Wells, E. N. Bergen, James Ruddiman, Clark Lawrence, C. C.

New Coal Mine Opened. CENTRALIA, Wash, May 25.-Howell & Baschlin have just opened up a new coal mine, in Saizer Valley. According to Mr. Baschlin, they have found a far better quality of coal than they shad hoped for. In fact, it is far superior to any coal heretofore found in this locality. The vein just struck is five feet thick and 20 feet below the old mine, being on a layed with the valley. The coal is much On the day that Mr. Smith put his hope

into the association he was offered 5 cents per pound by a local buyer. Thinking to save that local buyer's commission, he put his hops into the pool, agreeing to pay harder than any found here before, so hard as to necessitate blasting. It burns the officers of the association a commis-sion. He now finds that his hope have been soid by the association to the same buyer who offered him 5 cents last Fall. onger, and leaves less ashes than former local coal, and gives out very little odor when burning. This is the first attempt He is therefore of the opinion that the association has proved to be nothing more than a middleman itself, and that the hops have been taxed one more commiswhen burning. This is the first here at mining to any depth, the heretofore has been principally at the surface. Experts pronounce the coal sution than they would have been if sold erior to anything mined here before direct to the buyer. The experience of Mr. Smith is the ex-perience of nearly all, for in nearly every instance in which sales of hops have been

Killed by His Own Negligence Coroner Butts, of Wasco County, held in inquest at Wyeth Sunday on the body senger train that had been killed by a pas-senger train that morning. The evidence showed that the deceased was a tramp. He was beating his way to Utah, which he claimed to be his home. He had told a witness the night before at Troutdale that he had been on the road seven years. The jury returned the following rather

Acting on the request of President Tay-or, of the Portland Chamber of Com-nerce, Secretary Thielson, of Salem's unusual and exhaustive verdict: "We, the jury impaneled by the Coroner to inquire into the cause of the death to inquire into the cause of the usame of the body now before us, whose name is unknown to us, find that he came to his death by being run over by train No 5, about 515 o'clock A. Goldsborough's Second Trial.

The torpedo-boat destroyer Goldsbor-ough arrived in Seattle today to take on a quantity of Cardiff coal. The Goldsbor-

ugh has had several preliminary build

rs' tests lately under the direction of Superintendent Ballen, for Wolff & Zwick

After taking on coal the destroyer re-

on the Government dock and have her bottom cleaned preparatory to the official

trial trip. For this test no date has been fixed, but it will probably be within the next two weeks. A crew is being trained. The trial course has been laid off by Cap-

tain Pratt. of the coast and geodetic sur

er, her builders.
