be rebuilt this season also, and is expected to be more speedy than ever.

There has been a marked increase in the demand for residence property of late, especially for houses of a desirable class in a good location.

Every one appears to be convinced that property will never again be so cheap in Portland as it is now, and all who possibly can are building or securing homes.

Money is plentiful and safe investments are scarce, and as rents are constantly advancing, many are contemplating building houses, who have heretofore invested their money in other ways.

COMING ATTRACTIONS.

Soldiers' Monument Fund Benefit.
A most worthy object for citizens to respond to is the fund for the monument to Oregon's fallen heroes.

Choice Rests With Theater-Goers.
In order that the taste of his patrons may be gratified, Manager Hellig has decided to let the choice of the play for the returns engagement of the James-Kilmer-Hanford company be left to the patrons.

Large Strings of Trout.
The fishing season is on, and the fishermen are in high glory. They are bringing in large strings of trout, and the catch of ocean fish from the rocks during the past few days has been good.

Waldorf Pianos for Rent.
Six months' rent allowed if purchased. Graves & Co., 25 Alder, near fourth.

Any one can take Carter's Little Liver Pills, they are so very small. No trouble to swallow. No pain or griping after taking.

"Better live well than live long." You may experience both if you take Hood's Sarsaparilla.

Dr. Swan, dentist, 213 Dekum building.

THE LITTLE MINISTER

CHARLES FROHMAN'S COMPANY IN BARRIE'S FAMOUS PLAY.
It Differs Widely From the Beautiful Story, but is Still a Scotch Idyll.

A company entirely new to Portland, sent out by Charles Frohman, introducing "The Little Minister" at the Marquam last night to a large and delighted audience.

Mrs. Grace Hooper played Lady Babbie, she is very pretty and very graceful. She fills the eye and the imagination with her picture of the wild girl falling in love with the minister and winning him in spite of himself.

Adolph Jackson played Gavin Dishart very well. His was a clean-cut performance, not lacking in force. Katie Ten Eyck had a broad comedy role as Nannie Webster.

Scenery and stage settings are fine. "The Little Minister" will be repeated tonight and Wednesday, but there will be no matinee.

WHERE TO DINE.
For the best lunches or dinner, Sunday or any other day, go to the Portland restaurant, 306 Washington, near Fifth.

CELEBRATED LINCOLN DAY.
Bishop Scott Academy Honors Martyred President.

In lieu of the drill at Bishop Scott academy yesterday, Colonel James Scott delivered a lecture to the cadets on "Abraham Lincoln."

All the cadets listened closely to the lecture, and at the close sang with much spirit "The Star-Spangled Banner" and "America."

HISTORICAL PAINTING To Be Raffle.
On the 17th there will be raffled a fine large oil painting of General Sumner and staff in full life-size; the enlargement is by Lieutenant M. E. Carriere, from a photograph taken in the field, and which appeared in camp shortly before his attack by the enemy.

Three hundred dollars would be placing a very small estimate on the value of this picture, which is a work of art.

The forces allied in favor of Quay are the most dangerous in our country. They are the corrupt and the greedy, and they always value a man's vote from a money point of view.

HOUSEWORK IS HARD WORK WITHOUT GOLD DUST

Washing Dishes.
To wash dishes in half the time, and do it well, follow this recipe: Always use hot water - not steam, but hot. It is best to use soap with china and glass, and to have a nice lather, instead of using soap water.

Gold Dust Washing Powder.
Disinfects a table-spoonful in the hot water and wash quickly; have plenty of suds, draw water to wipe with; have a drier that will allow the water to run off the dishes; rub thoroughly; dry in a low, warm place; you will have highly polished glass and china.
