John Buchanar's Funeral. MONROE, Or., May 7.-The remains of the late John Buchanan, one of Benton County's Commissioners, were laid to rest Saturday in the beautiful Bellfountaine Cemetery, four miles west of this place. Mr. Buchanan had nearly completed a with the sphenoid facilities for number and fishing in the neighborhood, will na-turally draw the attention of health and pleasure mekers, and in time, if a branch of the Oregon Midland should run through

that country, it is likely that an attractive and much patronized Summer resort will be located there.

Truant School Law.

Chebalis Bee-Nugget. John and Clara McDonald, of Tenino, were fined \$39 and costs each at Olym-pla last week by Judge Linn for con-tempt of court in refusing to send their children to school after being ordered to do so by the court. This is the same case which was up asome time and the refu

which was up some time ago. It will be appealed to the Supreme Court. If the Judge is finally sustained, one of the first things the Chehalis School Board should de not chehalis School Board should

things the Chehalis School Board should do next year is to secure a truant officer and compel the enforcement of the com-pulsory education law. There have been more children loafing about the Chehalis streets during school hours the past year than ever before, and this in violation of a law which is now being tested. Let's get in and enforce this law, and fit the boys and girls to make good citizens, rather than permit them to grow up lend-ing lives of sloth and indolence.

Railrond Improvements at Ashland. ASHLAND, Or., May 7.-The Southerp

Pacific Company is preparing to make ex-tensive improvements and additions to its freight facilities to accommodate th reasing business of this place and its importance as a railway point. The present freight depot is to be moved to the west and city side of its tracks and 60 feet are to be added to the structure and a commodious freight platform built. Four thousand feet of new tracks are to be laid in the yard. With the present handsome passenger steine than added

WASHINGTON, May 7.-The Controller of the Currency has declared dividends of 29 per cent in favor of the creditors of the nnett National Bank, of New Whatcom Wash.

Washington Notes.

The old settlers of Adams County will have a reunion at Ritzville June 7. The first can of milk was brought in to the creamery at Centralia last Wednesday. The plant will be in good working order in a few days.

in a few days. H. M. Stevens and W. F. Yeck, who are operating the Darnell mine, have made are operating the City Council for a application to the City Council for a franchise to operate an electric light plant in Kalama.

The Gray's Harbor train has been taken off from Centralia to Gate City, and peo-ple along the line have to take a freight. The harbor train now runs from Tacoma through Olympia every day, Sunday included.

C. T. Moore, the Blains mill man who platted the original townsite of Blaine for the Cain Bros., is making preparations for the building of a complete asymill and box factory on the Semiahmoo side of the Blains harbor. Everything is arranged, and the mill will be placed in operation as soon as it can be constructed.

as soon as it can be constructed. The Commercial Club was organized at Aberdeen last Thursday evening at a meet-ing held in the Council chamber. The following officers were elected: W. J. Pat-terson, president; M. R. Sherwood, vice-president; George A. Black, secretary; Dr. G. W. Overmeyer, treasurer, and Rev. W. J. Metz, Dr. S. C. Maker and T. L. Douglas, trustees, J. A. Hood, Gove An-trim and F. C. Carman were appointed a committee to solicit membership. The black hase planted in Fadden Lake The black base planted in Padden Lake

The black hase planted in Padden Lake seven years ag are beginning to yield fine sport to local angiers. Quite a num-ber have been caught, a number of them fine specimens. Friday, W. D. West-cott caught one weighing over three pounds, says the Fairhaven Herald. Yes-terday Mr. Gray brought in one three-pounder and one of two pounds, besides a number of smaller ones. The base find excellent feeding in the lake in the stuckle-backs and young trout. backs and young trout.

F. S. Farquar, a newspaper man from Pennsylvania, was in Aberdeen last week Pennsylvania, was in Aberdeen last week negotiating to get control of the Aberdeen Builetin. A local company, with a cap-ital slock of \$250 is proposed to purchase the Builetin and the old Recorder plant and lease it to Mr. Farquar, who, it is abelieved, will run a red-hot Republican paper, warranted to suit all the factions of thist party in Aberbeen. There is also some talk of running a daily, should con-ditions itions seem to justify.

Charles A. Whisler, the well-known Gar-field farmer, was at Colfax Wednesday, says the Colfax Gazetta. Mr. Whisler has completed the planting of his crop and sa'd all crops were then in except a few wet patches. "I never before saw so mag-nificent a prospect for crops of both grain and fruit in all the wave I have here in The full crops of a both grain and fruit in all the years I have been in the Palouse country. The fields are splendid and Fall wheat is especially fins. The fruit crop I believe to be beyond dan-ger of damage, and, if so, it will be an immense one."

Caused by a Washed-Out Treatle.

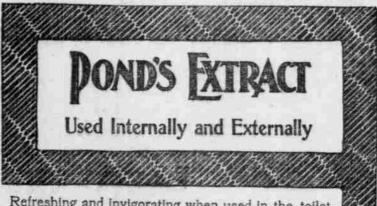

ST. LOUIS, May 1.-A washed-out treatle leading to the Binck bridge, south of St. Charles, Mo., caused the wreck of the "Katy" flyer, a fast incoming passenger train on the Missouri, kansas & Texas Rallway, and resulted in the death of John Boyle, fireman, and the fatal in-

is preferable to that of other Purgative Waters. More gentle in action. Does not cause crampy pains.
