No Municipal Government Until the Rebels Are Driven Out.

MANILA, May 21.—General James M. Bell, commanding the hemp provinces of Southern Luzon, has issued an order to his officers not to attempt to organize municipal governments, as prescribed by the Insular Government, until the rebels are driven out of the disturbed conditions. The Americans occupy a few coast towns, while the insurgents surround them, constantly assailing the garrisons, which are too small to stand up to the operations of the surrounding country.

Ten Years Pain

"I am a school teacher, have suffered agony monthly for ten years. My nervous system was a wreck. I suffered with pain in my side and had almost every ill known. I had taken treatment from a number of physicians who gave me no relief. No specialist said no medicine could help me, I must submit to an operation. I wrote to Mrs. Pinkham, stating my case, and received a prompt reply. I took Lydia E. Pinkham's Vegetable Compound and followed the advice given me and now I suffer no more. If any one cares to know more about my case, I will cheerfully answer all letters." MISS EDNA ELLIS, High-glossport, Ohio.
