ing the terms of a resolution adopted by the Board of Health, declaring that plague existed in this city, that they were under the Constitution of the United States and the existing restrained them is and the existing restrained of the liberties granted them in Market and the existing restrained them is a solution of the united States and the existing restrained them is a solution of the united States in the existing restrained to the states are the solution of the united States in the existing restrained them is a solution of the united States in the existing restrained to the states are the solution of the united States in the existing restrained the states are the states are the solution of the united States in the states are the solution of the united States in the states are the states and the existing treaties between the Government of the United States and the Chinese Government; that the authori-ties discriminated against the Mongolian race in mingling out the Chinese and Japanese for the enforcement of the terms of the resolution; that the haffkine pro-phylactic was not the proper treatment for persons already exposed to the plague, and that neither the Board of Health nor the Federal authorities had proved that a single case of plague existed in this city or state.

The court sustained every contention in The court sustained every contention in the complaint, and granted the itjunction. The decision was read by Judge hiorrow and was concurred in by Judges de Haven and Hawley. In his decision, Judge M m-row holds that the Board of Health had row holds that the Board of Health had no power to issue the instructions regard-ing the inoculation, as the Board of Super-visors had not passed any legislation on the matter, as provided by the charter of this city and county. Discussing the Fed-eral quarantine act of March 27, 150, Judge Morrow said: "Si will be observed that the statute is open in the intermetation that the con-

open to the interpretation that the promulgation of rules and regulations to pre-vent the suread of the discases named in the statute is made to depend upon the fact that it has been made to appear to the sufficient of the President that the the satisfaction of the President that the discass exist in the particular state or territory where the regulations are to be enforced. If this is the proper inter-pretation to be placed upon the statute, then the enforcement of any rules and regulations is open to the objection that it does not appear that the President has found the place exists in San Frenders found the plague exists in San Francisco r in California, or, indeed, anywhere elsa in the United States; nor does it appear that the supervising Surgeon-General has so found, or that he has prescribed any regulations requiring the administration haffkine prophylactic under any conditions, or to parties seeking transporta-tion from one place in the state to an-other. The only restrictions imposed by the Surgeon-General is that transportathe Surgeon-General is that transporta-tion companies shall refuse transportation to Asiatics unless provided with the per-tificates of the defendant, Kenyoun, What examination or treenment is required to entitie a Chinese person to this certificate entitie a Connexe person to this certificate is not provided in the instructions of the Supervising Surgeon-General. The in-structions are, therefore, plainly asuf-ficient in these essential particulars to justify the defendant, Kenyoun, in the restrictions and conditions he has placed upon the complainant, and those repre-sented in the bill of complaint." restrictions and committant, and those represented in the bill of complaint." At the meeting of the City Board of Health tonight, the question was raised whether or not the order of the United Blates Court would prevent the board from declaring a quarantine. A reading of the order convinced the bit was very order convinced the bit was very the effect and it was feared order convinced the board that it was very sweeping in its effect, and it was feared that to declare a quarantime would bring the board in contempt. After discussing the matter until midnight, action was deferred until tomorrow.

Perquisites of Rathbone and Other Cuban Officials. NEW YORK, May 28 .- A special to the Tribune from Washington says: One interesting and important branch of the Cuban investigation will be that relat-ing to the perquisites enjoyed by the of-ficials and clerks there, by virtue of their official and clerks there, by virtue of their score: official and clerical status, and also that relating to miscellaneous expenditures. In the accounts of Director-General Rathbone, for example, the sum of \$17.-\$21.26 is charged to "per diem." That was the total for the year 1899. This, it ap-pears, was not expended in that year for day wages, but "for allowances of per-quisites," enjoyed by himself and mem-hers of his official and clerical scatt schemes the

#### CHINESE COMING NORTH.

Strict Quarantine Will Be Enforced at Astoria.

at Astoria. ASTORIA. Or., May S.-Information was received from San Francisco this evening that on account of the ruling of the Federal Court, relative to quarantining Chinamen in that city, a large number of Mongolians are expected to leave for the Columbia River and Puget Sound on the sext steamers. Both State Health Officer Fulton and Government Officer Hustings state that they will continue to enforce a strict quarantine against that port, and will isolate all Chinose passengers for 12 or 14 days. The China-men taken off the steamer Columbia will be released Friday.

#### Colorado Quarantines.

DENVER, Colo., May 28.-The State Board of Health this morning decided to quarantine against the entrance of Chi-piec and Japanese into Colorado. Until further notice is given no Chinaman or Japanese may enter the state without a certificate signed by the Health Officers from the city whence he comes, stating that he has not been exposed to bubonic plague during the a'x weeks immedia preceding the date of his application. reditately

#### Plague Death at Smyrna.

CONSTANTINOPLE, May 2.-Another death due to buhunic plague occurred yes terday at Smyrna.

### McMinuville Notes.

M'MINNVILLE, Or., May S.-N. E. Kegg. a groceryman of this city, who was recently committed to the Asylum and relenaed on trial a few days ago, was re-committed Saturday. His trouble was

caused by the excessive use of intexicants. Ex-Congressman Howard, of Alabama, Ex-Congressman Howard, of Alabama, spoke Saturday evening to a fair-sized andience, composed of about an equal number of Bepublicans and Fusioniste. His arguments were practically the same as those in his Portland speech. As there is not known to be a Middle-of-the-Road Populist in Tamhill County, the results of his speech are not opparent. Miss Morrow, of Illinois, preceded Mr. Howard in a

1

ernor of an indian or an African province, rather than that of an official of a ter-ritory like New Mexico or Oklahoma. It is reported that in addition to his salary of \$500 a year, the Director-Gen-eral received a "per diem" allowance amounting to \$5, or \$1825 a year, and that the head of each of the 19 or 11 "bureaus," which constituted the "Department of which constituted the "Department of Posts," received a similar "allowance" at the rate of \$3 per day. The regular yearly galaries ranged from \$2000 to \$3000. There was also a force of inspectors and clerks who received "per diem allowances" ranging from \$1.25 for a \$1200 clerk to \$2 or more for inspectors and clerks of the higher grades. There was no exercise of parsimony in that branch of the Di-rector-General's official establishment. It is also said that the Director-General himself enjoyed other large personal "perwhich constituted the "Department It is also said that the Director-General himself enjoyed other large 'palace' occu-pied by him as a residence in which he set up a court rivalling in magnificence and splendor of the Military Governor of Havana was paid for out of the postal revenues of Cuba; that expensive altera-tions and repairs of the 'palace' were also paid for out of the Cuban revenues. A member of the Senate committee has

head of "miscellaneous" in the Director-General's account in the last year was one amounting to \$1300 for upholstering, dry goods, etc., purchased at a single estab-lishment in the United States. This and many other equally questionable expend-ltures were borne by the revenues of Cu-ha. The heading "miscellaneous" cov-ered a total of \$25548 \$550 the beading St. Lou

ered a total of \$49,544.55; the heading "building and repairs" covered a total of \$5,541.69; the heading "rent" covered a total of \$11,009 14.

total of \$11,000 14. The four totals under the headings "per diem," "miscellamous," "building and re-pairs" and "rent" make an aggregate of \$113,206 73. Besides there there is a charge of \$77:09 73 for "transportation." distin-guishing it from "mall" transportation and "star route service." The amount of \$44.303, therefore, was evidently not ex-pended in navment for carrying the mult pended in payment for carrying the mails. If it be added to the totals \$11,505 79, the total will amount to \$121,785 51. To this should be added \$5105 25 for "carriage, harness and equipment"-another "perqu'a-lic" of the Director-General-making an aggregate of \$124 \$83 77. This was \$46,441 45 in excess of the to-

tal expenditures on account of "star route service." mail transportation, letter carriers, railway postal clerks, mail messengers, mail wagons and mail bags, which amounted to only \$78,422 34. The total per diem allowances alone amounted to more than 22 per cent of that total, and that in turn amounted to less than 35 per cent of the total amount paid as salaries to Director-General Rathbone and his official and clerical staff at the headquarters of and clerical staff at the the Cuban postal service.

#### Mormon Blew Out the Gas.

LOS ANGELES, May 26-Rev. William Joseph Beecher, a missionary of the Lat-ter Duy Sainta, who came to this city Friday, was found dead in his room here yesterday. He had blown out the gas. and death from asphyratics was the re-sult. Beecher was sent here from Salt Lake to assist in the campaign which is being waged in Southern California in the interest of Mormonism, and expected to remain some months. He was evidently unfamiliar with the use of gas.

### THE LATONIA DERBY.

#### Race Was a Farce, Lieutenant Gibson Being me Only Starter.

348

.357

con Being Sac Only Starter. CINCINNATI, May 25.—The thousands of lovers of thoroughbred racing who gathered at Latonia today to see what promised to be the greatest Derby of the year met with bitter disappointment. The race proved to be a farce. Lieutenant Gibson was the only starter, and simply had a gailop around the track to win the bit write. Us to poon the track to win the had a gallop around the track to win the blg prize. Up to noon the track was in good shape, but then there came a heavy rainfall and spoiled all the chances of a context in the Derby. Hiram Scoggin scratched his entry, Highland Lad, and Florizar and later Kentucky Farmer was withdrawn. St. Ivor had been scratched out earlier in the day. This left but one horse in the race. Lawurgant Gluon and horse in the race, Lieutenant Gibson, and he galloped the distance, a mile and a half, for the big end of the purse. Thus the farmous Latonia Derby of 1900 passed into history, and Lieutenant Gibson, the

crack Western 3-year-old, remains un In spite of the very disagreeable weath-

er, one of the largest crowds ever seen at Latonia witnessed the day's racing. Eleven books drew in to supply the wants of the talent, and did a big business James F. Caldwell did the starting, and

James F. Caldwell did the starting, and got the fields away in good order. The judges' stand was presided over by Colo-nei Charles Price, formerly secretary of the Louisville Jockey Club; Colonel L. P. Tariton, of Frankfort, Ky., and Secre-tary E. C. Hopper. The results were: Six furiongs-His Excellency won, Un-sightly second, Isilp third; time, 1:5%. One mile, selling-Eleanor Holmes won, Dandy H. second, Sadle Burnham third; time, 1:4%.

#### REVERSED THE DECISION.

#### Plaintiff Loses in the Case of Phinney Versus the Mutual Life.

SEATTLE, Wash., May 28-A private telegram received today from Weahing-ton announces that the Supreme Court, in a decision rendered in the celebrated in a decision rendered in the celebrated case of Fhinney vs. The Mutual Life In-surance Company, of New York, has re-versed the decision of the Circuit Court and of the Court of Appeals in San Fran-cisco, and hos ruled in favor of the insur-.545. ance company. The case has been pend-ing several years. Guy Phinney died in 1522. His life had been insured in 1530 for \$100,000. There were several unpaid premiums. The decisions of the lower .414 .305 courts were in favor of his widow, who sued for \$97,000.
