

SHEEP ON RESERVE

Regulations Under Which Grazing is Permitted.

NO OREGON STOCK IN WASHINGTON

No Pay is Likely to Be Exacted Unless Congress Shall Hereafter Specifically Authorize It.

WASHINGTON, April 15.—The total number of sheep to be allowed on the Mount Rainier forest reserve during the season under the recent order of Secretary Hitchcock, will be 20,000.

Each man desiring the privilege of the range must make an application which, when approved by the department, will entitle him to a certain number of sheep.

At present there is no law giving the Secretary of the Interior specific authority to make any charge whatever for grazing purposes.

The permits which are to be issued will prohibit Oregon sheep or cattle grazing on the reserves in Washington.

The forest reserves acting under Superintendent Sheller, are expected to see that the rules and regulations of the department are carried out, and also, that the range is not destroyed by over-grazing.

Last Fall it was stated that the sheep men and cattle men of the North Yakima section had raised a petition to send a committee to this city to assist in securing recognition for their old-time rights and privileges of grazing in the mountains during the heavy of the summer.

Superintendent Sheller recommended that approximately 20,000 sheep be allowed to graze on the reserve this year.

ALASKA IN THE SENATE

PHILIPPINE RESOLUTION ALSO WILL CLAIM ATTENTION.

Senator Hoar Will Outline His Views on Expansion Naval Appropriations in the House.

WASHINGTON, April 15.—The Senate will continue during the week to devote its attention to the Alaskan code bill.

The Quays resolution and the bill providing for the temporary government of the Philippine Islands.

Senator Hoar will try on Monday to get a day fixed for a vote on the Alaskan bill.

There also is a notable disposition to use the Alaskan bill as a lever for the taking up of the subsidy bill.

The Democrats in the Senate are practically united in opposition to the subsidy proposition.

Senator Lodge, in the course of an interview tonight, announced that it is his purpose to ask a vote on it whenever the Democrats make an opening for such suggestion.

Late in the week reports will be probably made on some of the appropriation bills now in committee.

It is also probable that a report will be made on the bill for the Maine, Wisconsin and Missouri.

It is his purpose to ask a vote on the question taken up in the Senate as soon as the report is filed.

WRIGHT'S WOUND FATAL

MILLIONAIRE TIRE MANUFACTURER DIED YESTERDAY.

He Declared the Shot Was Accidental, but Detectives Doubt That—The Woman's Statement.

CHICAGO, April 15.—Rufus Wright, the millionaire manufacturer of rubber tires, who was shot during a scuffle for the possession of a revolver in the apartments of Mrs. Louisa Lottridge, at the Leland Hotel yesterday, died today from the effects of the wound.

It is the opinion of the police that the coroner's investigation will mark the close of a sensational case.

Although he admits he can offer no evidence, Chief of Detectives Collier avers Wright's revolver was not in the hands of Wright when it was discharged.

Mrs. Lottridge, in a statement made at the Police Station, said: "I cannot remember what led up to the production of the revolver. I was talking to Mr. Wright when he asked me to show him a revolver of which he had spoken previously."

Mr. Wright was in the room when he was shot. I laughed hysterically and told him he was all right. He insisted he had been wounded, and begged me to call a doctor.

He told him he was dreaming, and then set about caring for him. I took a handkerchief from his pocket and attempted to staunch the flow of blood from his neck, where the ball had entered.

Mr. Wright for two hours, possibly, before he summoned a doctor. I was so overcome with grief that I could not have said things I ought not to have said.
