

REFUNDS THE MONEY

Nez Perces Ex-Treasurer Abides by Expert's Report.

SETTLES WITH COUNTY FOR \$2000

Shortage Arose on Various Counts—Same Mix-Up in Which ex-Auditor Tannhill is Involved.

LEWISTON, Idaho, May 22.—Nez Perces County is richer by \$2000 today to Expert Cunningham's figures. Morris pays \$180 in cash and secures the county by a bond for \$400 to cover outstanding warrants that he claims have been paid.

The Commissioners allowed a credit of \$76 for warrants that Morris paid and never received credit for from ex-auditor Tannhill. They allowed him some \$200 for fees received as public administrator after the expiration of his term, and three of all in excess of \$200, which is to be paid in 30 days.

Collision in Idaho.

The Lewiston-Stuart passenger train, which left Lewiston Saturday morning, collided with a construction train at Porterville, resulting in two workmen on the construction train receiving quite severe injuries. One Salazar was Semblante and another was hurled from the train. The caboose of the passenger was also damaged somewhat. Other workmen on the construction train received slight injuries. The two men severely injured are F. H. Wheeler and Jack B. McDonald. Both men were hurled from the train at the time of the collision. McDonald received an injury to his spine, and Wheeler was severely bruised on the leg and foot. They were taken to Lewiston on special train in the afternoon and placed under the care of Dr. Morris, the railroad company's physician. The doctor thinks both men will recover.

MANY DELEGATES ARRIVE.

Odd Fellows Gather for Annual Meeting in Astoria.

ASTORIA, Or., May 22.—The members of the Grand Lodge, Grand Encampment and Rebekah Grand Assembly of the Order of Odd Fellows began to arrive in Astoria last evening. At least 600 of them and their friends are in the city. The Grand Lodge will begin its session tomorrow, but the Grand Encampment and the Grand Assembly have been at work all day, and will continue for at least another day.

When the Grand Encampment began its session the Grand Encampment degree was conferred on 14 past chief patriarchs, which, together with the receipt of reports of committees, took up the morning session. This afternoon the annual election of officers was held, resulting as follows:

Grand patriarch, J. O. Barker, Salem; grand high priest, T. F. Ryan, Oregon City; grand senior warden, P. W. Stewart, Portland; grand junior warden, T. P. Howard, Pendleton; grand scribe, E. E. Sharon, Portland; grand treasurer, Byron E. Miller, Portland; grand representative, W. W. Francis, Albany.

City Physician Henderson is taking active measures to have the city thoroughly inspected and cleaned, in order to guard against a spread of the bubonic plague, should it by chance be brought to this port. His crusade is directed principally against Chinatown, and the buildings in that part of the city are undergoing extensive overhauling. The payment of a bounty on rats was resumed today. Five cents per head is paid by the city, and 5 cents from a fund raised by private subscription.

The fishermen who were fined \$50 each in the Justice Court yesterday for catching the fisheries laws today paid their fines, with costs amounting to \$9.35. The boat-pullers were allowed time in which to raise the money, and each of them signed an agreement to pay the fine as soon as they should earn it. They will report to the court on the fourth Tuesday of each month until the fine is cleared.

The case of C. Berg, charged with fishing without a license, has been appealed to the Circuit Court. Berg does not deny having violated the law, but is fighting the case on the ground that the law is unconstitutional.

Nearly 300 near and individual licenses were issued from the Fish Commissioner's office today.

The Council has as yet made no provision for lighting the streets of the city, but this evening the West Shore Mill Company turned on the lights and will run them from 6 o'clock to 10 o'clock, three nights, or during the session of the Grand Lodge, I. O. O. F.

SEARCHERS FOR WILD MAN.

100 Polk County Men Will Join in the Hunt Today.

DALLAS, May 22.—Yesterday a party searching for the wild man near Falls City reported having seen him. The party consisted of about 20 men, and it will be suggested today to hunt from all parts of the county. There is no doubt that there is a man who runs away when seen, and who is of wild appearance. At least 20 responsible men have seen him and all give the same description. Twenty men left Dallas this morning to assist in the capture if possible.

A. R. Handy, who is supposed by many to be this wild man, disappeared December 23, 1898.

Emmett Cooper, a Spanish War veteran of Dallas, has received an appointment as assistant lighthouse-keeper at Destruction Island, off the coast of Washington.

The prune crop shows such promise that H. S. Butts, of Dallas, is now making preparation to erect a 100-bushel fruit-dryer. He has already purchased a steam drying plant.

Yesterday \$500 in bonds was voted in the first schoolhouse improvement. The vote was over twice as many in favor of bonds, but a very light vote was cast.

The School Board last night elected the following teachers to serve for the coming year: Principal, W. L. Reynolds; seventh grade, H. D. McDonald; sixth grade, Mrs. W. A. Hamilton; fifth grade, Miss Lydia Campbell; fourth grade, Mrs. F. H. Morrison; third and second grades, Miss Nellie Muscott; first grade, Mrs. G. W. Conley.

Notes From Dayton.

DAYTON, Or., May 22.—The large evaporator here started up this morning on a run of potatoes, the company having disposed of its entire stock to be shipped to Cape Nome.

The Yamhill River bridge at this place has been closed for repairs, which will take about a month, cutting off all travel from the north of the river to this city.

Forest Grove Notes.

FOREST GROVE, Or., May 22.—A. Ruester, one of the largest vintners in this section, said today that his crop of grapes, prunes, plums and cherries never looked better than now, and that the late frosts had not damaged his fruit in the

least. He says that the farmers will also have an abundant yield of grain this year.

Rev. H. H. Clark, D. D., and wife, of Cambridge, Mass., visited Pacific University today. Rev. Mr. Haynes has been teaching Semitic languages at the Leiland School, and is now on his way home, via Forest Grove.

STOLE A TWO-TON ROCK.

Jokey of Muscular College Boys at Albany.

ALBANY, Or., May 22.—A college experience of considerable interest occurred here last night. The senior class of Albany College had secured an enormous rock weighing nearly 4000 pounds, for a class stone, one that would surpass all predecessors, and last night had it ready for placing in the ground. This morning it had disappeared, and cannot yet be found. It has been learned that it was loaded by 11 students on a dray and carried off and hid.

State Food Commissioner J. W. Bailey, of Portland, was in Albany today on a trip through the Valley in the interest of his re-election.

Over 600 tickets had been ordered at this city for the conductor's excursion to The Dalles next Sunday, probably making the biggest excursion party that ever went from Albany. A good many expect to go as far as the hot springs at The Dalles and return the train from there until the return of the train from The Dalles in the evening.

WATCHING FOR ORIENTALS.

Examined at Ashland, Whether Have Certificate or Not.

ASHLAND, Or., May 22.—The United States Marine Hospital Service is vigilantly watching over the Chinese and Japanese passengers on both night and day trains entering Oregon on the Southern Pacific, under orders of Dr. J. J. Kinyon, the Federal quarantine officer stationed at this place. He is given authority to enforce the rigid regulations to suppress the bubonic plague existing in San Francisco. Even those Orientals in possession of certificates are subject to a thorough examination here, as well as the wily ones who have succeeded in eluding the thorough San Francisco inspection.

Seattle Board Stirred Up.

SEATTLE, May 22.—The efforts of San Francisco to prevent the spread of the bubonic plague have stirred up the local Board of Health to make a thorough survey of the Japanese and Chinese quarters. Nothing has been found so far to create alarm.

KILLED BY A FREIGHT CAR.

Accident That Befell a Young Man at La Grande.

LA GRANDE, Or., May 22.—Edward Burnett, an unmarried man of 20 years, who was employed in the electric light plant of this city, was run over by a freight car at about 9:45 this morning, and received injuries that resulted in his death at 1 o'clock this afternoon. The cause of the young man's death was carelessness as he attempted to board a freight car loaded with wood for the use of the electric light plant. In endeavoring to do so he missed his footing and fell under the moving train, which severed his right leg and right arm and severely bruised his head and other parts of the body. No blame is attached to the railroad company or its employees. The deceased was a son of W. F. Burnett, of this city. He was a member of the order of Foresters, which has taken charge of the remains.

BABE FELL INTO A WELL.

Clung to a Board Till His Mother Could Rescue Him.

TILLAMOOK, Or., May 22.—On Saturday the 3-year-old boy of Mr. E. Glad, who lives on the Wilson River, near the new cheese factory, fell in the well, which contained about nine feet of water, taking with him the board which covered the well. His mother was informed of what had occurred by some children, and she called to the boy to cling to the board until she got a rope, which she started to secure, but, fearing the boy would drown before she did so, went into the well herself, climbing down a pipe. The boy was rescued and brought home, but the women who had assisted could not get Mrs. Glad out, and men from the cheese factory were summoned. They immediately secured a ladder and rescued Mrs. Glad from her uncomfortable position.

LAST RITES FOR MISS FOSS.

Young Woman Slain Sunday Was Buried Yesterday.

THE DALLES, Or., May 22.—Miss Ida Foss, who was killed at Trout Lake, Klickitat County, Wash., Sunday night, by Benjamin Wagnita, who afterward killed himself, was buried here today. The funeral occurred from the Presbyterian Church at 3 P. M., and the service was conducted by Dr. Thompson, assisted by other local clergymen. The interment was in the Green Lane Cemetery.

Rev. W. V. Jones, of Corvallis.

CORVALLIS, May 22.—Rev. William V. Jones, a native of Wales, and for the past 24 years a minister in the Presbyterian church, was buried here today. The funeral occurred from the Presbyterian Church at 3 P. M., and the service was conducted by Dr. Thompson, assisted by other local clergymen. The interment was in the Green Lane Cemetery.

Son of Rev. J. M. Shulze Dead.

Dr. Arden L. Shulze, son of Rev. and Mrs. J. M. Shulze, well known in Oregon, died in Roseman, Mont., last Saturday, aged 23 years. Rev. Mr. Shulze is a Methodist Episcopal minister. Four years ago while he was pastor of the Boardman Church a daughter died, and two years ago, while he was stationed at Jackson, another daughter died. Last August he was transferred to Montana, but he died before the life of this son. Consumption carried all away.

Taylor Baines, of Gales Creek.

FOREST GROVE, Or., May 22.—Taylor Baines, who had resided in Washington County nearly 50 years, died at his home on Gales Creek today, aged 83 years. He left a wife and seven children, namely, Albert, of Idaho; Thomas, of Sumner, Or.; Frank, Richard and Walter, and Nettie and Ida, of Gales Creek. Interment will be in the Gales Creek cemetery tomorrow.

Wasco County Rural Delivery.

WASHINGTON, May 22.—The changing of the star routes from The Dalles to Prineville, on account of the inauguration of railway mail service over the Columbia Southern, will make necessary the advertising for a new service from The Dalles to Sherars Bridge, and also from Shanks to Prineville, via Antelope. In the estimates called for by the proposal, Representative Moody has had the new star route bus delivery system incorporated. This insures a daily rural free delivery along the line of these routes for all who desire to avail themselves of such service.

Shulze Residence Burned.

GREENLEAF, Or., May 20.—The residence of James Johnson, one mile from Deadwood, was totally destroyed by fire yesterday, with all its contents. It was one of the first frame houses built in this part of the country, and was one of the best. Mr. Johnson and family were away from home at the time.

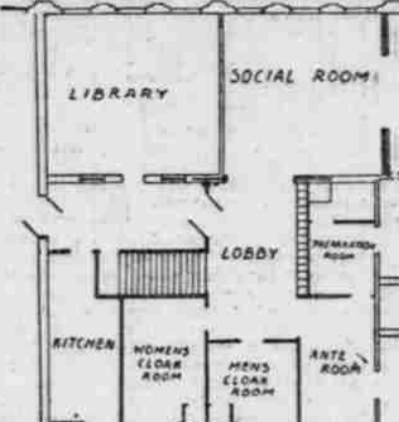

DECLARED THEIR VIEWS

LEGISLATIVE CANDIDATES OF MAJORITY EXPRESS THEMSELVES.

First Joint Meeting of the Campaign—Candidates for County Offices—Also Had a Hearing.

SALEM, Or., May 22.—The joint canvass of Marion County by the candidates of the Republican and Fusion tickets was begun at Turner this forenoon, with a joint discussion. While the attendance was not large, the general tone of the addresses foretells the hardest political fight ever waged in this county. The apparent lack of interest on the part of the people in a measure made up for by an unusual vim in the work of the candidates. It is evident from the start that the opposition to the Republican ticket has a strong advantage in having the best speakers. The Republicans have not a single candidate who is given up verbosely. But for a straightforward business talk, void of figurative coloring, the Republican candidates appear to be able to hold their own.

WAR ON STARFISH.

They Ruin Oyster Beds, and Law Requires Their Destruction.

SOUTH BEND, Wash., May 22.—The Pacific Coast Oyster Commission has begun the vigorous enforcement of the law passed four years ago requiring oystermen to work three days each year destroying starfish. This law has been a dead letter until now, but the starfish have so multiplied of late as to wipe out some of the best natural oyster beds which had been the source of supply for the oyster trade in the Northwest.

A Sermion on Cakewalks.

Oakdale (Wash.) Sun.

The cakewalk at the commencement exercises made a great hit, and the work was very creditable indeed for amateurs. But we are told that certain of our orthodox Christians, who-called, were pained and shocked beyond measure to think that so rude a performance should be tolerated at a school exhibition.

Some "Inside" Information.

A prominent Federal who-boiler, of Portland, who was in Salem yesterday, reliably reported to have circulated the statement here that several members of the Republican Legislative ticket in Multnomah County are in danger of defeat at the June election. Those who were favored with this information are of the opinion that the Federal official's wish was father to his thought. At any rate, judging by remarks on the subject, the official did not gain any friends for his political chief by trying to circulate such reports here.

REGISTRATIONS WERE REJECTED.

Clerk's Books in Lane County Closed at 5 O'clock May 19.

EUGENE, Or., May 22.—County Clerk Lee is being subjected to some extent by his decision in regard to the closing of the registration books of the county. As a matter of fact, Mr. Lee has followed the letter of the law, and he is right, and he is doing so in name that were taken by deputies or justices of the Peace in outlying precincts have been refused a place on the general register. These 25 names were taken in regular way by officers, acknowledged to be competent to receive and register the names of voters before 5 o'clock P. M. on May 15, at which time the registration books are closed, according to law. These names were sent to Clerk Lee as soon as possible, but did not reach his office prior to 5 o'clock May 15, and when they did arrive they were not allowed to be entered.

Wasco Political Notes.

THE DALLES, Or., May 22.—Judge Pipes, of Portland, spoke here this evening on the political issues of the present campaign. The large Vogt Opera-House was crowded with a very enthusiastic audience. He made a very logical and eloquent address in favor of Republican principles, and no doubt gained many votes for the Republican party.

Defeated Wife's Suit for Divorce, and Then Sued Her Paramour for Alienation of Affection.

Money to the Counties.

Secretary of State Dunbar today drew warrants in favor of the various counties for their shares of the 5 per cent road fund recently received from the United States Treasury. The division is based upon the acreage of the counties. The acreage and amount apportioned to each county are as follows:

Table with 3 columns: County, Acreage, Amt. Baker 1,471,123 \$186,720; Benton 415,980 52,247; Clackamas 1,131,250 141,406; Clatsop 705,929 88,239; Columbia 431,919 53,989; Coos 1,094,459 136,807; Crook 3,122,502 390,313; Curry 509,129 63,641; Douglas 2,231,540 278,942; Grant 6,381,169 797,647; Harney 1,131,250 141,406; Grant 2,814,549 351,819; Hood 1,381,169 172,647; Josephine 1,098,520 137,315; Klamath 2,914,240 364,280; Lane 2,091,169 261,393; Lincoln 607,446 75,930.

Paving Contract Let.

At the meeting of the Vancouver City Council last evening, C. E. Weston was awarded the contract for the construction of the Main-street pavement. Weston was the lowest bidder for the work at the meeting two weeks ago, when final action on the matter was deferred until last night. Weston will enter into contract with the city immediately, and hopes to be able to commence work on the street next Monday. The pavement is to be of the planking, 6x5 inches, laid from center to curb. Work will be begun at the intersection of First street and extend to Eighth street. Seventy-five days is the limit for the completion of the contract. The price bid by Weston is 80 cents per square yard.

No More Sunday Shaves.

The barbers of this place held a meeting last night and agreed to close their shops at 8 o'clock every evening except on Sundays. A proposition was also submitted making the uniform price for a shave 15 cents and 25 cents for a haircut, but objection was made to this by some of the 10-cent shopkeepers, and no agreement on this point was reached.

Strong Oriental Trade.

SEATTLE, May 22.—Darius Miller, second vice-president of the Great Northern Railroad, has been here since last Saturday in conference with President Komdo, of Japan, head of the Nippon Yusen Kaisha. Miller stated in an interview today: "The result of the conference has been most satisfactory to both the steamship line and the Great Northern. Oriental traffic is strong, yet it can be said to be but in its infancy. Our road has improved itself largely this year in anticipation of the business. Our tunnel will be done early this fall."
